Paying it Forward: The Wisdom of Faithful Stewardship and House Maintenance

One of the strengths I recognized pretty quickly after arriving at Salmon Creek UMC, was the faithful foresight of this church's leaders and members to establish the Pay-it-Forward fund to cover capital expenses that are necessary to maintain and periodically update the church facility. Having funds on hand allows the Trustees of the church to complete repairs as they come up without delaying projects to raise or borrow funds needed to cover the expenses. I want to thank all those who have participated in the Pay-it-Forward capital campaign in the past! Your gifts have made a great impact!

Salmon Creek UMC has been blessed to have this wonderful church campus for worship, study, fellowship, and as a community resource. Caring for and maintaining it well is an important ongoing act of stewardship and an investment in the work God will do through this congregation in the days and years to come.

Steve Enyeart, our Trustee Chair wrote an article in this Circuit Rider about the many capital improvement projects recently completed, and others needed in the year ahead. The generous support of this congregation for our previous Pay-it-Forward campaign has been vital to the lasting strength of this congregation.

Because there continue to be important repairs needed for the church facilities, our Administrative Board has agreed that Salmon Creek UMC needs to hold another three-year Pay-it-Forward Capital Campaign. On Sunday, May 4th, we will have new Pay-it-Forward pledge cards available and encourage everyone to prayerfully consider how they can be part of this effort. Every gift you are able to share will help us be good stewards of this church facility.

Whether you are new to Salmon Creek UMC, or have participated in this effort before, I encourage you to pray about how you can support this three-year pledge effort to raise the capital expenses needed to cover identified and not-yet identified repairs and upgrades to our church facilities.

Many of us know the importance of home maintenance to keep our own homes safe and functioning well. This need is no less important for our Lord's house! Please consider joining us to support this important and faithful work.

Peace and hope,

Kim, Rev. Kim Poer

March, 2025 Financial Update

Following is the financial report for the Church as of March 31, 2025.

	Month			Year to Date		
	<u>Actual</u>	<u>Budget</u>	<u>Fav/(Unfav)</u>	<u>Actual</u>	<u>Budget</u>	<u>Fav/(Unfav)</u>
Income	30,319	29,000	1,319	109,403	87,000	22,043
Expenses	29,764	30,149	385	97,858	97,179	(679)
Operating Income / (Loss)	555	(1,149)	1,704	11,185	(10,179)	21,364

Pledge Income in March ticked upwards to 127 % of Plan, or 6,911 favorable to Plan. This was offset by some losses in investments (5,919). Expenses in total were very close to Plan, 385 favorable for March and (679) unfavorable on a YTD basis.

From a profitability perspective, we were basically break-even for March, and on a YTD Basis, we have realized a net profit of ~ \$ 11,000, which is ~ \$ 21,000 Favorable to Plan. Praise be to God!

Our Pre-School operations continue to operate at a loss as we strive to increase enrollment. YTD Losses approximated (8,000).

Thank you to everyone for your contributions of time, talent and financial resources as we continue to worship together as disciples of Jesus Christ, united in missions, fellowship and service.

If you have any questions, please contact me or any member of the Finance Committee.

Respectfully Submitted.

PAY-IT-FORWARD Update 2025—Capital Replacement Program Future

I'm glad to see the church growing again. So much has happened over the last 6-7 years. Activities are picking up. The church buildings are getting more use again. The last project added 4 heat pumps replacing 4 gas furnaces and AC units. Hopefully, that will lower our utility bills.

As head of the Trustees, I want to thank you for the funds that were provided. The original PIF target was never reached, but we have completed many critical replacements over the last 5 years. (See list below) We still have many replacement projects that need to be completed.

Most critical in the near term are fixing the roof above the Narthex (entrance to sanctuary) and fixing the plumbing in the FMC. We will have a better idea later this year on costs, but will certainly be more than the \$23,000 we have left in the Pay-It-Forward funds.

The Narthex has over a dozen vents, 4 vents for the HVAC, many of which have leaked over the last 4-5 years. Trustees will be looking into options to replace the HVAC unit and ductwork and repair / replace the roof over the Narthex at the same time – maybe this year.

The FMC plumbing has had 4 breaks over the last 3-5 years and needs to be replaced (CPVC is brittle and breaking). The last break had been leaking for months before we knew about it. Now we have an area with mold that will need to be mitigated.

Besides these 2 critical near-term efforts, we have the following list of projects that will need to be funded:

Remaining Flat Roof Replacement. Water damage could include rot as time goes on.

We may replace as we replace other roof mounted HVAC units.

4 HVAC Units nearing 30 years old (in addition to Narthex unit). 2 units in daycare area were replaced 10 years ago, so not needed near term.

Main Building Fire alarm panel and required upgrades. The fire alarm panel in the FMC was replaced as it was deemed obsolete. Main building unit is older.

Parking lot repaving of areas not repaved in 2016. We will continue with sealing as needed, but will need to replace several areas.

Carpets in offices, St Paul room, hallways and FMC rooms and hallway. Replacement is low priority, but they are quite worn now.

We really appreciate all the funds that have been contributed and all the volunteer hours. In 2025, we ask again for help to fund these projects, as you are able. We'll promise to be good stewards. I'm very proud to be part of this congregation.

Thanks to all of you for your support.

Respectfully,

Steve Enyeart, Chair, Trustees

**Thank You
to our
Trustees**

I wanted to extend a very special THANK YOU to all of our Trustees and other volunteers who work tirelessly to keep this church functioning, on so many levels. I have no doubt that the majority of our folks don't realize how many hours and hours are spent "behind the scenes" by our many volunteers, to bring worship services and other events to fruition. Some of our Trustees are here almost DAILY, working not only on the scene, but also from home. We could never operate without any of you, and we are deeply grateful for your love and generous spirits, selflessly giving to this congregation.

Nancy Volgamore

Projects completed:

2020 - New carpets in Sanctuary and Narthex - \$17,500. Painting Sanctuary \$1000. Revised the altar area, added handicap access, and replaced all lights with LED lights.

2020 - 2 HVAC replacements. We replaced 2 HVAC units – main building offices; and the St Paul/Choir room areas. - \$23,000.

2022 – Reseal Parking Lot. Sealcoat and striping - \$15,240. Several areas still need to be repaved eventually.

2022 – Replace 2 HVAC Units. HVAC units for the Daycare and Chapel were replaced. The chapel unit was failing. \$48,000. Daycare included heat recovery unit required now.

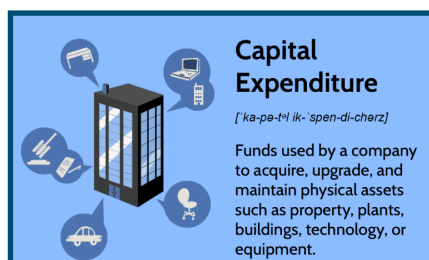

2023 – Daycare and Fellowship Hall Flooring - \$61,300. Increased costs were due in part to additional cost of removing the existing flooring and flooring prices had increased.

2023 – Parking Lot Lights replacement - ~\$1,100. Replaced 10 light fixtures and added a new one between the buildings. It was decided that we did not need to replace the utility poles.

2024 – Fixed water damage in youth room (FMC 206) and installed new flooring ~\$2000. Cracked water pipe had allowed water to flow under floor causing rot that had to be replaced.

2024 – Replaced 4 HVAC units in the FMC with high efficiency heat pumps - \$83,245. We had 2 HVAC units one that failed and one failing. We replaced the units next to them as well.

2025 – Replaced Fire Alarm panel – \$23,000. Issue with modules for the new heat pumps, other alarm updates. It was obsolete, so we decided it was time to replace it.

Better Together, one of our women's small groups, is working to support local refugees through Lutheran Community Services NW, who oversee the refugee program. We are collecting needed items in the Restart Kits and would welcome the contribution of **diapers, all sizes, and baby wipes for the Baby Kit**. They are also in need of **personal hygiene items like deodorant, shampoos, toothpaste, toothbrushes, razors, shaving lotion, bath and hand soap, sanitary pads**. There is a bin in the narthex for your contributions. Thanks for helping the "stranger who sojourns among us" as God has requested of us in Leviticus.

Stephen Ministry is pleased to be sponsoring this De-escalation training. Though the primary focus is mental health, the training can help us all, as we encounter a community event, a personal conversation, or as ushers and greeters here in church, "de-escalate" a situation. We hope many of you can attend and also invite neighbors and friends from the community. We know it is Memorial Day Weekend, but it usually rains then anyway. ;)

SAYING *farewell*

We wanted to inform the congregation that as of the afternoon of June 1, Joyland Christian Church will be moving on. At the last Administrative Board meeting, the decision was made that it was in the best interest of our congregation, as well as their congregation, to choose not to renew our contract with them. We wish Joyland all the very best and have enjoyed getting to know their congregation over the last years. We know that great things await them in their journey forward.

As your Conference President of United Women in Faith, I was blessed to be able to attend a very informative program around the topic of Social Media and its impact on “Teen Anxiety” in our culture today. Our presenter was **KATHY HARDY**, a middle school math teacher in Vancouver School District and active member of Salmon Creek United Methodist Church. Our thanks to Salmon Creek members for hosting and to Joan Hackett, “Membership, Outreach and Nurture” coordinator for Crest to Coast Missional District of United Women in Faith (formerly United Methodist Women) for the support of this learning opportunity.

It was exciting to see and hear Kathy in action since I first got to know about her passion for children and youth when she served as a district officer several years ago. Kathy was very well prepared in her presentation using a variety of learning techniques. We had ample time for group discussion and questions as well. She shared a wealth of data regarding the use of social media and anxiety in our youth based on research as well as her personal experience with youth of a variety of ages.

We began reflecting on our own “best and worst” memories of our own time as a teenager. She shared additional recommended resources for our further exploration such as “The Anxious Generation” by Jonathan Haidt. We discussed ways to support “disengagement from social media” with our youth, especially as we model this as adults.

The following is a litany written especially for this program and we committed to praying regularly for children, youth and their families that we love and care deeply about...whether or not we know their names. This is the core Purpose of United Women in Faith....Mission and Ministry with Women, Children and Youth. You can contact Kathy at Kathy.hardy@vansd.org if you would like to know more!

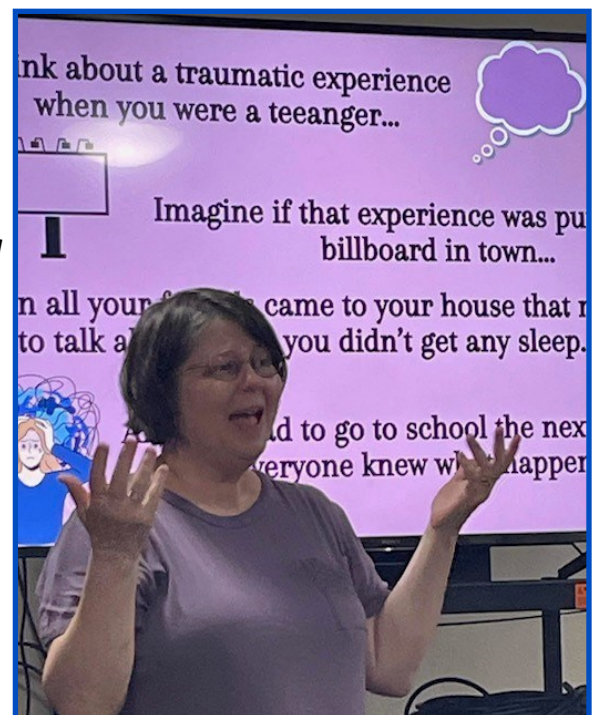

A Litany of Love for Our Children

Written by Deb Avery

Pacific Northwest Conference

- 1 *Because our Purpose is to make a difference in the lives of women, youth and children...*
- 2 *We ask you, Creator, to open our minds and hearts to new learning this evening.*
- 1 *Because we are called by you to give voice to the voiceless, freedom to those who are oppressed and strength to the weak...*
- 2 *We ask for your guidance as we move forward in these areas of justice in our world today.*
- 1 *Because for over 156 years, United Women in Faith and its predecessor organizations have responded to God's call to advocate, intervene and be bold in our actions in regards to the safety of our children and youth...*
- 2 *We stand up in our boldness for all of our children...all of our youth and children.*

ALL WE THANK YOU FOR OUR SPEAKER, KATHY, THIS EVENING, WHO SHARES FROM HER PASSION FOR YOUTH. MAY SHE ENLIGHTEN US AND CHALLENGE US TO RESPOND IN LOVE WITH YOUTH AROUND US. AMEN AND AMEN!

Easter 2025

Easter 2025

*Once an Eagle,
Always an Eagle*

On April 1st, Teddy Ernster and fellow Scout friends began working on the refurbishment of one of our sets of handbells. Upon completing this, Teddy earns his Eagle Scout status. We are so grateful and proud of Teddy and all of our scouts!

New A/V Equipment

A huge thank you to Women's Ministries and the Dorothy Northcutt Herbert Trust in funding the purchase and installation of the new equipment. It is of great benefit to the women and men of this congregation to enhance our worship services! We are so grateful!! The new equipment was installed during the weeks right ahead of Easter.

COME VISIT THE CHURCH LIBRARY

Church library

What? Where? When?

YES, we have one! We have been told that it is one of the best of some of the church libraries around! It is located in the Family Ministries building, Room 205. The books are arranged by category and we have lots of categories like: Aging, Children, Finances, Health, Global issues, fiction, Book Club picks, Audio books and many Bible commentaries and many versions of the Bible. We also have lots of Small Group studies available.

On the counter near the computer is a box with check-out slips, and a basket to put them in when you have filled one out for the book you want to borrow. We don't have a time frame, we just want to get them back when you are finished. We have a plan to make sure the library is open on the **LAST Sunday of the Month**. Faye Wells and Ealine Gilbert will help you find something, help you check out a book. Come visit!!

Book Club

Book Club at Salmon Creek UMC

You may not know that there is a book club that meets here at the church. We meet the 3rd Friday of every month at noon, in the library. The goal is to help us understand the world we live in, may it be by fiction or nonfiction. What book clubs do well is expose us to something we would never pick up at a library or book shop. We try to have at least 2 titles every year that are nonfiction and for most of us, that is something we have learned to like a lot. Nobody says you have to read that month's pick, we hope you at least try, but not every book is your "cup of tea". Sometimes, in discussion, we are astounded at what someone got out of it, that perhaps we missed. We also have friends who have asked to be on the e-mail list so that they can read the recommended books on their own. That's ok, as well. Just let Elaine Gilbert know and she will put you on the e-mail list. In the library next to the window, is the collection of Book Club picks that we have assembled over the years. Yes, we have been doing this for years! Happy Reading!

Congregational **care**

DO YOU FEEL CALLED to provide “Special” care to our church congregation?

We are seeking a special person to volunteer to cover “Congregational Care”.

This person would record the prayers voiced on Sundays during worship, and help Pastor Kim in following up on illnesses, accidents, hospitalizations, and all special needs prayer requests. Because such an important part of a relationship with a church is prayer, imagine what an impact it would make for all of us if our prayers were not only heard, but honored in this way by having someone care deeply enough to follow up on them?

We have our wonderful Pastor who supports and cares for all of us, and we have our Friends in Faith members, who do a caring and wonderful job of sending cards to people, and we have our Stephens Ministers who minister to individuals needing support, but having a person to coordinate the follow up to these prayer requests would be most helpful and appreciated.

We already have a reputation for being a very caring congregation, but imagine the impact it could have if we really were able to follow up on each of these requests that our folks take the time to share? We are looking for ways to grow our church This could be a game changer!

Maybe you’ve been feeling called, but just haven’t found that special area in which your gifts and talents would best serve Maybe this person is YOU!!??

If you think you might be that person Talk with Pastor Kim, Nancy or Lila DeBolt.

Dear Friends,

Thank you so much! I am truly grateful that you chose to contribute to Family Promise Day of Giving on April 22nd. Thanks to your donations, Family Promise of Clark County raised 85% of my \$670,000 goal. Salmon Creek UMC members were a big part of this total. Your support and encouragement is making a huge difference for Family Promise of Clark County. We will keep you posted on the progress of the campaign.

Thank you again, Karen Beilsmith

The ladies in this picture had a fun and productive time preparing cards to send to members of our church family who are unable to come to a service or who are experiencing issue dealing with various situations. The **Friends In Faith** Committee, Stephens Ministry and Better Together work together to make sure our church reaches out to them with cards, calls and visits.

Cottage Homes

13210 NE 44th St. Vancouver, WA 98682

About the Project

This is a new construction project of **32 unattached, single-family cottage homes built on 1.82 acres**. All homes are 2BR 1.5BA homes with two stories. Two different layouts will be built, one of which is 1063 sq ft and the other 1167 sq ft.

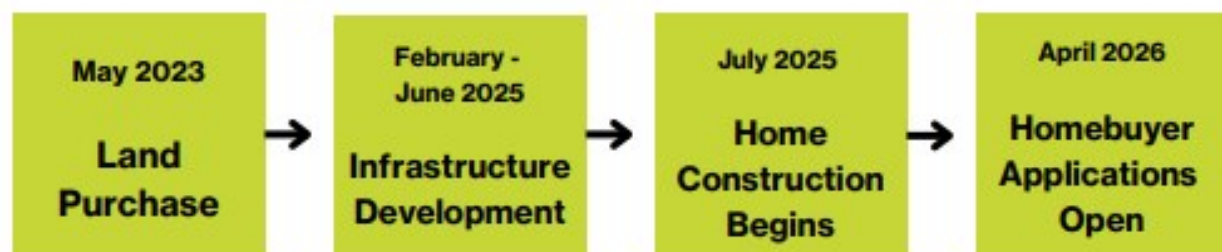

Each home will be sold to income-qualified homebuyers who fall under 80% of the Area Median Income through affordable mortgages by 3rd party partner lenders.

All 32 cottage units will be **permanently affordable and utilize a land-trust model** with shared equity, allowing homeowners to gain equity while ensuring this property remains a permanently affordable homeownership community asset.

Total Cost of Project: \$11,209,485

Project Current Timeline*

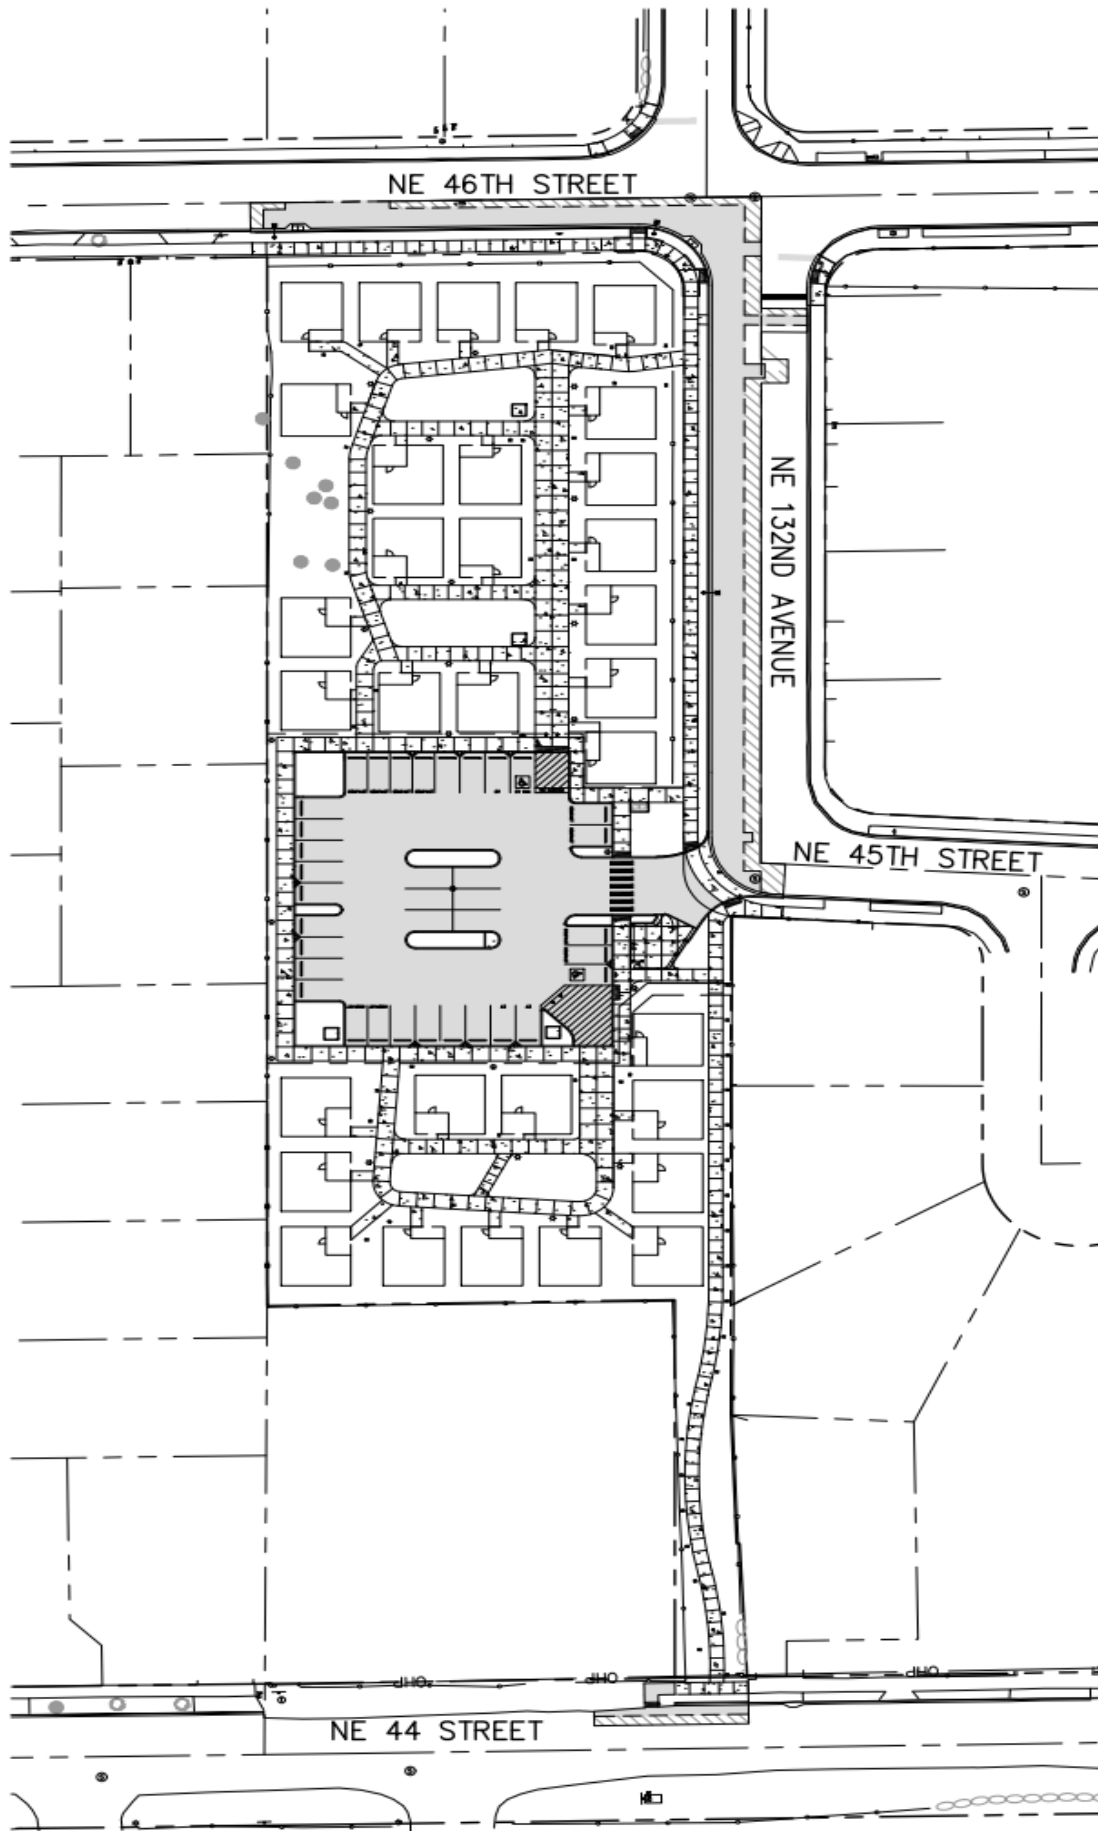

**subject to change*

Ground has been broken on the new Cottage Homes site. Those of you who have expressed interest in being on the new build team will be contacted soon!
