*Equipping mentees to be the best expression of themselves...*

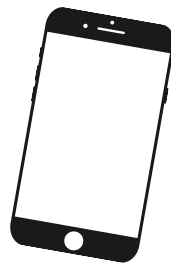

## APPLICATION FOR MENTORSHIP

This is an application of enrollment into the Strengthening Proviso Youth My Mentor Program. The aim of the My Mentor Program is to equip mentees to be the best expression of themselves while providing access to supportive adults, services, mentoring and education opportunities.

Upon completion of this application the applicant will be contacted by a mentor resource specialist who will schedule an initial interview. Following the initial interview the applicant will be formally invited into the mentorship program and upon acceptance of the term of enrollment will be assigned Mentoring Tracks based on the their needs. Each mentoring track is 4-6 weeks in duration. Mentees will be recommended for additional tracks by their mentor. This program is administered in 1hr/week modules designed to support mentees as they set expectations for themselves regarding their future.
