a note from Pastor John

I recently visited one of our parishioners in the hospital. The parishioner was in a room near the top floor and had a magnificent view out a large window, and I commented on how easy it was for God to come in. I came back a few days later, and the parishioner had been moved to a different room with absolutely no view at all; and I regretted my earlier comment. It was no more difficult for God to come into the small, enclosed room than it was for God to come in through the expansive window. Fortunately, the parishioner was very forgiving.

Sometimes, in the good times, we take God for granted, while in the bad times we blame God for everything. In all of these situations, God has not changed simply because our circumstances have changed. We have been given a life to walk, and we are subject to all the bumps in the road and the rays of sunshine that go along with that life. But God companions us on this walk, jolting with us on the bumps and laughing with us at the sunshine; picking us up when we stumble on the bumps, filling us with hope and meaning in the sunshine.

Of course, one of our favorite pastimes is trying to predict the bumps. Sometimes we even view the sunshine times as just “good luck” between the bumps. But as people of faith, we know the truth: we cannot predict what life will bring. What looked like a bump from the distance might just be a gentle rise in the road. Jesus was well aware of this when he tells the parables of the birds in the air and the flowers in the field. He is encouraging his followers to understand that God is with them, no matter what. With God, the bumps can be handled, and God will provide. Even in the most extreme bump, *death*, God has provided for us a path to transition into God’s realm.

As you face bumps in your life – whether that be changes in our church, your family, your health – remember that God will provide. In fact, God has provided. I’ll bet if you look in the rearview mirror of your life you will see any number of bumps that you have traversed with God’s help. I know, I know: when you’re in the middle of the swamp, all you can see are alligators, and fear can block that rearview mirror. Have faith. Have hope. Not because I say so, but because God promises.

Thank you God! For the good times I am having today. But, more importantly thank you God for the bad times that I had in the past, without them I would've never valued the present.

— Sachin Sidhra©

Blessings,
Pastor John Hiestand

A Time to Renew

DENOMINATIONAL NEWS UPDATE

For decades the United Methodist Church has experienced conflict over issues of human sexuality and identity relating specifically to ordination and marriage. After the Special General Conference of 2019, it became clear that there were irreconcilable differences between those who held traditional views on marriage and ordination, and those who wanted to be inclusive of people who consider themselves a part of a “sexual minority,” often referred to as the LGBTQ community. As a result, the 2020 General Conference (May 5 – 15) will be presented with a number of proposals on ways to separate the United Methodist Church into separate denominations. In early January, a “Protocol Of Reconciliation & Grace Through Separation” was proposed to facilitate this separation. In mid-February, that protocol was translated into actual legislation, and by mid-March, it is likely to be submitted for the General Conference docket.

I hope you will be able to attend one of our “Learning & Listening” sessions to find out more about the issues and the separation plans being proposed. If you didn’t make one of the February sessions, please sign up for the March 4th, 8th or 15th sessions. If the protocol passes (it seems to be the leader at this point), the United Methodist Church would continue, and likely change its governing rules, to allow for full inclusion of LGBTQ persons in ordination and marriage. However, over the next four years, the protocol allows for separation of “offshoot” denominations. Local churches could remain aligned with the United Methodist Church by default, or they can align with an offshoot denomination. Local churches that might want to realign will have until December 31, 2024 to make this decision. The point for us at Salmon Creek Church, is we will have time to consider the options available to us, understand the consequences of realignment, and see how these new offshoot denominations are being configured. Or to put it another way, there’s going to be a lot of dust after the May 2020 General Conference, and we would be wise to let it settle before making important decisions about our future. In the meantime, I encourage everyone to become educated on the issues, pray for all of our fellow Methodists, and listen for God’s calling in your heart, not only for yourself, but also for our community and our church.

It is highly recommended that everyone sign up for one of these sessions. There will be no votes taken at these sessions. These sessions will be held on:

- Wednesday, March 4, noon – 2:00 pm
- Sunday, March 8, noon – 2:00 pm
- Sunday, March 15, 4:00 – 6:00 pm

A survey will be distributed at the end of March in order to gather some metrics on the opinions and attitudes discussed.

In April (after Easter) and May, a series of smaller “Dialog & Discuss” sessions will be scheduled. We will gather in smaller groups to hear from everyone and process what we hear together in a trustworthy small group setting.

A Moment in History

Felida UMC bell moved to Salmon Creek

The year was 1955 and The Board of Church Buildings and Locations approved the site for a new Methodist Church. Many members from The First Methodist and the inactive Felida Methodist Church felt that there was a need for another church in the Hazel Dell area. This church would be named Saint Paul Methodist, and the first worship service took place at the Hazel Dell School in September 1957. From there, funds and plans were approved to build a new church at 8100 NW 9th Avenue, and with gifts of a parsonage and a church bell from Felida, the new building was completed with the first service on June 1st, 1958. Saint Paul Methodist Church would be an active church for another 25 years in that community.

Unfortunately, by 1982 Saint Paul experienced a downward spiral in attendance with an aging congregation. For financial reasons, the Pacific NW Conference decided to allow the church to sell their property and merge with Salmon Creek United Methodist. This merge had numerous conditions to which Salmon Creek must acquiesce:

- The sale of the property, church, and parsonage must include money set aside for a new future parsonage.
- A multi-purpose room at Salmon Creek shall become named, “The St. Paul Memorial Room”.
- The Felida church bell shall be moved to Salmon Creek and prominently displayed with a plaque.
- The sale of the church and property must be to another church.
- The large metal cross and flame must be displayed someplace in the church, (that cross and flame are now located in our Fellowship Hall).

That merge was very beneficial for both the Saint Paul congregation and Salmon Creek Church. Saint Paul was able to maintain their identity and Salmon Creek gained some wonderful, active church members. We will always be grateful for those Saint Paul members who followed their faith in God to make Salmon Creek Church what it is today.

Let's "Be Together!"

Salmon Creek Women's Ministry invites the whole family to celebrate Saint Patrick's Day in the genuine style of the Irish!

Come to our next Be Together Event to learn:

Who was Saint Patrick, really?
What did he do to capture the hearts of the Irish?
Why is he still celebrated worldwide today?

Speaker Tim Birr from the All Ireland Cultural Society will present the history and life of Saint Patrick, followed by traditional Irish dancers from the Oregon Irish Dance Academy.

Invite your friends, family and neighbors to come enjoy this fun-filled evening and celebrate in true Irish tradition. We will share a simple meal, including Shepherd's Pie, and enjoy each other's company, family style. The whole family is welcome!

Date: Thursday, March 5, 2020
Time: 6 PM to 8 PM
Location: SCUMC Fellowship Hall.
Donation: \$10 per family

Childcare will be provided, but please sign up!

We are also seeking two women (who will have the help of many others) to coordinate our 2020 Fall Retreat on the weekend of October 10 & 11.

PLEASE contact Linda Garrison @ 360-258-8600 or Lilly Longshore @ 360-991-5013 if you are interested.

Save the Date! Salmon Creek Church is presenting a

Mother's Day Dinner & Talent Show on:

Friday, May 8, 6:00 - 9:00 pm

Sponsored by SCC Youth. Bring Mom to dinner, then treat her to a showcase of talent from our church.

We still need Ushers, Hosts, Communion Servers and Preparers, Readers, Fellowship Hosts, and even Choir members! Do you feel called to serve in one or more of these areas? We really need you! Consider giving of your time and spiritual gifts to serve in these important ministries. You will be so glad that you did, and it is a really great way to get to know your church family members even better! Mark your communication card or contact the church office with your interest in serving.

United

Women

United Methodist Women *Save the date: March 17, 2020!* The United Methodist Women of Salmon Creek Church will meet in the St. Paul Room. Jan Hayden is preparing a timely and inspiring program, "Lighting the Way Through Partnership," based on the exuberant letter of Paul to the Philippians. The early church at Philippi is caught up in disagreements and discord in a hostile world where the gospel of Christ is under serious attack. People in the church are worried because Paul has been imprisoned, but Paul happily reassures them that, "My being jailed because of the Messiah piqued people's curiosity, and now they've learned all about him!" (The Message) They (and we) learn from Paul how to become a more loving community, standing together for the gospel, embracing justice and mercy, saying goodbye to pettiness, selfishness, and greed, and making their world a brighter place. Jan will show a video and assist us in naming individuals and organizations with whom we partner to bring help to people in need, locally and across our nation and our world. **Homework:** Read the book of Philippians (it's short, only four chapters. Hint: Try reading it in The Message). Following this up-close-and-personal look at Paul's love and concern for a church he had visited during his previous missionary journeys, we'll enjoy a time of fellowship and dessert brought by Phyllis Browning.

Please join us!

Men's Service Weekend

Set your calendar for **March 27 – 29** for the second annual MEN'S SERVICE WEEKEND for men of the United Methodist Churches of Clark County and the Pacific Northwest. It will be held at Ocean Park Retreat Center. This will be a great opportunity to get to know men from fellow churches while serving a great cause.

We will not only have outstanding fellowship, we will perform a variety of important tasks to help your camp prepare for the busy summer season. The projects were chosen to allow various abilities and capabilities so that all may participate. The projects include, but are not limited to: updating exterior lighting, maintaining the ocean view from Sea Breeze Lodge, trail clearing, challenge course clearing, and interior painting. This is rain or shine. If the weather is too harsh for outside, there is the painting and repair work.

There is a \$40 fee to cover the cost of meals for Saturday and Sunday morning. If anyone has concerns about the costs, please contact Brandon Scheer, camp director. To register, go to opretreat.org/retreats

Our camp relies on volunteers in order to provide the important ministry that it serves. Please plan to come and meet new friends while enabling our Ocean Park Retreat Center to thrive.

Mini Muffin Cafe

The missions team would like to thank everyone who helped make our Feb. 9 Family Promise Mini-Muffin fundraiser a big success:

The Kitchen: Gay Enyeart, Steve Enyeart, Lynne Kingsley, Mary Mountain, Tina Hunter, Cathy Melson, Monica Tanner, LaVeta Scherer, Larry Siewert

The Waiters: Ann Ware, Karen Bielsmith, Phyllis Browning, Kylie Scott, Austin McAllister, Kat McAllister, Sammy Nieda, Aiden Horner, Don Hardy, Kathy Hardy

And the Mini-Muffin Makers: Dan Kingsley, Marilyn Forman, Connie Albin, Diane Grubel

Most of all, we want to thank all the folks who showed up for breakfast and fellowship and made donations of over \$600 – to benefit Family Promise of Clark county! Please plan to join us for the next mini-muffin brunch on **March 22nd!**

What is the mini-muffin café?

Around 20 years ago, our Adult Ministries Director, Leah Such introduced the mini-muffin café - a delicious breakfast prepared and served by members of the church for our church family and community. The mini-muffins on the table were the trademark! Mini-muffin started as a fundraiser for the youth group to pay for upcoming mission trips. Over time, other groups began to host the “mini-muffin”: Women’s Ministries, the Men’s groups, Children Ministries. Funds from the mini-muffin have gone to support a variety of ministries in our community – Friends of the Carpenter, Winter Hospitality Overflow, Gaiser Middle School.

Changes in staff and schedule led to a decrease in the frequency of the Mini-muffin café, but we are excited to be bringing it back to create fellowship and fundraising opportunities for our church family! Our schedule gives us a great opportunity to hold brunch between the two services and

bring all our members together, it is also a great chance to invite visitors!

We hope you will join us after first service or before second service on **Sunday, March 22nd** to support the Youth and on **April 26th** to support the “Pay it Forward” Campaign. Come and eat, or take a hand in the kitchen or serving coffee – you may even want to bake up some of your favorite flavor of mini-muffins!

Mini Muffin Café BREAKFAST

Saturday, February 9, 2020

Spurred by a generous gift from one of our church members, the Trustees have approved adding door openers to 3 sets of doors at our church. He was concerned about the aging congregation and the trouble some of our members have getting thru the doors especially with materials they are carrying for meetings. So he made this directed gift. This also addresses our ADA (Americans Disability Act) requirements, which we have been in discussing for some time.

A contractor has been selected and work will begin later in February. The Trustees are using funds from our account as well (not the Pay it Forward funds). One set of doors in the front and back entrances to the main building and the front door set to the FMC will be automated. Once completed, there will be buttons on the exterior and interior doors (one side only) to open each door. It should be completed before Easter.

A special thanks and prayers for this donor for getting this started for our church.

Thanks,
Steve Enyeart / Trustees

SMALL GROUP DIRECTORY Request for Information

I am helping on a small group directory for our church. This will help newcomers and current members who may want to find a group.

Following is a list of the ones I have, but I know it is very incomplete. I will be contacting them directly for more information. But I need all you Circuit Rider readers to help me find the rest. Please email or phone me with other group names and a contact. **Monica Tanner, 360 413 0304, mlmt45@gmail.com**

Even if your group doesn't have any openings, please send the information and mention this.

God's Garden Plots Available!

We have a couple of gardeners who will not be continuing with their church garden plots this year, so as you receive your Circuit Rider, there are 5 garden plots available. The other gardeners are renewing their plots and we have three plots which we have planted in herbs, rhubarb, and a surprise garden. The plots available have been well tended, so starting a garden should not be a big chore.

Each plot is 4x8 feet with about 6-9 inches of dirt. The water will be set up in April with the West 11 plots being watered automatically every 2-3 days, while the 8 East plots have a hose available for hand-watering for those who want more flexible water control. We ask for a donation of \$10 per garden plot to help cover the small costs we have for the gardens. In addition, we grow extra produce to put on the garden table near the East sanctuary door.

Never gardened, or been awhile since you have gardened? We have gardeners who are glad to get you started or bring you up to date on some of the latest gardening trends. We have a garden shed full of tools, so no need to bring your own.

Water provided, garden tools provided, straw provided for weed control, gardening instruction---what is keeping you from having a garden plot? If you want the satisfaction of raising your own food, contact Jim Selby at: 828-508-5094 or selbyjb@comcast.net

HALLWAY GETS PAINTED!

This last January, three dedicated members of our Trustees, and one other hardy volunteer, took on the task of painting the hallway which connects the Narthex and Day School. Neither snow nor cold prevented these seasoned servants from replacing the fluorescent tubes with new LED fixtures, painting the ceiling and walls, and refinishing the window sills. You're invited to "stick your head in" and admire the fine work!

WELCOME NEW MEMBERS

In December, our church family was blessed to gain 12 new members. We met 6 of them in the last Circuit Rider, and here are 6 of them this month. If you haven't had a chance to meet them and say hello, please do so next time you see them at church!

Jack and Margaret Childers

The Childers have been married for 60 years. For 13 of those years, they were self-employed and operated a small grocery store. Jack later worked as a manager for Montgomery Wards. Margaret worked for Safeway and then the Kelso school district. Since retirement, they have lived in Vancouver. They look forward to frequent family gatherings with their 4 children and 12 grandchildren who all live nearby.

Jack and Margaret were curious about Salmon Creek church and decided to "check it out." They shared, "We were warmly greeted by the church secretary. She showed us around and introduced us to Pastor John. We decided to start attending services and always look forward to being at worship on Sunday. We have met many warm and caring people." Jack and Margaret attend Pastor John's Monday evening study and have stepped up to serve as greeters for the 10:30 service. We are glad they have felt this is their home.

Mary Mountain

Mary grew up on the Oregon Coast and graduated from Linfield College. She moved to Portland as a single mom when her daughters were 5 and 2 to work at Regence Blue Cross/Blue Shield for 28 years. After retirement, she moved to Fossil, Oregon for 12 1/2 years. A little over a year ago, she moved here. Driving down Highway 99, she saw our church and came on Pastor John's second Sunday here. She felt very welcomed ("even in the parking lot") and was joyful to reunite with Larry and Claire Kennedy, who also had lived in Fossil for years. Mary shares, "This church feels very much like a church family, which is very important to me. I joined because I want to support this church as much as I can."

Mary is a Fellowship Hour volunteer and enjoys doing that. She has three garden spots in the church garden and enjoys sharing the produce with others. She would love to see members from our church have the opportunity she had in participating on a mission trip. She believes the two mission trips to Maua, Kenya with the Oregon/Idaho Volunteers in Mission (an agency of the United Methodist Church), were the greatest life altering experiences of her life. We're sure glad she decided to "stop in, and stay."

Kristy Huckins

Kristy grew up in Billings, MT with her 5 siblings. In 1979, she married Dave Huckins and they were blessed with two sons, Tyson and Gavin. A short few years later the family moved to the Northwest so Dave could attend Mt. Hood Community College where he received an Associates Degree in music. Kristy worked for the Federal Government in several capacities, working first with the BLM, then Mt. Hood National Forest, and finally Customs and Border Protection. After 30 years in government, she retired in 2015. Dave has been battling Parkinson's Disease for nearly 20 years. Kristy says, "Dave does the best he can to get through each day while staying faithful to God, his family and his church." Our church has been blessed through Dave and Kristy's son, Gavin, who leads worship music for the 10:30 service.

Tina and Kevin Hunter

The Hunters met in college at Texas Tech University. After graduation, they were married at University UMC in Tulsa, OK, where Tina's grandparents were long time members and where her parents were also married. They lived in Plano, Texas for several years where Kevin worked in the sporting goods industry and Tina taught kindergarten. A new job opportunity meant a move to Colorado Springs, CO. Kevin began working for New Balance Shoes, and Tina worked as a preschool director. Both of their children were born in CO. Six years later, their family moved to Salt Lake City, UT where Kevin continued to work for New Balance, traveling throughout Utah, Idaho and Montana. Tina stayed home with the children and eventually went back to work as a Coach with Head Start. While in Utah, they were active members of Hilltop UMC. After 16 years in Utah, Kevin's career with New Balance led to the opportunity to manage a territory in Washington and Oregon, and they chose Vancouver as their new home. Tina is currently staying at home and contracting to travel throughout the US to review Head Start programs. Their son is a senior at University of Utah and on their hockey team, and their daughter is attending WSU in Vancouver.

They were visiting churches and were able to attend Salmon Creek on the same day as Pastor John's first day. They shared, "Salmon Creek is where we feel the most at home and where opportunities that are important to us are offered."

Tina and Kevin had been involved in Family Promise while in Utah and have stepped right in to serve with us last month. We are very happy they have joined us in ministry.

4 Ways to Observe Lent

Lent is a season of focus and preparation. It aligns our hearts with God's heart as we approach Easter.

The following are just a few ways to focus and prepare.

Give It Up

Consider giving up something that distracts from your important relationships: like too much time on Twitter or Clash of Clans.

Maybe cut out screen usage for several hours a day.

Take a day of true rest: let go of toil for 24 hours.

Plug In

Consider adding in something that helps you connect to God.

Read a book of the Bible, a devotional, or practice Lectio Divina on a daily basis.

Serve

Start a new routine of service.

Volunteer regularly as an academic mentor, step up to volunteer in a local church, or visit a nursing home.

Share It

Make it a communal event.

Share your Lent practices with others via a small group and/or attending worship.
