Approve the May 16, 2024, Meeting Minutes: motion was made by Jamialia Franzen to approve the May 16, 2024, meeting minutes, second by Gary Grittner. All voting aye, motion carried.

STIP Presentation by SD DOT: Levi Briggs presented 2025-2028 State Transportation Improvement Plan for the central part of South Dakota with a focus on CSDED area of service. Levi and the SDDOT staff that were part of the presentation highlighted upcoming projects coming in 2025 through 2028 especially those that may have a higher impact on the communities within the CSDED area. The SD DOT staff took the time to answer questions about upcoming projects and give updates about current projects within the area.

There being no other business Chairwoman Hanson declared the meeting adjourned at 1am Central.
