The background is an abstract watercolor-style splash of purple and red colors. The central area is a dark, textured purple, which fades into lighter shades of purple and red towards the edges. There are numerous small, dark splatters and dots scattered around the main splash, particularly on the left and bottom sides. The overall effect is artistic and dynamic.

# Interview results/quotes

Some quotes from our peers:

- × A quote that shows how social media affects gender equality.

“People post certain things to get approval from others.”

- × A quote that shows how dress code affects us at FMS is

“For people who want to express themselves through clothes have a disadvantage. Girls have to dress more modestly rather than boys.”

- × What are your thoughts on gender?

“My thoughts on gender is that people still think that boys are better than girls.”

- × How does dress code affect you?

“I think the dress code affects me less as a boy.”

# Gender Stereotypes

**DID YOU  
KNOW?**

Some facts about gender stereotypes are:

- × “We see someone’s sex as an important predictor of their abilities and interests and assume that if we know someone is a girl or a boy, we know a lot about them (Campbell & Storo)”.
- × Some examples of gender stereotypes are:
  - × Boys are better at physical activities.
  - × Parents have lower expectations for girls in math and science.
  - × Girls have more emotions, while boys aren’t suppose to show theirs.
  - × Future careers and jobs (ex. Male doctor/Female teacher)
- × Many of these stereotypes are false and creates unequal expectations.
