REJOICING IN YHVH

Harvest of the feast of Tabernacle. There was one girl who wanted to be baptized, but after I question her, she believes, she was unable to explain, so I read with her the scriptures, which says those who understand and believe, can be baptized. So she understood the problem. Some areas need a full time teacher helping them for a while., to teach the people, before they can be baptized. We need teachers in these areas.

Shabbat Shalom to all. I am, glad in our ELOHIM. Let me inform you that the gospel of Truth in reaching even the last Person in the most remote areas of Uganda, HalleluYAH. On 3rd October, I traveled to **Busia**, deep in the village, the place is remote, but when the people of Yahuah and the local leaders heard that the Man preaching the Saving Truth of Yahuah is available, they started mobilizing themselves the more, and yet most of them are Muslims and Catholics. By the following day the 4th October, Yesterday by 9:00am many of them had already gathered, Old men, women, Children and the youth as you will see in the pictures.

...We sat under a very big tree in the compound of brother Wilson/ We had not enough chairs. Some Leaders came with some of their chairs but still were not enough. Most of the increasing numbers of people who came just stood until I finished preaching. I thank Yahuah because they managed to stand for long time.

I give praise to Yahuah, because 34 People received Yahusha as their savior. ...

....21 were women and 13 were men. Thank you so much for the support you always give us, May Yahuah bless you all. I traveled safely back to Lira, Yesterday, I started the Journey from Busia at 6:00pm, but I reached Lira at 2:00 am, when it was approaching morning. I have attached the Busia mission photos.

Our next mission is the MASINDI MISSION TRIP IN NOVEMBER 2024.

Masindi is one of the places, which is dominated with people who believe in Traditions, believing in the blessings of the past dead ancestors and traditional spirits....

...Men and Women who are taken by the traditions, they need the truth. I needed to visit them last year, but due some challenges I couldn't.

Now, i have planned to travel Masindi with the Gospel of Truth of Yahuah and His Son Yahusha our Savior, it will be a full day conference, I will travel on 10th/November 2024, and the conference will take place on Monday 11/November/2024, for the full day. Then I travel back the following day.

The Masindi Mission Trip will cost \$270 US Dollars.

Pray for the conference.

Just look at the large GROUP OF PEOPLE!

**Thank you so much
