Building learning experiences for the 21st century across the globe!

WELCOME TO OUR NOVEMBER 2021 eNEWSLETTER!

We have a few updates since our last eNewsletter. The ALE Virtual Community moved to a new virtual discussion environment and added 12 new podcast episodes. We now have nine [consulting partners](#) as part of our team.

You may access the Adult Learning Exchange (ALE) [Virtual Community](#), through our website. The site is open to educators, administrators, scholars, and students interested in adult learning.

Anyone is welcome to suggest categories of topics for the virtual community. The only requirement is that at least one moderator is identified for each category and that the topic and the moderator are approved by SCOC Consulting.

NEW ALE VIRTUAL DISCUSSION ENVIRONMENT

The ALE Virtual Community environment is now in [Google Blogger](#). This new environment allows for better features such as a better graphical interface, links to websites, and posting of podcast episodes. Community members can easily search for topics and view message archives. Be sure to sign up to your favorite discussion categories.
