Also asked for volunteers. She showed us the packets she had already assembled. We collected paper and drawings for collage and coloring, putting some in envelopes. Janette Stiles sent ,via her husband, colored postes she printed about the event for us to spread around. Any members participating are encouraged to bring art work for the kids to look at. All supplies will be supplied by us. Sharon will reinburse anyone who needs it. Set up at 12.

Sharon: Tres. Report. Didn't have it. We have spent about \$1100 for the supplies for the Kids Art. Do we raise dues in "24"? No. Will stay at \$25 or \$30 for family. Julie suggested that we could make a coloring book to sell as a fund raiser, in the future.
