You can take leave for the following qualifying events:

## Am I covered by Paid Leave?

Most workers in Minnesota are covered by Paid Leave. You are covered no matter the size of your employer, or the hours or days you work. Independent contractors and self-employed individuals are not automatically covered, but may opt in. You may qualify for payments if you've been paid a minimum amount for work in Minnesota in the last year (\$3,900 for the start of Paid Leave in 2026).

## What are my employment protections?

- **Job protections:** Generally, you must be restored to your job or an equivalent position when returning from leave. Job protections take effect 90 days after your date of hire.
- **Health insurance continuation:** Generally, employers must continue to fund their portion of healthcare insurance and other group insurance premiums while you are on leave. You will be responsible for any portion of health insurance and other group insurance premiums that you pay.
- **No retaliation or interference:** Employers must not interfere with or retaliate against you if you apply for or use Paid Leave. Employers cannot take your Paid Leave payments.
