

As you may know there are still restrictions in place on Restaurants. At this time Big John's Pelican Pizza will continue to operate as we have been over the past several weeks by continuing to offer carryout and delivery only.

***We have also decided to make a few small changes, effective June 1st.**

First, our required minimum for deliveries will now be \$30.00 (before tax and delivery fee).

Second, any order over \$60.00 (after tax) must be prepaid. Payments can be made over the phone (Visa, Mastercard, and Discover accepted).

Third, we will no longer accept out-of-town checks (Pelican Rapids address only). Local checks must have your personal name, current home address (no PO Box), and current phone number, and be verified with a state-issued ID.

Fourth, all deliveries to RV parks, campgrounds, and boat landings must be prepaid. Remember to give us a good phone number and exact location of where you want your delivery dropped off and make sure you are at that location for your delivery.

Thanks for your support!

Big John
