members!

WHO WE ARE

We are a non profit organization.
Our members are people who have mutual
interests in expressing ourselves through
art.

The Peninsula Art Association was
organized in 1990 to bring Olympic
Peninsula area visual artists together to
exchange ideas and information.

We wish to contribute to the
motivation and recognition of our
members while providing opportunities for
education and instruction.

We include artists of all media and
those interested in the Arts. Our artists
have a wide variety of interests and skills.
From traditional works to unique and
fanciful creations, there's something for
everyone. Painting and drawing in all
media, ceramics, bronze and wood
sculpture and turning, stained glass,
screen printing, graphic design, and a
variety of photographic styles are all used
to express our members' visions. Their
skills encompass the whole spectrum from
beginner to renowned professionals.

We are also fortunate to include
many art supporters who want to
encourage artistic achievement and help
to make visual art an integral part of our
everyday lives.

PAA is a proud supporter of Shelton
events and educational opportunities.

MEMBERSHIP

You don't need to be a member to
attend our meetings, but we encourage
you to support our efforts. Membership
includes a monthly newsletter to keep
members up to date on upcoming
meetings, programs, shows, events, new
members, and other items of interest.

We meet on the second Thursday of each
month, starting at 1:00 pm. Our meetings
start with a brief business meeting
followed by an art related presentation,
speaker or project.

Annually, the PAA, in conjunction with the
Shelton Arts Comission, sponsors a Art
Show. Member artists are welcome to
enter their original art for this show.
