# VISUAL SEAMER SETUP

## IMPROVE QUALITY, SOLVE SEAM ISSUES

**DON'T SETTLE FOR  
JUST CHECKING  
YOUR SEAMS...  
IMPROVE THEM!**

Quality By Vision provides affordable and accurate seam quality control and visual seamer setup systems for craft brewers of any size

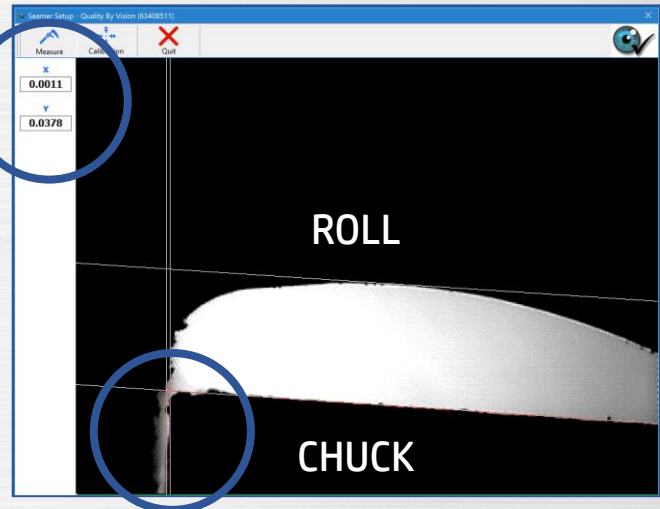

Quality By Vision is the world's leading supplier of video can seam inspection systems and the only supplier of video seamer setup equipment

Our tools go beyond merely checking cans for seam issues, they actually solve them by suggesting solutions and by setting up the seamer!

LIVE SEAMING  
ROLL HEIGHT,  
THICKNESS  
CHANGES  
WHILE MAKING  
ADJUSTMENTS
