

## Improving Your Relationship

- ♥ Notice the little things.
  - ♥ Say thank you, often.
  - ♥ Tell them they're wonderful.
  - ♥ Acknowledge what you love, even if it's just the way they look in a white t-shirt.
  
- ♥ Listen with your eyes.
  - ♥ Make them a cup of tea.
  - ♥ Say 'good morning' or 'goodnight' as though it's good because of them.
  
  - ♥ Throw a 'you' on the end of 'Hello'. It makes 'Hello' sound like you mean it.
  
- ♥ Be affectionate.
  - ♥ Praise or compliment them in public.
  - ♥ Send a text: 'Missed you today.'
  - ♥ Kiss slowly. And often. It makes a difference.
