PEOPLE WERE RAVING ABOUT THE FOOD ALL NIGHT LONG

were raving about the BBQ all night long. Kristen and her team are thoughtful, thorough, and were a dream to work during the entire process. We were able to pay them extra to do some simple clean up after the reception, so my husband and I didn't have to worry. They were insanely cost effective as well, especially for our 170 wedding."

"Kristen and her staff were amazing and the food was delicious! We tried several bbq restaurants before doing our final tasting there and let me tell you there was no comparison."

ONE OF THE ABSOLUTE BEST!

"An absolute gem of a small business. The staff, and especially the owner, are good

people – they smile, they serve great food, they contribute to the community, and they routinely offer great specials and prices. I've never once gone in, called, or visited their food truck, and gotten anything less. I've gone to their store location three or four times. Had pulled pork sandwiches, brisket, rib tips, mac and cheese, greens, cornbread, just about everything except their desserts (though I've heard VERY good things). Not a single time have I ever been disappointed. Their mac and cheese is my favorite in the city, bar none. Even recently, when I visited their food truck at a rally up in West Chester, they were turning out high quality, flavorful food, quicker than just about anywhere else I went. Now don't get me wrong, I'm not a huge BBQ authority, but I have had some serious lackluster places here in Cincinnati. Sweets and Meats is one of the absolute best." - Joel B. 9/22/2019
