

Promises

- ♥ I promise that I will try to see you. That even when our bodies bend and our hands wrinkle, I will still see your true beauty.
- ♥ I promise to listen, but I won't be quiet. I want to hear your heart. I will always speak up because you matter more to me than the keeping of the peace.
- ♥ I will be brave enough to be me as often as I can. For some crazy reason, you fell in love with me, and I want to keep it that way.
- ♥ I promise to touch you. Every day.
- ♥ I promise to always be there for you. I will have your back and always catch you.
- ♥ I promise to support you where I can. I don't want to solve your problems, but I do want to hold your hand while you do.
- ♥ I promise to be your most diligent of students. I will go to the college of you and look forward to the graduation party.
- ♥ I promise to never let you go to sleep unless you know that I love you. Whatever it takes, I will show you that I love you.
- ♥ I promise to be honest. You will know me and have nothing to fear. For you will know my greatest fears.
- ♥ I promise to take on all of you. Your fears, your dreams, your hopes, and your loves.
What made you so beautiful to me was the combination of all those things.

- ♥ I promise to remember who you are.
- ♥ I promise to excite you. A rut is no place for love royalty like us.
- ♥ I promise to be in the moment. It's all we have, and it's better with you in it.
- ♥ I promise that once our time on earth is finished, even then I will still love you, and if I can, will find you and hold you once more.
