February 27, 2023, beach meeting minutes of TPOA at Tides Beach. Meeting commenced at 5:30pm

Members in attendance: Mary Caccavale, Rafael Cueto, Samantha Swedish, Shannon Swanson, Rob Minton

This meeting was to discuss summer plans at the Tides Beach.

First at this meeting we went over the events for the summer season at the beach. We compared last year's schedule and added new dates and events for the new schedule. Events that had good turn-outs were kept, and other events that didn't have great turn-outs were taken out and replaced with new. We spoke on vamping up events with barbeques, 50/50 raffles, dollar races and other enticing things to bring members to events. We also confirmed that a board member should be at every event.

The next topic was the opening of the beach and what needed to happen prior. Rob mentioned Kenny who brings the BobCat down and levels out the parking lot for us. The dumpster to be emptied during the winter season as it is almost full. Making sure all benches and things around the beach are in working order.

We spoke on the Tides Beach Scholarship. We went over what it entailed and chose who was going to be reading the essays.

Last topic was about who would be working at the beach. And sitting down with James to go over how everything is planned out. We also spoke on potentially getting extra security for 4th of July as well as Senior night to help keep the beach safer as more traffic arises during these times.

Meeting ended at 6:15pm
