

AT Applications Class:

Assistive Technology

for Diverse Learners in K-12 Settings

Description

The AT Applications Class is a 6-hour fast-paced, hands-on workshop that introduces educators to assistive technology tools to support diverse learners in a variety of K-12 settings. The focus will be on free, ready-to-use, effective and low-cost tools to target learning, study skills, attention, organization, behavior and language deficits.

Who Should Attend

Special Education & General Education Teachers, OT's, SLP's & SLPA's, SAI/RSP Teachers, Mod/Severe & OI/LI Teachers, Paraprofessionals, Behavior Support Providers, Itinerant Staff, School Psychologists, Program Specialists & Special Education Administrators.
