Beach Meeting:

Friday night, July 17, 2020 we held our annual beach meeting, here are some of the items that were discussed:

- The budget was reviewed and has been posted to the website.
- Membership is right around 275 paid members, with more than a dozen paying back dues. Please mail your dues in if you have not done so already.
- Project to shore up the falling dunes is being reviewed and further information will be posted as it is available. We could use volunteers to help with this as it will be a large project and a lengthy process.
- Adding a food collection bin to the band nights to support local food pantries. Please bring a non-perishable item/s with you when you arrive.
- The brush will be cut down by the pavilion to allow a better view of the water.
- Members have asked that we try and enforce not allowing children and adults from walking up/down the dunes. This destroys the very beach that we have come to enjoy. We are looking into posting signs by the dunes as a reminder.
- If unable to social distance we suggest wearing a mask at the pavilion to respect other members.
- Due to Covid-19 we have decided to cancel Family Day. Although this has become one of the most popular events at the beach, we feel that we will be unable to adhere to social distancing with the over 150+ members and guests who are usually in attendance. We are looking to add other family friendly events where we can keep at a safe distance.

Thank you and see you at the beach!
