

Updates from PAA President, Pat Denney

Only 2 days until our "Kids' Art Day" at the YMCA on January 6th from 1pm-3pm. Flyers have been distributed around town and throughout the schools, so we are expecting a great turnout. All members are welcome to come view and help!

- 1) Set up time is 12 noon on the 6th. We will set up in the large gym (we have the entire gym to ourselves!)
- 2) **Anyone over the age of 18 must bring ID & check in at the front desk unless you are a member of YMCA. This is due to protection laws.**
- 3) We are short 4 tables so if you can share an 8' table with another artist, great. Notify artist you want to share with and let Diane Garner or myself know for arrangement and sign in.
- 4) If you feel your Art project could be a bit messy, the YMCA has asked that you bring a tarp for under your table.

At our January meeting, during our business portion, we will be evaluating the Kids' Art Day and planning for our Spring show. Tracy Homan will be presenting techniques on "dot art". Come and see some of the intricate and fabulous designs that can come from a bit of paint and a lot of dots!

If you haven't started planning your project for the Spring Show, now is the time! This year's show will be earlier in the spring than previous years.

Stay warm, stay dry and keep creating!

GETTING YOUR ART IN THE PUBLIC'S EYE

- ◆ The Shelton Arts Commission encourages you to submit an application to have your work displayed at the Civic Center Rotating Gallery. Applications are available online at Shelton Parks & Recreation. The gallery is not just for wall art, there is a case upstairs for sculpture, jewelry, etc. Several of our members have been chosen to display in the past. Are you next to inspire and encourage budding artists? Be sure and take a moment to enjoy the talent and creativity of the artists when you are at the Civic Center. Don't forget to check upstairs!
- ◆ The 2024 Oregon Fish & Wildlife stamp competition information comes out on the OF&W website in the early part of 2024. Keep checking back for assigned species and rules. Here is the link for anyone interested:
