Simplicity in Design, Purity in Every Drop

Mood Lighting

Adjust the lighting to suit your mood, with three colors and four levels of brightness to choose from in the LG ThinQ app.

4-Stage All Puri Filter System

Remove heavy metals and norovirus bacteria with inbuilt multi-stage filtration, improving your water's taste and quality.

UV Sterilization

UV sterilization inside the machine safely removes germs in the water outlet with automatic cycles every hour.

Auto-Sterilization

High-temperature automatic sterilization without the high costs of a service call. You can clean the internal stainless-steel pipes and outlet, removing 99.99% of germs with just the touch of a button.

Custom Modes

Use the Custom Volume Dispense feature in the ThinQ app to set four dispensing volumes, available in 10ml increments.

LG ThinQ

Use the LG ThinQ app on your smartphone to easily check the status of your water purifier from anywhere in real time.
