Food Truck & Trailer

Our food truck & trailer are a great addition to any event and are perfect for social distancing. Our restaurant on wheels is completely self sufficient with a quiet generator on board, in addition to our own water source. Our team is extremely efficient with an average window service time of 30-45 seconds per guest. The cost to book our food truck is the same as a catered buffet. There are no hidden fees.

Food Minimum: \$1200 M-F \$1500 Sat/Sun

For Every Occasion

We offer full service catering, in addition to drop off service with a self-serve disposable buffet. We can accommodate events from 50 to 1,000 guests. We require a signed contract and 50% deposit to book catering and hold your date. Final guest count, menu, and balance are due 10 days prior to your event unless other arrangements have been made.
