OUR STUDENTS

You are taking the first step towards becoming an amazing dancer by making a solid commitment to your classes. Remember, class time is your opportunity to focus on yourself and improve your technique. Come prepared, leave distractions behind, and embrace each class as a chance to become even better at what you love. Dance full-out, stretch a little further, and make the most of every moment. With dedication and enthusiasm, you'll see incredible progress.

Respecting your teachers is key. Embrace every correction given, as it shows how much your teachers care about your growth. Always say thank you when receiving constructive criticism—it's a valuable opportunity for growth. Your commitment and appreciation for your teachers' knowledge and experience will propel you towards greatness. Nothing can stop those who apply themselves and value their teachers' guidance.

OUR PARENTS

We believe that your support plays a crucial role in your child's dance education. Your commitment to the process makes an enormous difference, and we encourage you to actively participate in your child's dance journey. Our programs thrive in a positive atmosphere that involves the cooperation and respect of all parents. By showing respect for one another, our students, and our faculty, you become role models for your children, demonstrating how to interact professionally and compassionately with others.

Your child's consistent attendance at all classes is imperative. Together, we foster a spirit of teamwork and dedication that forms an essential part of our educational process. While parents and teachers may have different perspectives, we share a common goal: ensuring that every child receives the best possible training, physically and mentally. By fostering mutual respect among our faculty and parents, we create an environment that nurtures our students with care and the highest quality education.

DANAILLE'S DANCE ACADEMY

SPECIAL INFORMATION

FOR PARENTS OF PRE SCHOOL STUDENTS

We are dedicated to providing the highest-quality preschool education in a secure, nurturing, and stimulating environment. Our age-appropriate curriculum and ongoing communication with parents address the physical, emotional, and intellectual needs of our preschool students.

During the first few weeks of classes, we focus on helping students become comfortable with the dance experience, their classroom, teacher, and classmates. Through age-appropriate music, stretching exercises, ballet and tumbling basics, and creative games, we foster coordination, listening skills, musical awareness, and imagination. Remember, preschool dance is about helping children tap into their imaginations and express themselves creatively, rather than solely learning steps. So don't worry if your child doesn't pirouette around the house right away—it's all part of their dance journey.

The process of separating from parents is an important milestone for preschool children attending dance class. As children grow, they learn to develop an interest in class activities, feel comfortable with their peers, and understand that parents will always come back for them. We understand that some children may initially resist attending class, but it's usually short-lived. Here are some helpful suggestions:

- Focus on the positive aspects of the dance class experience.
- Ensure your child is engaged in an activity or under the teacher's care before you leave.
- Keep goodbyes brief and avoid prolonged farewells.
- Seek assistance from the teacher during the separation process. Remember, any tears shed are often for the parent's benefit.

It's okay if dance class may not be the right fit for your child at this moment. If your child expresses distress or does not want to participate, please don't panic. Pushing children beyond their comfort zones may create negative associations with dance. We never want that. Never force your child into the classroom. If your child discontinues classes within the first month, the registration fee will be credited to the following year. We encourage you to try again next year, allowing your child to grow at their own pace.

UNDERSTANDING DANCE EDUCATION

As a parent, your support is invaluable to your child's dance journey. Encourage them to be the best version of themselves, focusing on their own accomplishments rather than comparing themselves to others. Dance is an individual art form, and each student progresses at their own pace. Our dedicated faculty not only teaches technique and steps but also imparts essential life lessons. Through dance, children learn commitment, teamwork, and the rewards of hard work. Our goal is to educate their minds, bodies, and souls, providing them with skills that will serve them well in all aspects of life.

Class Placement

Our experienced faculty carefully considers each student's progress and placement. Placement decisions are based on years of teaching expertise and aim to promote self-esteem and confidence. We understand that every child is unique, and factors influencing placement are complex. Trust in our faculty's judgment and encourage your child to embrace their class with enthusiasm, regardless of the level. Our priority is to provide a positive and empowering environment for each dancer.

Medical Information

Your child's well-being is of utmost importance to us. Please inform the director and teachers of any medical conditions, learning disabilities, or medications your child may require. Our teachers are trained professionals who are eager to work with all children, and the more we know about your child, the better we can provide a fulfilling dance experience. Rest assured that all information regarding our students is treated with the utmost confidentiality.

Do's and Don'ts

It's natural for parents and students to draw inspiration from others, but let's focus on personal growth rather than making negative comparisons. Encourage your child to celebrate their achievements and avoid speaking negatively about teachers, fellow students, or other parents. Our faculty takes their role as mentors seriously, guiding students to act respectfully towards their peers, adults, and themselves. If you have questions or concerns, please reach out directly to your child's teacher or the director. Misinformation can be avoided by seeking accurate information from the right sources.

STAYING INFORMED

We strive to make the dance experience organized and enjoyable for everyone involved. To keep you well-informed, please read all newsletters and studio updates carefully. Newsletters and important updates will be emailed to you and posted in our private Facebook group. If you have any questions, feel free to contact our office during business hours or send an email. Our website is regularly updated with essential information, and our Facebook page is a great resource for daily updates and connecting with the dance community. Don't forget to follow us on Instagram for more exciting updates!

DRESS CODE

At Danaille's Dance Academy, our dress code is designed to foster focus, inclusiveness, and equality among all dancers. By adhering to a uniform dress-wear, we create an environment where teachers can assess technique, alignment, and other crucial aspects of dance training effectively. Let's embrace the dress code with confidence and unity!

To ensure organization, students are required to carry their dance-wear, shoes, and belongings in a designated dance bag. Please remember to label your child's bag and all its contents with their name. Let's keep our dance-wear in excellent condition by regularly laundering and maintaining it.

During classes, we kindly request that students avoid wearing watches, jewelry, and safety pins, as they can be distracting. Dance shoes should never be worn outside to preserve their quality and cleanliness. Female students are encouraged to secure their hair tightly and neatly away from their faces, preferably in a tidy bun. Maintaining good personal hygiene habits, including the use of deodorant for students aged 10 & older, is expected from all dancers.

DISCIPLINE POLICY

At Danaille's Dance Academy, we believe in creating a positive, nurturing, and professional environment for all our students. We emphasize the importance of being part of a group, respecting others, our teachers and staff, and the studio property. Our goal is to foster good habits and cultivate a culture of compliance with rules of conduct.

Our staff and faculty are trained in constructive techniques of discipline to maintain class control and address individual misbehavior effectively. When a child exhibits unacceptable behavior or attitudes, we take a proactive approach. We kindly explain what went wrong and guide them towards a positive alternative approach or behavior.

In the event of a conflict between children, we handle the situation respectfully. They are separated and encouraged to express what happened. We promote problem-solving and communication between them to find a resolution and reconcile with one another.

Disruptive behavior is addressed in a respectful manner. If a child's behavior continues to disrupt the class, we kindly ask them to stop. Should the disruption persist, a reminder will be given, highlighting how it affects others. If necessary, the children involved may be asked to take a short break (typically three to five minutes) before rejoining the class.

If a child's misbehavior persists and continues to significantly disrupt the class, we may need to involve the parent or guardian. We believe in open communication and will reach out to discuss the situation and request the child to be picked up if necessary. Please remember that our ultimate goal is to provide a safe and productive environment for all students.

TERMINATION OF ENROLLMENT

In certain rare circumstances, when it is in the best interest of one or more students, the school owner or director may need to terminate a student's enrollment. We always strive to address and resolve any problematic situation before considering termination. Reasons for termination of enrollment may include:

- Disruptive or dangerous behavior by students or their parents.
- Abuse of other children, staff, or property.
- Inability of Danaille's Dance Academy to meet the child's needs.

We want every student to have a positive and fulfilling dance journey at Danaille's Dance Academy. Rest assured, termination of enrollment is a last resort, and we will make every effort to resolve any challenges that may arise.

We are here to support and guide you and your child throughout their dance education. If you have any questions or concerns regarding registration, tuition, or our discipline policy, please don't hesitate to reach out to us. Let's work together to create an uplifting and joyful dance experience for everyone involved!

ARRIVAL AND DEPARTURE

At Danaille's Dance Academy, we value punctuality and safety for all our students. We kindly ask students to arrive 5-10 minutes before their class begins, allowing them to settle in and prepare for an amazing dance experience. To ensure the safety of our young dancers, children under the age of 10 should be picked up promptly after their class. For students aged 10 and older, we kindly request that they are picked up no more than 10 minutes after their class ends. Please understand that we are unable to assume responsibility for students before or after their scheduled classes, so it's essential for parents to ensure timely drop-off and pick-up.

We understand that unforeseen circumstances or emergencies may arise, causing delays. If you find yourself in such a situation, please contact the studio immediately. Our priority is to keep your child calm and safe until they can be collected. Your communication is crucial, and we appreciate your cooperation.

ATTENDANCE

Every class at Danaille's Dance Academy is a step forward in the educational journey of our students. Regular attendance is essential for continuous progress and growth. During class, choreography for the year-end performances will be taught and rehearsed. It's crucial for children to feel completely confident with the choreography and their performance. Missing classes during this period could lead to frustration for the students, their teachers, and their classmates. We encourage all students to prioritize their dance education and make attending classes a top priority.

TARDINESS

Dance is a physical activity that requires a properly warmed-up body to ensure safe movement execution. Students who arrive late miss out on the essential warm-up and/or barre exercises, which may increase the risk of injury. To prioritize the safety and well-being of our students, those arriving more than 10 minutes late may be asked to observe the class. We want all our dancers to enjoy their dance journey while staying safe and injury-free.

CLASS VISITORS:

For the safety of our students and to fulfill our legal responsibilities, we are unable to permit visitors in the classroom during regular class sessions. Students should refrain from inviting siblings, relatives, or friends to their classes, except for special events such as "Bring a Friend Week" and in-studio performances. These occasions offer a unique opportunity for sharing the joy of dance with loved ones.

MAKEUP CLASSES:

We understand that unforeseen circumstances may cause a student to miss a class. To ensure they don't miss out on the valuable learning experience, we offer the opportunity to make up the missed class with a similar one. Please reach out to the office, and our team will guide you in determining the best makeup class for your child.

LOST AND FOUND:

We know how easy it is for dance-wear, shoes, and personal items to get misplaced. To avoid any confusion, please make sure to label all your child's belongings with their name. We will make every effort to locate and return lost items; however, we kindly ask for your understanding that we cannot be held responsible for any items your child brings to class.

EMERGENCY EVACUATION:

While we have never experienced an emergency evacuation at our studio, we prioritize preparedness and the safety of our students and staff. Emergency evacuation routes are clearly posted throughout the studio and reception area. In the event of an emergency, students will calmly and quietly evacuate in single file to the designated area. Our dedicated teachers will take attendance to ensure everyone's safety. Students and teachers will return to the building only when the all-clear signal is given, indicating that it is safe to do so.

ILLNESS:

The health and well-being of our students and staff are of utmost importance to us. We kindly request your cooperation in keeping our dance community healthy. If your child exhibits any of the following symptoms, we kindly ask that you keep them at home to prevent the spread of illness:

- Nasal discharge that is green or yellow
- Complaints of ear pain
- Consistent cough
- Severe sore throat
- Pink, burning, itching, or discharging eyes
- Diarrhea or vomiting
- Fever

If these symptoms or any other contagious conditions are observed in your child during a class, we will promptly contact you to arrange for their immediate pick-up. When your child has a fever, please keep them at home until their temperature returns to normal. Furthermore, if there are any lingering signs of illness such as glassy or watery eyes, listlessness, or drowsiness, we kindly request that you keep your child at home. This precaution will ensure that the illness has fully passed, and your child will be well enough to fully participate in class activities the following week.

CAR PARK SAFETY:

At Danaille's Dance Academy, the safety of our dance family is our top priority. When entering and exiting our parking lot we kindly ask everyone to exercise extreme caution. Please be mindful of the presence of children of all ages. It is essential to park only in designated parking spaces and avoid parking in areas that are not intended for vehicles. Additionally, we kindly request that you refrain from idling your car if parked in close proximity to the building or its windows. For the safety of all, we kindly ask that siblings do not play in the parking lot. Let's create a safe and secure environment for everyone to enjoy.

At Danaille's Dance Academy, we prioritize safety, punctuality, and the well-being of our dance community. We appreciate your cooperation in adhering to these guidelines, which contribute to a positive and empowering dance experience for all.
