

# 1181 Creekside Manor

Waterfront Venue With A Relaxed Elegance

1181 Creekside Manor is a 7 acre property along the Yellow Breeches Creek in Mechanicsburg, PA. Owners Courtney and Eric were married in Jamaica and wanted to bring that same relaxed elegance to their brides and grooms. 1181 is a unique venue featuring a farmhouse constructed on an 1810 mill, a stone archway, horse barn and the most amazing water views. Couples are given access to the property for their entire wedding weekend and offered flexibility on how they want their day to look.
