Fond du Lac's Graphic Arts Festival Postponed

Spark, Fond du Lac's graphic and interactive arts festival, originally scheduled for August 21- 23 has been postponed. Organizers for the event, that was to be held at multiple locations in the city, have determined that issues associated with the corona virus make it difficult to guarantee a safe, successful event. Individual venues, such as the Fond du Lac Public Library, may hold graphic arts related activities or displays, but they will not be under the umbrella of the festival. For example, starting August 21st Ubuntu Art Space will feature the posters of Renee George, who also happens to be the winner of Spark's logo contest. Festival organizers were excited by the enthusiasm the festival generated and look forward to a graphic arts festival in Fond du Lac's future.
