A Message from your Leading Knight

Greetings to All,

Hope this letter finds everyone in good health and free of the Covid-19. This has been one difficult year. I am sure for everyone, hopefully it will get better for everyone as time goes on.

I would like to touch base on what has been going on around the Lodge. We are now at 100% although we are not open every day for now, we are open on days that have activities going on. Just check out our monthly calendar in the Herd for times & dates.

Last week we had a plumbing problem caused by someone flushing something down the toilets that should not have been flushed. Please only flush what is intended to be. (No adult diapers, sanitary napkins etc.) This caused a very costly problem for the Lodge.

The Board of Directors had a meeting with Devan about progress of what is going on with the land purchase. We were told they are still trying to get all the permits on the land, a process that has been slow due to this virus but said that things are starting to pick up.

Friday night dinner dances are doing good, great crowds and fantastic meals. We are getting compliments on the quality of the food, please call and make a reservation to join us, this helps support the Lodge.

Our new air conditioner is working great! It allows us to keep it turned way down when we are closed and cools down in no time when open. This is helping to cut down on our power bill.

Finally a big thank you to all our wonderful volunteers that work so hard in the kitchen to prepare all our meal and also to the great House Committee for all the hours they put in to plan all the dinners, parties and social activities, Great Job!!!!

The best way to show thanks to all these wonderful people is to come to the dinners and all activities and help support the Lodge.

Everyone please take care, stay well and always be kind to one another.

God Bless,

Rich Griffiths, Leading Knight

HOUSE COMMITTEE MESSAGE

Hello Everyone,

I can't believe it is November already, what a year we have had. We have been busy around our Lodge, hope you have been by to see us, if not, why not????

Although we are not open all the time, we are busy on the days we are. We hope that in the future we will be able to open full time when business picks up. It doesn't make much sense to have our bartender come in every day and no one coming in. We have had a great turn out for our dinners with nothing but great comments, so come on out and give us a try.

We do have a busy season coming up, beginning with this month. Make sure you keep your calendar handy and don't forget to call and make your reservations. It helps not to have so much waste but have enough to feed everyone that wants a great dinner at a great price. If you are good around the kitchen and want to help just let us know. We are always looking for new volunteers.

As you may have noticed we have been able to have Angelo for two weeks a month. Great crowds, great music and great food, what more could you ask for. This month on November 20th we are going to have our Thanksgiving Dinner since it is the week before Thanksgiving, with Turkey, dressing, Ham and all the fixings. Make your reservations early!

December is right around the corner also. We will have our Lodge Christmas Party on December 11th so be making your plans. We also have our annual Foster Children's Christmas party scheduled for December 13th. It is always a joy to see the sparkle in those children's eyes and see them having such a great time.

We are proud to announce our New Years Eve Party plans. We have already gotten quite a few reservations so you might want to get your tickets early. The tickets are \$30.00 per person and will include dinner, Prime Rib or Chicken Cordon Bleu, party favors and a champagne toast. The Retros will be our entertainment and they have been a big hit at the Lodge. Tickets are on sale now and must be purchased in advance.

Hope to see you soon,

Your House Committee,

Cindy Griffiths, Nora Hughson, Sherry MacKeil, Diane Hein, Bonnie Young, Carr Hussey, Jane Hussey, Bill Rundgren and Phil Rafferty
