15TH ANNIVERSARY

Co-founders Patti Minicucci and Jennifer Ruckner were colleagues in Stafford County Public Schools. After working together to pilot speech and language preschool programs in the SCPS, they decided to venture out into the world of private practice in 2008. On April 1, 2008, Tots To Teens was born with the intention to provide speech and language services to families in Prince William and Stafford counties emphasizing treating the child while including the whole family. Tots To Teens Therapy was two speech-language pathologist moms who wanted to provide services that helped the entire family as they too raised their families. Tots To Teens added their first occupational therapist in 2016 and continued to add therapists as well as disciplines. In 2018, Tots To Teens expanded to 2 clinics which included speech, occupational, and physical therapy in each county. On December 23, 2021, Prince William moved to a new location with 11 therapy rooms, 2 sensory gyms, and an admin space. So happy to have our families along for the ride.

Welcome Amber and Kathleen to the Team

Kathleen McLaverty, COTA worked with children with various diagnoses such as Autism, Down Syndrome, developmental delays, sensory processing disorders, Cerebral Palsy and ADHD. As an Occupational Therapy Assistant, Kathleen loves having the opportunity to help children grow and connect to their environments while having fun doing so.

Amber Caiozzo joined Tots to Teens on March 20 as a Client Services Assistant. She You will find her at the front desk of our Prince William Office in the afternoon.

3 year Anniversary - Thanks for Joining the Team

Christina Washburn has worked in the Pediatric Therapy billing and Client services field for the past 10 years. She brings a unique perspective to the Tots families, as a parent of a child needing pediatric services.
