The Owner, Contractor or Authorized Agent will call for the location of all utility locations through the South Dakota One Call program prior to any excavation or digging by calling 811.

The Owner, Contractor or Authorized Agent will install appropriate erosion and sediment control measures around the construction site from the time of ground breaking until the site is stabilized with permanent landscaping and buildings. The Owner, Contractor or Authorized Agent is responsible for not permitting soil from leaving the project site onto adjacent properties, sidewalks or public roadways.

I hereby acknowledge that I have read this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not.
