NEW UPDATES AND CURRENT EVENTS

Better Speech and Hearing Month-May

As COVID restrictions are lifting, we are continually reassessing and adjusting our policies in accordance with the governor's orders.

At this time, our waiting room continues to be closed in Stafford.

We are also continuing to take daily temperatures, ask our COVID screening questions and are implementing extra cleaning measures. Thank you for your cooperation!

MAY 2021

- May has been a fun and eventful time for the Tots to Teens family! We enjoyed our very first annual field day! We had fantastic weather and such a great turn out. It was wonderful to see so many of you smiling and enjoying yourselves. We can't wait for next year. A huge thank you to Mighty Sprinters and Bobby G. Reptile Entertainment for partnering with us for such an awesome event.
- We are currently celebrating Better Speech and Hearing Month with another chance to win a \$20 amazon gift card. You aren't too late to post a picture to go along with the theme of the week on Facebook or Instagram.
- Tots to Teens was honored to win the award for Community Champion for Special Education presented by the Prince William County Special Education PTA. We are so privileged to work with amazing families and to be able to partner with teachers to provide supports for our Tots families.
- Tricare Patients: Please note that as of June 1st, Christina Washburn will be taking over the Tricare co-pays. Along with this, we will be shifting our invoicing policy. You will now receive your monthly invoice on the 1st of the month with payments due on/around the 15th of each month. The invoices will now reflect claims processed up to the 1st rather than reflecting just the previous month. Please do not hesitate to contact us if you have any questions.

BETTER SPEECH AND HEARING MONTH CONTEST
