- Unique Designs

Energy Efficiency

All our doors are manufactured to BFRC energy standards, saving you money on your energy bills and reducing your carbon foot print.

All our door furniture is premium quality and manufactured to the highest standards for zero maintenance throughout the life of the door. As well as quality door fittings, all our doors benefit from our high-security insurance-approved locking systems, making them the most secure in their class.

Door Furniture Colourways

GRP Composite Doors

Timeless Woodgrain Finishes | Stylish and Durable | Energy Efficient

At Windows Plus we believe you deserve the very best in quality and style

We've brought together premium materials to provide the very best in strength, low maintenance and weather resistance. Our doors are a solid 44mm thick for unrivalled durability.

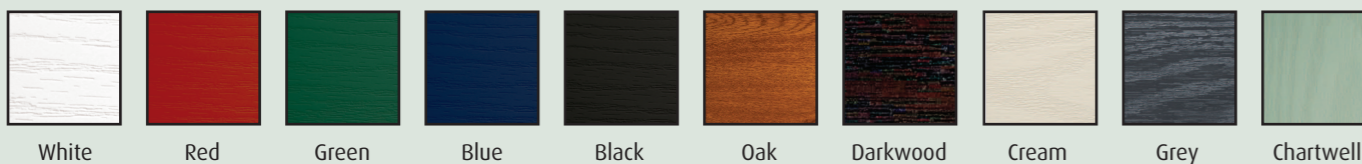

Contemporary or Classic you'll find the perfect style of door here at Windows Plus, individually designed by you, and our composite doors are guaranteed to give your home a stunning focal point.

A structural frame with the latest high security hardware makes our composite door the best on the market. Its GRP finish means you'll be secure in all weathers and your door will always look like new.

Design your Composite Door online or call us on: 0800 389 5020 to book an appointment with one of our in-house door designers

Aluminium Bi-folding Doors

The Ultimate in Style and Durability from Windows Plus

Expand your horizons with ultra stylish and chic bespoke bi-folding doors from Windows Plus

Our aluminium bi-folding doors are one of the slimmest on the market, allowing maximum visibility without compromising on strength. Aluminium bi-fold doors have the advantage of being resistant to heat expansion and contraction. They look great and provide trouble-free performance whatever the weather.

All our bi-fold doors and windows are available in a wide range of classic and contemporary RAL colours.

The Benefits of Aluminium

- Latest Security Features Built In
- A-Rated Energy Efficient Glazing
- Low Maintenance
