COMMANDER'S MESSAGE

Brian Fowle
Commander

As we approach Labor Day, I want to take a moment to recognize the hard work, dedication, and service that define our members, families, and community. Labor Day is more than the unofficial close of summer; it is a reminder of the commitment of working Americans, the strength of our communities, and the values we continue to uphold as Legionnaires.

Our Post remains active because members step forward when help is needed. One of our next opportunities to serve is helping out during the Mum Festival. We will need volunteers to help represent the Post, support festival activities, and show our community what The American Legion stands for. Whether you can help for an hour, a shift, or the whole event, your time makes a difference.

Thank you for your continued membership and support. Membership is the foundation of everything we do—from honoring veterans and supporting military families to mentoring youth and strengthening our hometown. If you have already renewed, thank you. If you have not yet renewed, please take a few minutes to do so and encourage another eligible veteran to join us.

Members can also access their membership card online through myLegion. After signing in to myLegion.org, members can view or print a digital copy of their membership card from the membership card section. This is a helpful option for anyone who needs quick access to proof of membership or prefers to keep a digital copy available.

Please also visit and use our Post website for updates, announcements, event information, volunteer opportunities, membership reminders, and other important notices. Staying connected online helps us communicate faster and reach more members, especially as more Legion business and member services continue moving toward digital tools.

Digital-ready posts are stronger posts. By keeping contact information current, using online membership tools, checking the website regularly, and sharing information electronically when possible, we reduce delays, improve participation, and make it easier for members to stay involved no matter where they are.

Thank you again for your membership, your service, and your willingness to help our Post succeed. I look forward to seeing many of you at the Mum Festival and at our upcoming Post activities. Together, we will continue to honor service, support veterans, and serve our community with pride.

Commander Brian

Mike Brenner
1st Vice Commander

DEPARTMENT CONVENTION RECAP

The American Legion Department of Ohio held its 107th Department Convention July 10-12 in Toledo. Post 586 was well represented, with Commander Brian Fowle, Second Vice Commander Melissa Fowle, and me attending as our Post's three delegates.

The convention brings Legionnaires from across Ohio together to conduct Department business, recognize outstanding service, hear from Legion leadership, and prepare for the coming year. Sessions included presentations from state and national American Legion leaders, recognition of outstanding Legionnaires and programs, and updates on initiatives including Buckeye American Legion College and America 250 Ohio.

The convention concluded Sunday with the election and installation of the Department's 2026-2027 leadership. Gary Cox, Jr. was installed as Department Commander, Holly Lewis as First Vice Commander, Ken LaVoy as Second Vice Commander, and Dean Boyers as Department Treasurer.

Attending the convention is also an opportunity to see how the work we do at Post 586 connects with the Legion's mission throughout Ohio. Brian, Melissa, and I were able to exchange ideas with Legionnaires from other Posts and bring information home that can help us continue strengthening Post 586.

The 108th Department Convention will return to Toledo in 2027, and I hope Post 586 will continue to have a strong presence.

Thank you to everyone who supports our Post and the work of The American Legion. It all begins with active members at the local level.

For God and Country
Mike Brenner
1st Vice Commander

REMEMBERING 9/11 THROUGH SERVICE

Melissa Fowle
2nd Vice Commander

Recently, Brian and I visited Shanksville, Pennsylvania, to see the Flight 93 National Memorial, where passengers bravely fought back against hijackers. It was a deeply sobering experience that brought back many memories of that terrible day. Those passengers were not just victims but also heroes as they took charge of their actions and made sure that the hijackers did not reach their goal.

As September 11 approaches, we observe Patriot Day to remember the tragic events of 2001 and honor the nearly 3,000 lives lost.

We remember:

- The two hijacked planes that struck the Twin Towers in New York City which soon after collapsed.
- The third hijacked plane that smashed into the Pentagon.
- The fourth plane which crashed in a field when the passengers decided that they could not let the hijackers kill more innocent people.
- The hundreds of firefighters, police officers, and medical workers who died while trying to save others.

We can honor these victims of 9/11 by having moments of silence. We can pause and reflect at the times the planes struck and when the towers fell. Many decide to make this anniversary of sadness and change it into an action. We can change this into an act of volunteerism in our community. This might be the best way to honor those who died and change the focus from tragedy to community service. I can't think of a better way to pay tribute....taking sadness and turning it into something beautiful.

Ideas:

- Weed the flower beds of an elderly neighbor
- Take donuts to the Police/Fire Departments
- Bring a meal to a Shut-In
- Pick up trash in the park or along the bike path
- Call a member that you haven't seen in a while and see how they are doing
- Volunteer at the Post during one of our dinners

Let us join together in honoring their memory and sacrifice. Remember, we don't have to limit this only to 9/11!

For God and Country

Melissa Fowle, 2nd Vice Commander

INVESTING IN TOMORROW: BUCKEYE BOYS STATE

Each year, The American Legion is proud to invest in the next generation of leaders through Buckeye Boys State, one of Ohio's premier youth leadership and government programs.

This year, Post 586 was proud to sponsor three young men: Lucas Heitbrink, Brayden Kocher, and Hunter Addis. During the program, they had the opportunity to experience firsthand how government works while developing leadership skills, building friendships, and learning the importance of civic responsibility.

At our most recent membership meeting, Lucas Heitbrink joined us to share his experience and personally thank Post 586 for giving him the opportunity to attend. It was great for our members to hear directly from a young man who benefited from a program our Post proudly supports.

Buckeye Boys State is a great example of what The American Legion is all about: serving our community today while helping develop the leaders of tomorrow.

Commander Fowle, Lucas and his mom, Jodi

Tipp City, Ohio 45371

Greetings members of the Sons of The American Legion. Hopefully everyone has enjoyed the summer and is looking forward to the cooler fall season.

SAL membership for calendar year 2027 is now available! Our quota this year is 107 members. We finished last year at approximately 98%, falling short of our quota by 3 members. The easiest way to renew is to stop by the Post and pay in person. Another option is to go online to the MyLegion.org website, create an account or log in and select the red renew button. Once paperwork is processed, we can mail out new membership card and you will be all set. We are always looking for new members to join, and applications are available at the Post on the message board or ask the bartender. "Honor the Veteran Who Made You Eligible"

Fall season is FOOTBALL season!!!! The Legion will be open for all OHIO STATE games! Doors open early for the game and food will be available. This will be a carry in type event every game day with FREE FOOD!!! Bring your favorite shareable snack, chili, wings, anything and enjoy the game!

Last month, we hosted a steak dinner followed by a comedy show. Attendance was impressive, and we are planning another dinner for October. Watch for future announcements about upcoming plans.

If you are a S.A.L. member, please consider coming to a meeting where we discuss future meal plans, upcoming events, and fundraisers. Also, we can always use an extra hand cooking, serving or kitchen help for our monthly meals. You are invited to attend our monthly meetings held on the second Monday of every month at 7pm.

We are looking forward to seeing you at the post!

Ed Brinkman, SAL Commander

Odds & Ends

Buddy Checks

Throughout this fall and again in the spring, we will be contacting all of our membership through many different methods to check and see how they are doing and learn how our Post can help. If you would like to be a part of this membership care effort please contact me by phone or email. Any help would be appreciated.

Mum Festival Parade

We need marchers for Post 586 Color Guard which always leads the Mum festival parade route. The entire route is about a two mile walk, and the uniform will be in dark pants, white shirt, blue (legion) tie and garrison cap (or a uniform if you are currently serving). We would love to have a large group marching again this year and if you can't march you can ride on the float or in a vehicle. We will be meeting at the Post at 9am the morning of the parade. Cmdr Brian Fowle is the POC for the Color Guard for the parade, you can email the alpost586exec@gmail account or call/text (937) 829-3943

Color Guard

Color Guard marchers for the Tippecanoe Red Devil home football games are needed for games on the following dates. Please email or contact the Post if you can help. The POC for this is Brian Bashore

- Friday- 11 Sep
- Thursday- 18 Sep
- Friday- 2 Oct
- Friday- 23 Oct

Annual Dues

National HQ has experienced technical difficulties with the renewal notices, and at this time, we do not have an estimated date for when they will be sent. In the meantime, this is a reminder that we are now in the renewal period and encourage them to renew their 2027 membership.

Also, another reminder that our annual membership dues have increased by \$5, they are now \$45 per year

The Department sent a text and email to members through VoterVoice a couple of weeks ago to remind them that it is time to renew. However, we will continue reaching out to their members directly while we wait for the National renewal notices to be sent.
