# Beautiful on the Outside, Smart on the Inside.

### Kompressor™

The LG KOMPRESSOR™ technology compresses dust and hair collected in the bin by up to 2.4 times the uncompressed capacity.

### Auto Emptying Function

The bin is emptied automatically when you connect to the docking station, saving you time and the hassle of dust scattering all over the place.

### Powerful Suction

The combination of the Smart Inverter Motor™ and the Axial Turbo Cyclone, that separates dust and hair, help to deliver powerful, long-lasting suction.

### DUALPowerPack™

The swappable, rechargeable batteries provide up to 120 minutes of continuous performance. Each battery lasts 60 minutes.

### The Smart Inverter Motor™

A brushless design with minimal mechanical friction during operation. This improves the durability of the motor enabling LG to offer a 10 year parts warranty on the motor.

### Accessory Storage & Battery Charge With All-In-One Tower™

Always keep your vacuum accessories where you know it'll be. Just keep it on your LG CordZero™ Vacuum All-in-One Tower.

### A9T-RMAX Calming Beige

5 Years  
Self-Service  
**RM90/mth**
