Grace and peace to you, friends and family of Salmon Creek United Methodist Church!

As I write to you today, I am looking out of my office window enjoying the beautiful yellow & red leaves of the small tree in front of this building dedicated to Sue Wiltsey for her many years of loving service to Salmon Creek UMC! It is a reminder to me of the many people in my life for whom I am thankful! After recent rains many of the colorful leaves in our area have fallen into puddles of color on the ground, so I'm sure this tree will soon do the same. Still, this is one of my favorite times of the year as cooler weather sets in, and plans for Thanksgiving celebrations begin to overlap with preparation for Advent.

Last month I shared a look ahead to our upcoming Advent series, *Reflecting the Sacred*. Through scriptures, reflection, and music of the Advent season we will be reminded of the sacred that shows up in our lives in unexpected ways every day. This series is inspired by Richard Rohr's *The Universal Christ* and a companion devotional book called *Every Thing Is Sacred*, co-authored by Patrick Boland. I know of one small group, our Sunday Night Learners, planning to do an extended study of Rohr's *The Universal Christ* that will take them into the season of Lent. If you are interested in learning more about this class, I encourage you to talk with their leader, Dave Nieda.

Before we look too far down the road, I want to thank all of you who have turned in 2026 giving pledge cards during our *Invest in God's Nest* stewardship focus. It has been a gift to me during the month of November to remember that we truly have so much for which to be grateful. Please know I am grateful to God for the gift each of you are in my life and to the life of this congregation.

Moving into December, there are several special things about which I want to be sure you know!

Sunday, December 14th will be a very special morning of worship, as our music ministry groups share the gift of Lessons and Carols for our 10 AM service! This would be a great time to invite friends and neighbors to join us for worship!

This Sunday, November 23rd our Mission Giving Tree is scheduled to go up in the entry, and may already be up by the time you read this! We will again be providing gifts for families who have graduated from the Family Promise program. Unwrapped gifts will need to be at church by December 7th so that they can be delivered the following week. Instructions will be available at the Giving Tree in the lobby.

Monday, December 15th we will offer a Night of Hope service at 6 pm in Pioneer Chapel. This service is designed for anyone who has experienced loss or is struggling with feelings of less than joy. It will focus on the hope and light we find in the season of Christmas. Those who attended this service last year found it meaningful.

Saturday, December 20th will be another great opportunity to enjoy the gift of music as *Bells of the Cascades* will be here at Salmon Creek UMC to share their holiday concert.

Wednesday, December 24th we will celebrate Christmas Eve with three services: 5, 8, and 11 pm. All three services will be similar, and will end with candlelight. The 5 pm service will be more family oriented, while the 8 pm service will include our chancel choir and hand bells. Make plans now to attend one of our services with your family.

Peace and joy,
Rev. Kim Poer

*Now thank we all our God, with heart and hands and voices,
who wondrous things has done,
in whom this world rejoices; who from our mother's arms
has blessed us on our way, with countless gifts of love,
and still is ours today.*

Now Thank We All Our God, United Methodist Hymnal 102

I GIVE THANKS

“Give thanks to the Lord for He is good.” Psalms 107:1

As the Thanksgiving holiday has drawn to a close and we are now looking ahead to the Christmas season, I have found myself being extra aware of the many, many blessings I have in my life. I am truly thankful for my family, my health, and my ability to serve our Lord. I am so very thankful for the great community of faith we have here at SCUMC. Many loving and caring people come together to make worship and fellowship a powerful, heart-warming, and spiritual experience that gives strength and hope as we go forward in Christ’s work. It takes many hands to sustain our ministry, missions and facilities. I am so very thankful for everyone who has 1 task, or several tasks, in making our church the greatest place to worship!

Here are some “kudos” to folks who work very hard to make a difference here:

I am thankful for the Trustees for their continuous hard work in maintaining our facilities.

I am thankful for Matthew, Josh, and the Music Ministry for making excellent music.

I am thankful for Nancy V. for her management of the office and her organizational skills.

I am thankful for Richard and Larry for keeping our grounds looking beautiful.

I am thankful for Angie and her team in making the Sunday morning services extra special.

I am thankful for Friends in Faith who give their time and love to those in need.

I am thankful for Tiffiney for building our Children’s programming.

I am thankful for ALL the ministry team Chairs, who give so much time to serve.

I am thankful for everyone who serves on a ministry team – all hands are needed.

I am thankful for the Greeters and Ushers who give a smile and warm hello on Sundays.

I am thankful for the Congregational Care Coordinators who listen, care and act.

I am thankful for Winston and Finance Team for their work on our budget and expenses.

I am thankful for the Coffee Fellowship teams who provide tasty treats.

I am thankful for the Missions team and all their projects that support our community.

**I am thankful for Glenn for thinking outside the box with his invention for Lilly.
I am thankful for Little Fish Preschool in guiding and loving those little children.
I am thankful for our newest team volunteers – Andy, Suzy, Nancy H., Claire, Joanie, Mikaela, and Ted.
I am thankful for Cathy M. for all her work in membership and finances.
I am thankful for all the small Bible Study groups who learn together while caring.
I am thankful for Greg for changing the outside sign announcements.
I am thankful for Women's and Men's ministry groups.
I am VERY thankful for Pastor Kim who leads graciously, loves all and never says no.**

This list is certainly not complete – I am so thankful for everyone who is a part of SCUMC. It is everyone coming together, being one in Christ, that makes life here so pleasurable, inspirational, and desirable.

Yes, in this season of thanks and celebration, I am truly thankful, blessed and fulfilled. I couldn't ask for more!

October, 2025 Financial Update

Following is the financial report for the Church as of October 31, 2025.

	Month			Year to Date		
	Actual	Budget	Fav/(Unfav)	Actual	Budget	Fav/(Unfav)
Income	37,757	29,000	8,757	347,411	290,000	57,411
Expenses	32,451	41,927	9,476	357,045	342,957	(14,088)
Operating Income / (Loss)	5,304	(12,927)	18,233	(9,634)	(52,957)	43,323

Our pledge income stayed strong in October, with pledges at 122 % of Budget, and still 108 % for the year. In a repeat comment, your commitment to our Church and our Community remains steadfast and we appreciate everyone's generosity. Your commitment was demonstrated once again at this year's Mission Dinner with over 100 in attendance. Expenses were very close to our original budget, (before the 40,000 in facilities costs added to our budget). October expenses were 9,000 favorable to plan this month, but ~ (14,000) unfavorable variance for the year. This YTD unfavorable variance should reverse itself by year end.

As a result of the strong pledge income and favorable investment results, we showed a profit of 5,306 in October and whittled our YTD loss down to ~ (10,000) loss. The financial results have been significantly supported by a gain in some of our investments in the Mutual Funds Market, with a YTD profit in investment income of ~ 42,000. Praise be to God! Without this, our YTD losses would be in the ~ (50,000) Loss territory. We continue to keep a watchful eye on our income and expenses every month.

With respect to our Preschool program, we still continue to operate at a loss as we strive to add more students. YTD Losses approximated (12,000) through October. We are vigorously pursuing additional enrollment and are vigilantly watching enrollment figures and daily expenses. We are grateful for the Women's Ministry decision to support the program through a 5,000 commitment through the end of December, 2025.

2026 BUDGET NOTE -- Unfortunately, our preliminary 2026 budgeting process is currently indicating a ~ 50,000 Loss for the year. This type of "structural deficit" is obviously not sustainable so we are asking everyone to prayerfully consider their pledges for next year, and we are encouraging everyone to get their pledge cards in for 2026. Our programs and community involvement are great, and we want to continue those commitments by increasing our pledge figures for next year.

Thank you to everyone for your contributions of time, talent and financial resources as we continue to worship together as disciples of Jesus Christ, united in missions, fellowship and service.

If you have any questions, please contact me or any member of the Finance Committee.

Respectfully Submitted.

Pay It Forward Update – Building for the Future

Thanks to the generosity of our congregation, we have raised \$132,000 in pledges towards our Pay It Forward 3-Year Capital Campaign. Your support helps care for the church facilities that make our ministries possible, and we are deeply grateful to everyone who has contributed.

But we still have work to do. Your continued help is essential in reaching our goal and ensuring the future of our church. If you haven't yet pledged or donated, there's still time. You can return a pledge card, give a one-time gift, set up regular contributions, or donate online using Vanco – whatever works for you! Every gift, no matter the size, makes a difference.

Your support today is an investment in the future of our church, ensuring that we can continue to serve, grow, and share God's love for many years to come.

PAY-IT-FORWARD 2025-27 – The new campaign November Update

Dear Congregation:

We have received, as of November 14th, \$33,000 including \$1,350 for donations by others for this year. The pledged goal was \$48,000 for 2025. Please renew your efforts for this year. This is an update for the PIF 2025 campaign. See the summary on the next page.

We have pledges of \$132,550 for the 3-year campaign. Thanks for the pledges! We will replace as necessary and as funds become available. Some of the funds may be for projects that become needed later.

Projects completed this year were; replacing the Narthex HVAC, and re-piping plumbing in the FMC. Those projects used the remaining \$20,000 from the previous Pay-It-Forward campaign and general funds that covered most of the rest.

We also needed to replace the roof duct work as it was going bad and that was another ~\$15,800, including roof vents – All in an effort to seal the roof over the Narthex. Those funds came from the new campaign funds.

(continued)

Pay It Forward Campaign

That said, we are finished for this year. Next year, the Trustees will evaluate priorities. The PIF campaign funds need to address:

- 4 HVAC Units including 2 for sanctuary - 30 years old

- Flat Roof Repairs

- Main Building Fire alarm panel - dates from the 1990's, is obsolete and only has 4 smoke detectors for the main building, preschool with kitchen.

- Parking lot repaving of areas not repaved in 2016 and re-sealing.

- Carpets in offices, St Paul room, hallways and FMC.

We promise to be good stewards. I'm very proud to be part of this congregation.

Thank you very much for your generosity.

Sincerely,

Steve Enyeart, Chair

Friends of the Preschool

BECOME A “FRIEND OF THE PRESCHOOL”

SCUMC is very fortunate to be home of the Little Fish Preschool. This is a mission-based endeavor to help community families with childcare and child socialization in a fun, Christian environment. Our dedicated and loving teachers surround the children with warmth, sincerity and a great enthusiasm for sharing learning opportunities. There is craft-making, story -telling, playtime and nutritious snacks, all the ingredients for an active and fun-filled time together. The Preschool operates 4 mornings per week, Monday thru Thursday.

Matthew 19:14 says, “Let the little children come to me.” Our mission for the children who come to Little Fish is to begin a foundational learning of who Jesus was and is. Through the time spent together, we hope that they recognize that Church is a special place where they have value and a voice to grow and become whomever they want. We emphasize self-worth, give every child the love they deserve and try to instill a potential for greatness.

As a congregation, we are very fortunate to have this mission in our midst. We are following the UMC mission statement in “making disciples of Jesus Christ”, even at a very young age. We are empowered by the Holy Spirit, we strive to love boldly, we serve joyfully and we lead courageously in our community. This is, and will continue to be, the guiding force in our commitment to families who entrust their children with us.

We would like to give you, our devoted church congregation, an opportunity to assist in furthering the future of Little Fish Preschool. With your monetary donation, you can become a “FRIEND OF THE PRESCHOOL”. Your generosity will be greatly appreciated and you will be recognized as a “Patron of the Friends of the Preschool”. Your gifts will aid in continuing the mission of caring for children and helping families in our community.

To give your gifts, you may give by check – placed in the offering plate each Sunday, with “Preschool donation” written on the memo line; you may give online using Vanco, selecting Preschool Donations; OR you may present a check or cash in person to the Office Administrator.

When you give to the Little Fish Preschool, you are enriching the life of a little person who needs us in his or her life. Please, prayerfully consider a donation to assist in this ministry. Let the children continue to come, learn and grow.

Thank you.
