Step 1 - Launch Your Business

Start with who You know. Who are the people you have the strongest relationships with? These are the people you want to begin with. Why this matters. People don't join a business, they join people they trust. Your warm market is your fastest path to momentum.

STEP 2 - Send a Text Message to Prospect

Generic Message: If you could unlock an unfair advantage in your energy, focus, sleep, and creativity... would you take 90 seconds to see what might be holding you back?

Sleep Message: If you could experience the best sleep of your life—every night, would you take 90 seconds to see what could be holding you back?

Stress Message: If you could unlock an unfair advantage in lowering your stress and feel calmer, clear, and unshakable... would you take 90 seconds to see what might be holding you back?

Performance Message: If you could unlock an unfair advantage in your performance and start feeling more focused, driven, and unstoppable... would you take 90 seconds to see what might be holding you back?
