We are excited to unveil the new logo for SCOC Consulting, a design that captures the essence of innovation and connectivity. Generated by AI, this logo embodies the dynamic and forward-thinking nature of our services. The intricate design elements, including the interlocking gears and circuits, symbolize our commitment to seamlessly integrating technology with strategic consulting. The use of vibrant blues and greens reflects our dedication to sustainability and growth, while the globe signifies our global reach and impact. This new visual identity not only represents our expertise in digital solutions but also our mission to drive positive change for our clients worldwide.

Getting Published Webinar Series

Webinar 1: Publishing an Academic Book with a Commercial Press

The first webinar in our series provided an in-depth look at the process of publishing an academic book with a commercial press. Attendees learned about the submission process, how to write a compelling proposal, and tips for working with editors.

Webinar 2: Publishing Articles from a Dissertation

The second webinar focused on transforming dissertation research into publishable articles. Participants gained strategies for identifying suitable journals, adapting their dissertation chapters, and navigating the peer review process.

Webinar 3: From a Dissertation to a Published Book with a University Press

Our third webinar guided attendees through turning a dissertation into a book published by a university press. This session covered manuscript preparation, submission guidelines, and the unique aspects of university press publishing.
