## ASEM Lifelong Learning Hub

Established in 2005, the Asia-Europe Meeting (ASEM) Education and Research Hub for Lifelong Learning (ASEM LLL Hub) is an official network for university cooperation in Lifelong Learning Research between Asia and Europe. Higher education institutions work and learn together to (1) achieve excellence in comparative research on lifelong learning, (2) offer research-based education policy recommendation, and (3) develop mutual understanding between Asia and Europe. It also facilitates researcher and student mobility and

exchange within and between the two world regions.

The ASEM LLL Hub is hosted by the University College of Cork in Ireland. It provides a platform for dialogue between researchers, practitioners, and policy makers to contribute to evidence-based educational reform and innovation. Its six research

networks exchange knowledge, conduct comparative research, and produce coordinated publications and reports.

The Hub has six active research networks, for which Dr. Simone Conceição is a member of the Learning Research Network 3: Professionalisation of Adult Teachers and Educators in ASEM countries. Check out the website for the more information about the [ASEM LLL Hub](#).

The ASEM Global Lifelong Learning Week occurred September 26th – 30th, 2022, in University College Cork, Ireland.
