

The aim of our association is to develop cotton trade among exporters, importers, spinners and other stakeholders inside or outside the country.

*Every export-selling contract must be registered with **ALCOTEXA** approval, and every season the association announces cotton Export Selling Conditions for Egyptian cotton varieties, follows up the contract execution. In conjunction with registering the contracts, we minutely follow up the contract execution, offering in accordance with the service of Arbitration & Mediation.*

*In partnership with **Egyptian Ministry of Investment and Foreign Trade**, **ALCOTEXA** owns the Egyptian cotton trademark.*

***Cotton Egypt Association (CEA)** is the only entity, authorized by us, to manage the trademark **Egyptian Cotton Logo™**, which has been introduced to the international cotton industry as a mark of quality, in order to raise costumer's awareness of distinguishing between products made out of 100% Egyptian cotton and other products.*

***CEA** is responsible to manage the license accrediting process for firms, either local or non-local, in order to permit the use of the trademark for products (100% made by Egyptian cotton) labeling.*

***ALCOTEXA** is member of:*

CICCA (Committee for International Co-operation between Cotton Associations)
