

EMILY MARKOWITZ, LMSW LCSW

Psychotherapy

CANCELLATION POLICY

Appointment cancellations must be made 24 hours in advance and a make-up session must be scheduled prior to your next session. If a make-up session is not scheduled, you will be held responsible for the full fee of the missed appointment.

I will make every effort to accommodate a rescheduled session; should my schedule not allow for the new appointment, you will be responsible for the full fee of the missed session.
