Journaling 101

Journaling is the act of writing. It can be in a notebook, on a laptop, tablet, or even the phone. This episode focuses on journaling and why it is important to your mental health. It explores the benefits of journaling, the different ways to journal, and how to get started.

Editing with Kate!

From Student to Scholar, What's in it for You?

A doctoral degree is a step forward for becoming a scholar; however, it is a huge undertaking that demands significant time, energy, financial, and emotional commitments. Moving from student to scholar is not an easy task. In this episode, Dr. Conceição is interviewed by Kate Devlin about what it means to go from student to scholar, the process behind it, how a faculty member can help you, and some strategies for a successful doctoral journey.

Getting It Done!

Working on your dissertation but having difficulties setting a timeline? We provide individual and group coaching sessions for graduate students who have completed all coursework and are preparing their dissertation proposal or finalizing their last dissertation chapters.
