

What about
GOD and the
English word
GOD?

• WE USE THE TRUE NAMES OF OUR CREATOR AS **THERE IS POWER IN HIS NAME.**

- • God and LORD are titles and is NOT His Name, Yahuah is Our Heavenly Father.
- • Jesus has no meaning Yahusha means Yah is our Salvation.
- • Elohim means Mighty one or Mighty ones
- The real name of our Heavenly Father is Yahuah, and that Bible Translators admit to removing His Name over 7000 from our Bibles and replaced it with the Title LORD times and God.

**PLEASE
NOTE:**

Back to our presentation
with the title
“What about
GOD and the English
word **GOD**?”

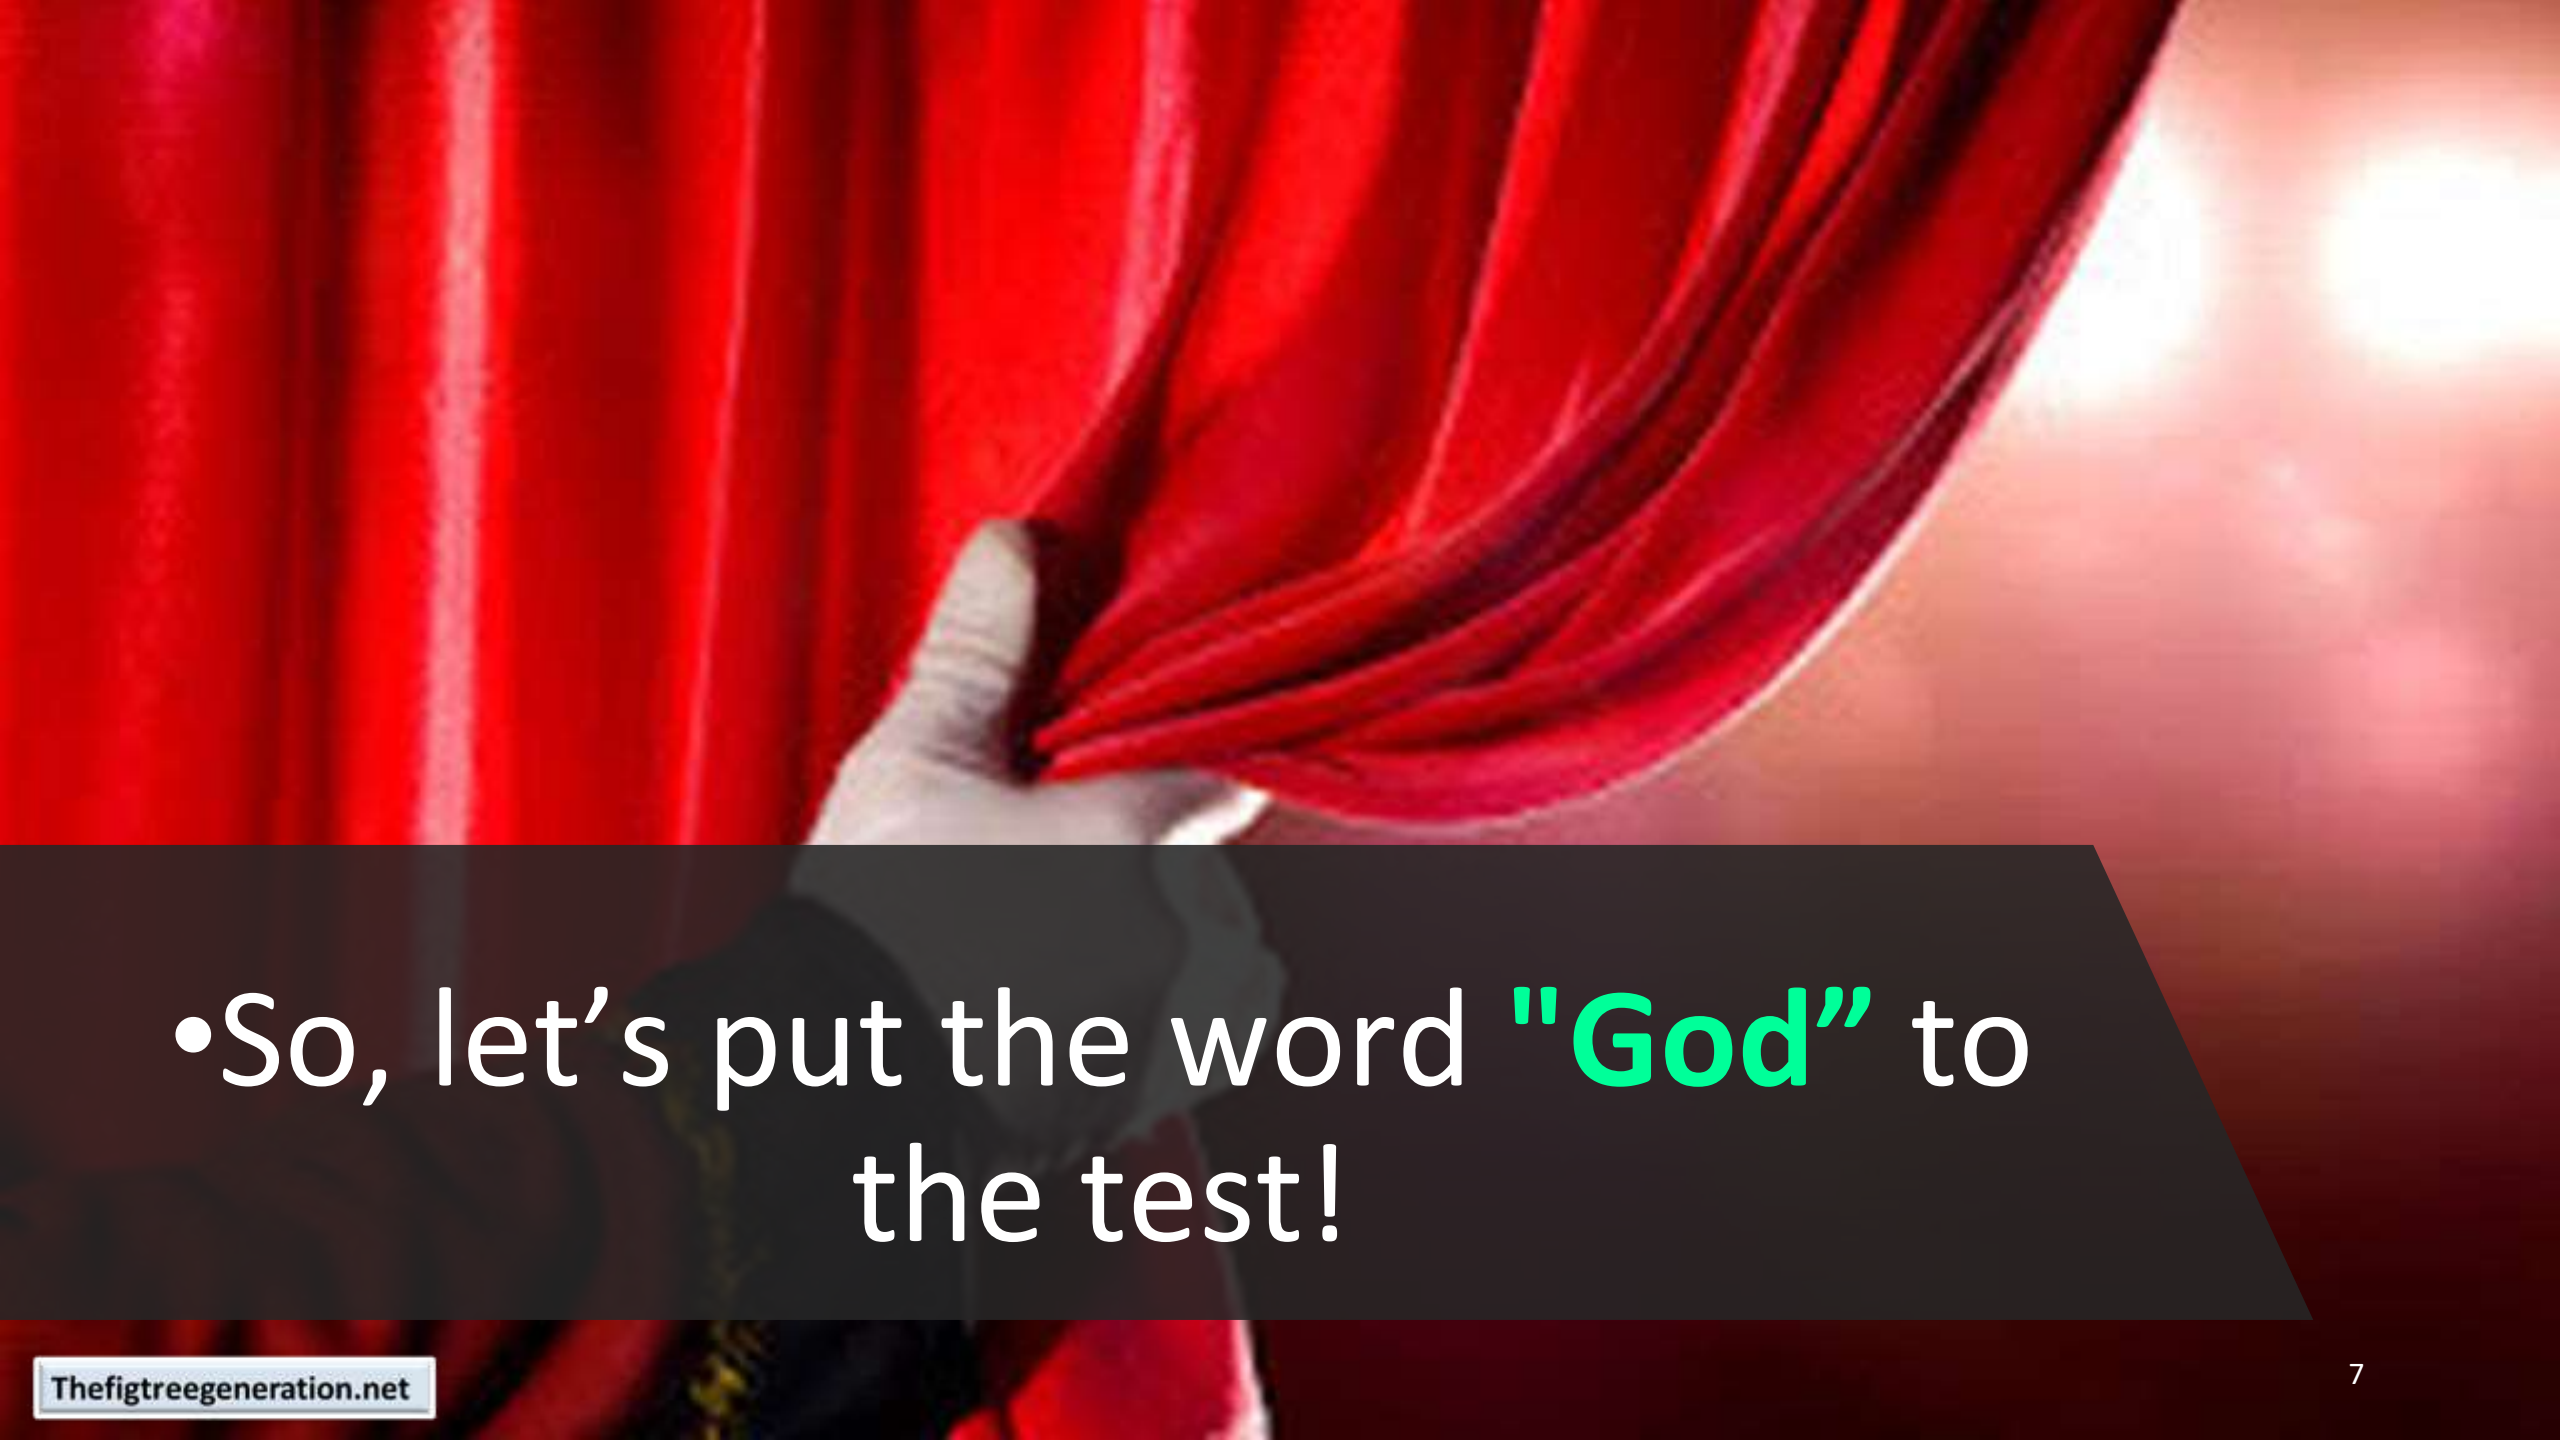

— Understanding Who is GOD From Scripture or using the word “GOD”?

- Bear in mind that those who **refuse** to prove all things (1 Thessalonians 5:21) **will be destroyed** for lack of knowledge (Hosea 4:6).

A hand is shown pulling back a rich red, velvety curtain. Behind the curtain, a bright, glowing light source is visible, creating a dramatic and hopeful atmosphere. The light is soft and diffused, with some lens flare effects.

•The words “**GAD, GAWD OR GUD**” REVEALED IN SCRIPTURE!

A hand is shown pulling back a heavy red curtain. Behind the curtain, a bright, glowing light source is visible, creating a dramatic effect. The scene is set against a dark background, emphasizing the light and the action of revealing something hidden.

- So, let's put the word **"God"** to the test!

what are other
words for
put to the test?

try, examine, investigate, test,
try out, inspect, experiment,
check, assess, scrutinize

• **Let me ask you a question!**

Would you be surprised
if I told you that the
“**god**” the whole world
worships is none other
than the god of fortune
called Gad (pronounced
Gawd), also known as
Gawd and Gud, **in
other words Satan?**

Well, those who prove all things should know that all translations are tainted in some way or the other. **The Bible was not translated by Israelites, but by Gentiles, who worship devils or demons** (Psalms 96:5. 1 Cor 10:20). Their translations are therefore to give honor to these devils. None of their translations is therefore perfect.

So let us see how they hide Gad in the KJV.

Isaiah 65:11,12, “But ye are they that forsake YAHUAH, that forget my holy mountain, that prepare a table for that troop, and that furnish the drink offering unto that number. Therefore, will I number you to the sword, and ye shall all bow down to the slaughter: because when I called, ye did not answer; when I spake, ye did not hear; but did evil before mine eyes and did choose that wherein I delighted not.” (King James Version) Verse 12 warns us there is nothing good to be worshipping THAT TROOP or THAT NUMBER (whoever that troop and that number are).

Now, let us go to the English Standard Version, which gives us even more insight into who that troop and that number are.

Isaiah 65:11, “But you who forsake YAHUAH, who forget my holy mountain, who set a table for Fortune and fill cups of mixed wine for Destiny.” (ESV)

There we see instead of that troop and that number, we have in the English Standard Version the words:

1. **FORTUNE** AND 2. **DESTINY**

- Also very important is that both Fortune and Destiny begin with a capital letter, which means the translators are dropping us hints that these are proper names or nouns (names of people, animals, places or things).

Now let us go to the Good News Bible (GNB) to get even more revelation!

*Isaiah 65:11, “But it will be different for you that forsake me, who ignore Zion, my sacred hill, and worship **Gad** and **Meni**, the gods of luck and fate.”*

1. **GAD** AND 2. **MENI** **There we have it!**

Between the 3 translations, it is telling us that Israel worshipped Gad, who is the Elohim of FORTUNE or luck and Meni, the Elohim of fate or destiny.

This devil/demon called Gad (pronounced Gawd) is who the world worships under the name God (often pronounced Gawd as well).

The King James translators gave us “that troop” and “that number” instead of telling us they were speaking about Gad. **Why?**

Because Gad is the “God” whom they gave us in their translation when they translated the word Elohiym into God (Gad)!

IS THAT A DECEPTION?

Therefore, by worshipping and calling upon God, you are worshipping or calling upon the god of fortune or luck. Incidentally, that is why we have the term **GOOD luck** because Gad is also called Gud (good)! The Scandinavian languages, like the old Anglo-Saxon, called god “gud”.

That is also why Christians say, “all the time God is good.” They are indeed correct! “God” is “Gud” (Gad), **the god of fortune/luck**. Gud (pronounced: good) is the Scandinavian rendering of Gad.

MORE ABOUT GAD AND MENI!

The following is an excerpt from a detailed study about Baal Gad (the Lord God) and Meni by Yahuah Kingdom. The astrologers identified **Gad with Jupiter** (Zeus / Yahweh / Jehovah) the Sky-deity or the Sun-deity. Other sources of research also testify of “Gad” being **the Sun-deity**. Rev. Alexander Hislop wrote, “**There is reason to believe that Gad refers to the Sun-god ... The name Gad ... is applicable to Nimrod, whose general character was that of a Sun-god ... Thus then, if Gad was the ‘Sun divinity’, Meni was very naturally regarded as ‘The Lord Moon.’**”

- Keil and Delitzsch, Commentaries on the Old Testament, comments on Isaiah 65:11, **“There can be no doubt, therefore, that Gad, the god of good fortune, ... is Baal (Bel) as the god of good fortune. ... this is the deified planet Jupiter ... Gad is Jupiter (Zeus/Yahweh/Jehovah) ... Mene is Dea Luna ...**

Rosenmuller very properly traces back the Scriptural rendering to this Egyptian view, according to which Gad is the Sun-god, and Meni the lunar goddess as the power of fate.”

Isaiah 65:11 tells us that Yahuah’s people have forsaken Him and, in the end-time are found to be serving Gad, the Sun-deity of “Good Luck”, and Meni, the Moon-deity of “Destiny”.

**• DOES BAAL
GAD equal THE
LORD GOD OF
CHRISTIANITY?**

To many Christians, the above question would be blasphemous to even contemplate! They would never even consider the thought, much less study like the noble Bereans, of whom it is written in the Scriptures:

"Now these Jews were more noble than those in Thessalonica; they received the word with all eagerness, examining the Scriptures daily to see if these things were so." Acts 17:11 (Easy to Read Version).

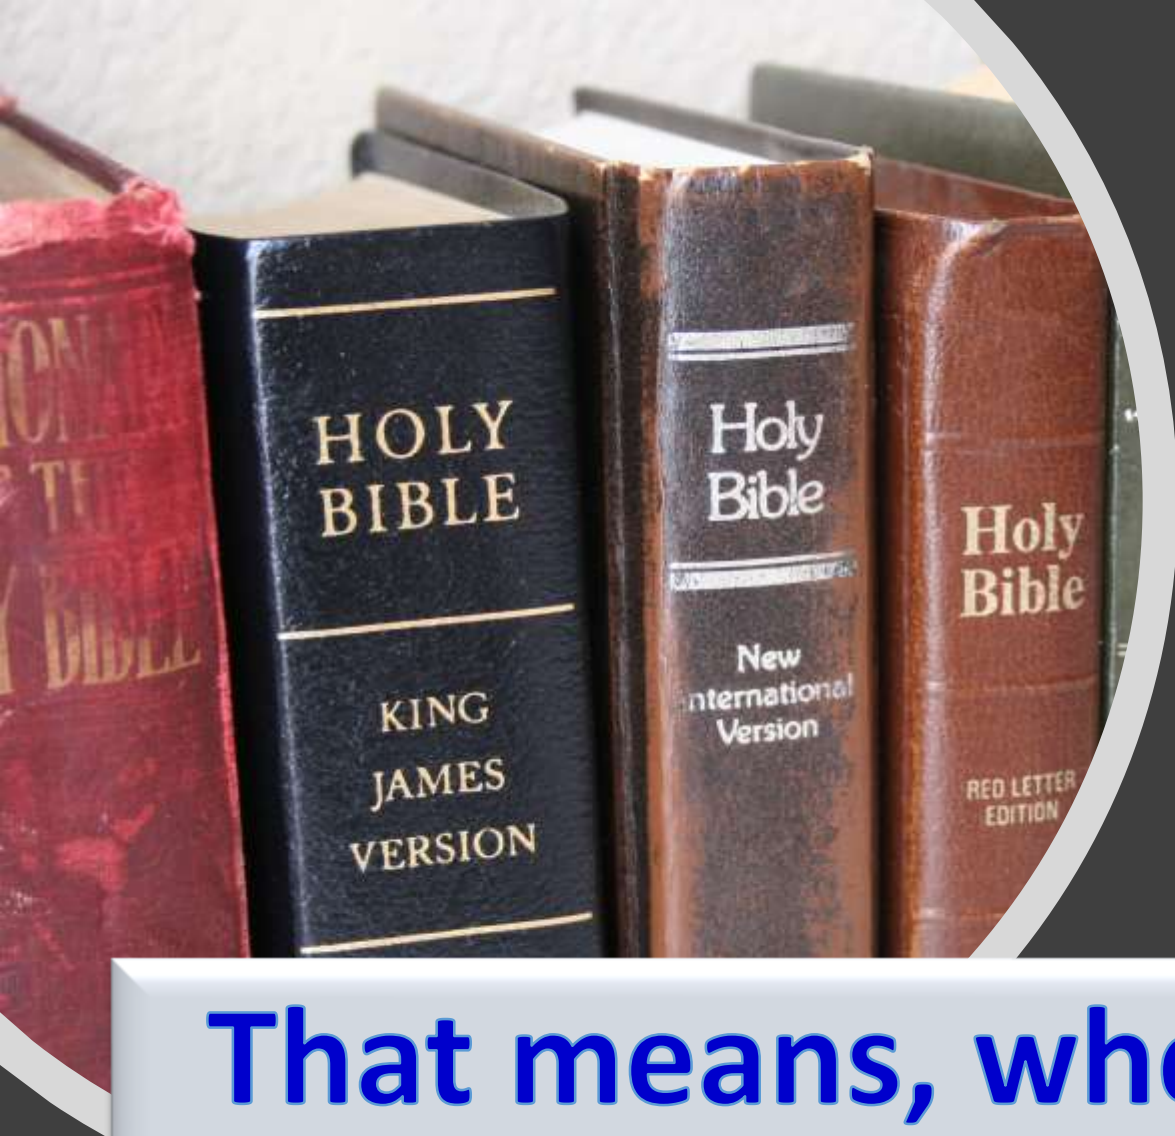

Scripture says that the old serpent, called the Devil and Satan, **has deceived the whole world:**

Do you realize just how deep that deception is? This article will reveal some of the depths of that deception, to those who are able to receive it.

“And the great dragon was cast out, that old serpent, called the Devil, and Satan, which **deceives the whole world: he was cast out into the earth, and his angels were cast out with him.”** Revelation 12:9 (Cepher)

- That is why we must study the Scriptures in order to see if we too have been led astray? More so considering the following Scripture which explicitly tells us that salvation comes in only one exclusive name: **“And there is no deliverance in anyone else, for there is no other Name (YAHUSHA) under the heaven given among men by which we need to be saved.”** Acts 4:12
(Cepher)

- By changing the True Names of Yahuah and Yahusha in our Bibles, **Satan wants to keep us from being saved or delivered**, all he has to do is to deceive us into calling on another name rather than the one exclusive name that has been given for that very purpose by our Creator?

That means, when you are changing the name, You are changing leaders!

I am always shocked and amazed at the ignorance of the Creator's professed people who cannot understand the simple fact that one is one and never two, three, four, five, etc... Now surely, if **there is only one name given**, how can these professed believers say that it doesn't matter what name they call on? Are they not deceived by that old serpent, Satan the Devil, if they are calling on any other name other than that one exclusive name that was given by our Creator Himself? Surely you can see that the only answer to our question is — yes, they have most definitely been deceived!

- WHO OR WHAT IS Baal?

#1168 Baal, bah'al; the same as #1167; Baal, a **Phoenician deity**:-Baal, (plur.) Baalim.

Here we find another Baal, a bad one, a false deity. Can we find out more about this false deity? Yes, let me quote page 1212 in the Explanatory Notes of The Scriptures:

Baal: This word it seems, gradually became a proper name. A similar Semitic word derives from the Aryan root Bhal, which means "to shine," according to some. According to W. H. Roscher's well-known lexicon of mythology, Baal (Bel, Belos) was the ancestral and national deity of the Semites and says that Baal was the founder of Babel (Babylon), according to secular history.

- Baal is identified with Zeus, Jupiter, Ammon, Asshur, Assur, Kronos, and Bel-Marduk. Morris Jastrow, Max Müller, and W. H. Roscher all three agree: **Baal is the Babylonian sun deity. The Baals of the nations were sun deities, and Baal worship means sun worship. Quite revealing, isn't it?**

- Now, would YHWH appreciate it if we called Him after the name of a false deity?

A person is shown in profile, reading a book. A bright, ethereal light emanates from the pages of the book, creating a soft glow around the person's head and shoulders. The background is dark, making the light from the book stand out.

When I pondered about this question, I was reminded of the words in Isaiah 42:8,

“I am Yahuah: that is my name: and my glory will I **not** give to another, **neither** my praise to graven images.” (Cepher)

A closer look at a couple of Scriptures will answer that question even more! Let us see just what the Mind of YHVH is regarding the above question:

“And in all things that I have said unto you be guarded: and **make no mention** of the name of other Elohiym, **neither let it be heard out of your mouth.**” Exodus 23:14 (Cepher)

“That ye come not among these nations, these that remain among you; **neither make mention of the name of their Elohiym,** ...” Joshua 23:7 (Cepher)

explicitly

MEANING CLEARLY AND PLAINLY!

- YHVVH has explicitly spoken to us, by the foregoing verses of Scripture, not to mention the name of the other mighty ones, even to the point that they not be heard coming out of our lips. So, the answer to our question is:

NO! YHVH would not be pleased if we called Him by the name of any other mighty one (Elohim)! So YHVH would not be pleased, if we called Him Baal in the bad sense. But how is it that we can call Him Baal in a good sense and be right, but use the same word, and it be in a wrong sense, causing YHVH'S anger to burn against us? What is the answer to this apparent contradiction of YHVH'S word?

Let's look again at Strong's **#1167**. Do you see the answer? It's simple! Notice that it says: **#1167 Baal** is...(often used with another noun in modification of this latter sense)...

But what does this mean? To find the answer we need to research a few more Scriptures that will shed much needed light on the subject.

The three Scriptures I want us to look at relate to a place in Syria called **Baal Gad**.

- “Thus, Yehoshua took all this land: the mountain country, and all the South, and all the land of Goshen, and the low country, and the desert plain, and the mountains of Yisra’el and its lowlands, 17 from Mount Halaq that goes up to Sě’ir, and as far as **Ba’al Gad** in the Valley of Lebanon below Mount Hermon. ...” Joshua 11:16-17 (TS2009)

“And these are the sovereigns of the land which Yehoshua and the children of Yisra’ěl struck beyond the Yarděn, on the west, from **Ba'al Gad in the Valley of Leḇanon as far as Mount Ḥalaq that goes up to Sě'ir, which Yehoshua gave to the tribes of Yisra'ěl as a possession according to their divisions.” Joshua 12:7 (TS2009)**

“And the land of the Gebalites, and all Lebanon, toward the sunrise, from **Ba'al Gad** below Mount Hermon as far as the entrance to Hamath.” Joshua 13:5 (TS2009)

Have you noticed that in each of the foregoing quoted texts reference is made to a place called **Baal Gad**? Just what and where was this place called **Baal Gad**? **Let's again go to the Strong's Hebrew Dictionary for the answer.**

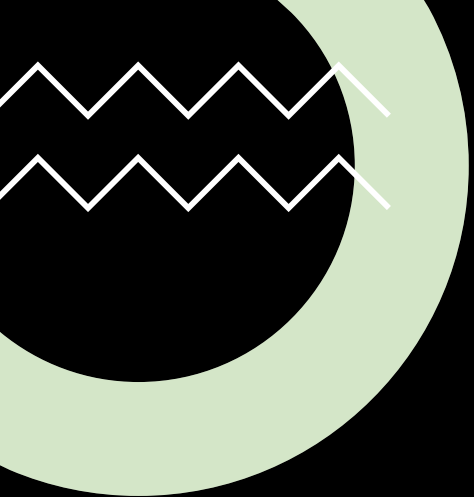

#1171 Baal Gad, bah'al gawd; from **1168** and **1409**; Baal of Fortune: Baal Gad, a place in Syria: Baal-gad.

Now that wasn't much of an answer, was it? We still haven't found out who or what Baal of Fortune was.

Let us dig deeper to find out the truth by looking up the reference that was given under Strong's **#1409** for more light.

#1409 gad, gawd; from **1464** (in the sense of distributing); fortune: troop.

This sounds like WORD GAMES!

- Now that still doesn't give us much light, you might say. You're just giving us the run around with word games, you might say. Well, that's exactly what Satan, that old deceiver wants you to think! You see, he doesn't want you to be diligent seekers for truth. He doesn't want you digging up in the treasure house of the Hebrew language, because if you do, he knows you will find out the deceptive word games he's played on you!!

• **Didn't Yahusha tell us our search for truth would be like searching for hidden treasure?** (cf. Mt. 13:44) Do you find hidden treasure just lying on top of the ground or do you have to take a spade or shovel and work hard, digging to find it? Believe me, the answer was revealed under **Strong's #1409** if you know where to find the Scripture that reveals this false deity — Baal of fortune! **It will be quite revealing once you see it!**

“But you are those who forsake יהוה (YHWH) who forget My set-apart mountain, who prepare a table **for Gad (that troop, KJV)**, and who fill a drink offering **for Meni (that number, KJV)**. 12 “And I shall allot you to the sword, and let you all bow down to the slaughter, because I called and you did not answer, I spoke and you did not hear, and you did evil before My eyes and chose that in which I did not delight.” .” Isaiah 65:11-12 (TS2009)

If you have a KJV Bible, you will find for Gad it says, "that troop" (Strong's #1409). In fact, many Bibles have center or side column references that inform the readers that Gad (that troop) is a false deity!

This can also be discovered by looking at Strong's #1408: #1408 Gad, gad; a variance of 1409; Fortune, a Babylonian Deity: **that troop**.

Here is where Satan has played word games to deceive the whole world into worshipping a false **Babylonian deity of Fortune!** But who is really being worshipped behind the name of this ancient idol Baal-Gad? And how has Satan accomplished this so easily? **Word Games!** Remember Acts 4:12 (Neither is there salvation in any other: for there is none other name under heaven whereby we must be saved.) Remember that Yahusha also said, **"...if another shall come in his own name, him you will receive."** (John 5:43)

Notice under Strong's **#1167**, one of the definitions of the word Baal into English is **lord**!

Baal ZEBUWB OR BEELZEBOUL

#1176 Baal Zebuw, bah'al zeb-oob; from **1168** and **2070**;
Baal of (the) fly; Baal-zebub, a special deity of the Ekronites: **Baal-Zebub**.

Remember when the Pharisees called Yahusha Messiah Beelzebub (Mat. 10:25) and claimed that He cast out the demons by the prince of demons (Mat. 12:24, 27; Mk. 3:22; Lk. 11:15, 18, 19). Well, now go to Strong's Greek **#954**
and be ready for a shock!

#954 (Greek) Beelzeboul, beh-el-zeb-ool'; of Chald. Or. [by parody upon 1176]; dung-god; Beelzebul, **a name of Satan:** Beelzebub.

GAD, GAWD, GOD

Are you beginning to see that Baal = lord or LORD or master and that **Baal is none other than Satan himself**? But coupled with Satan's title of Baal which equals lord, or Lord, or **LORD, or master is the word Gad. Gad meant Fortune or that troop**. Could the old saying about a person selling their soul to Satan have any bearing here? Satan will give you a fortune for your soul, but once you have sold it to him, he will usually double cross you and take your life (soul) away! How many troops of lost souls does Satan have through his deceptions?!

• Notice how the Masorites vowel pointed the word Gad in Hebrew in 1409 like this: גָּד: When pointed like this, the word is pronounced Gawd or God or god in Hebrew. Now if we translate Baal Gad into English what does it become? **Does it not become LORD GOD?** Or Lord God? The capitalization doesn't change the sound of the word in any way and even so the fact is **Baal Gad is the Lord God who is Lord Satan or Master Satan!**

• **Putting
it
together!**

Let me quote another explanatory note from pages 1214-1215 of The Scriptures: **Gad**: Apart from Gad, the son of Ya'aqob (Jacob) there was another "Gad." **The astrologers of Babel called Jupiter (Zeus) by the name "Gad."** He was also well known among the Canaanites (where his name was often coupled with Baal, Baal Gad), which according to the Masoretic vowel pointing in the book of Joshua is pronounced: Baal God. This same name is discovered in the ancient Germanic languages as Gott, Goda, Gode, God, Gud, Gade. And searching further back into its Indo-Germanic (Indo-European) roots, we find that it traces back to the word GHODH, which means "union" even "sexual union." No wonder this meaning is still evident in the Dutch and German gode. It is also not difficult to see it in the English "gadfly" and "gadding about."

It is no wonder then that Satan was termed Baal-Zebub in Hebrew and Beel Zeboul in Greek! So, we have seen that both mean "Lord of the flies" (See Brown, Driver & Briggs Hebrew Lexicon to the Old Testament under 1176). How ironic that Satan was pictured as a gadfly or as one who gads about!

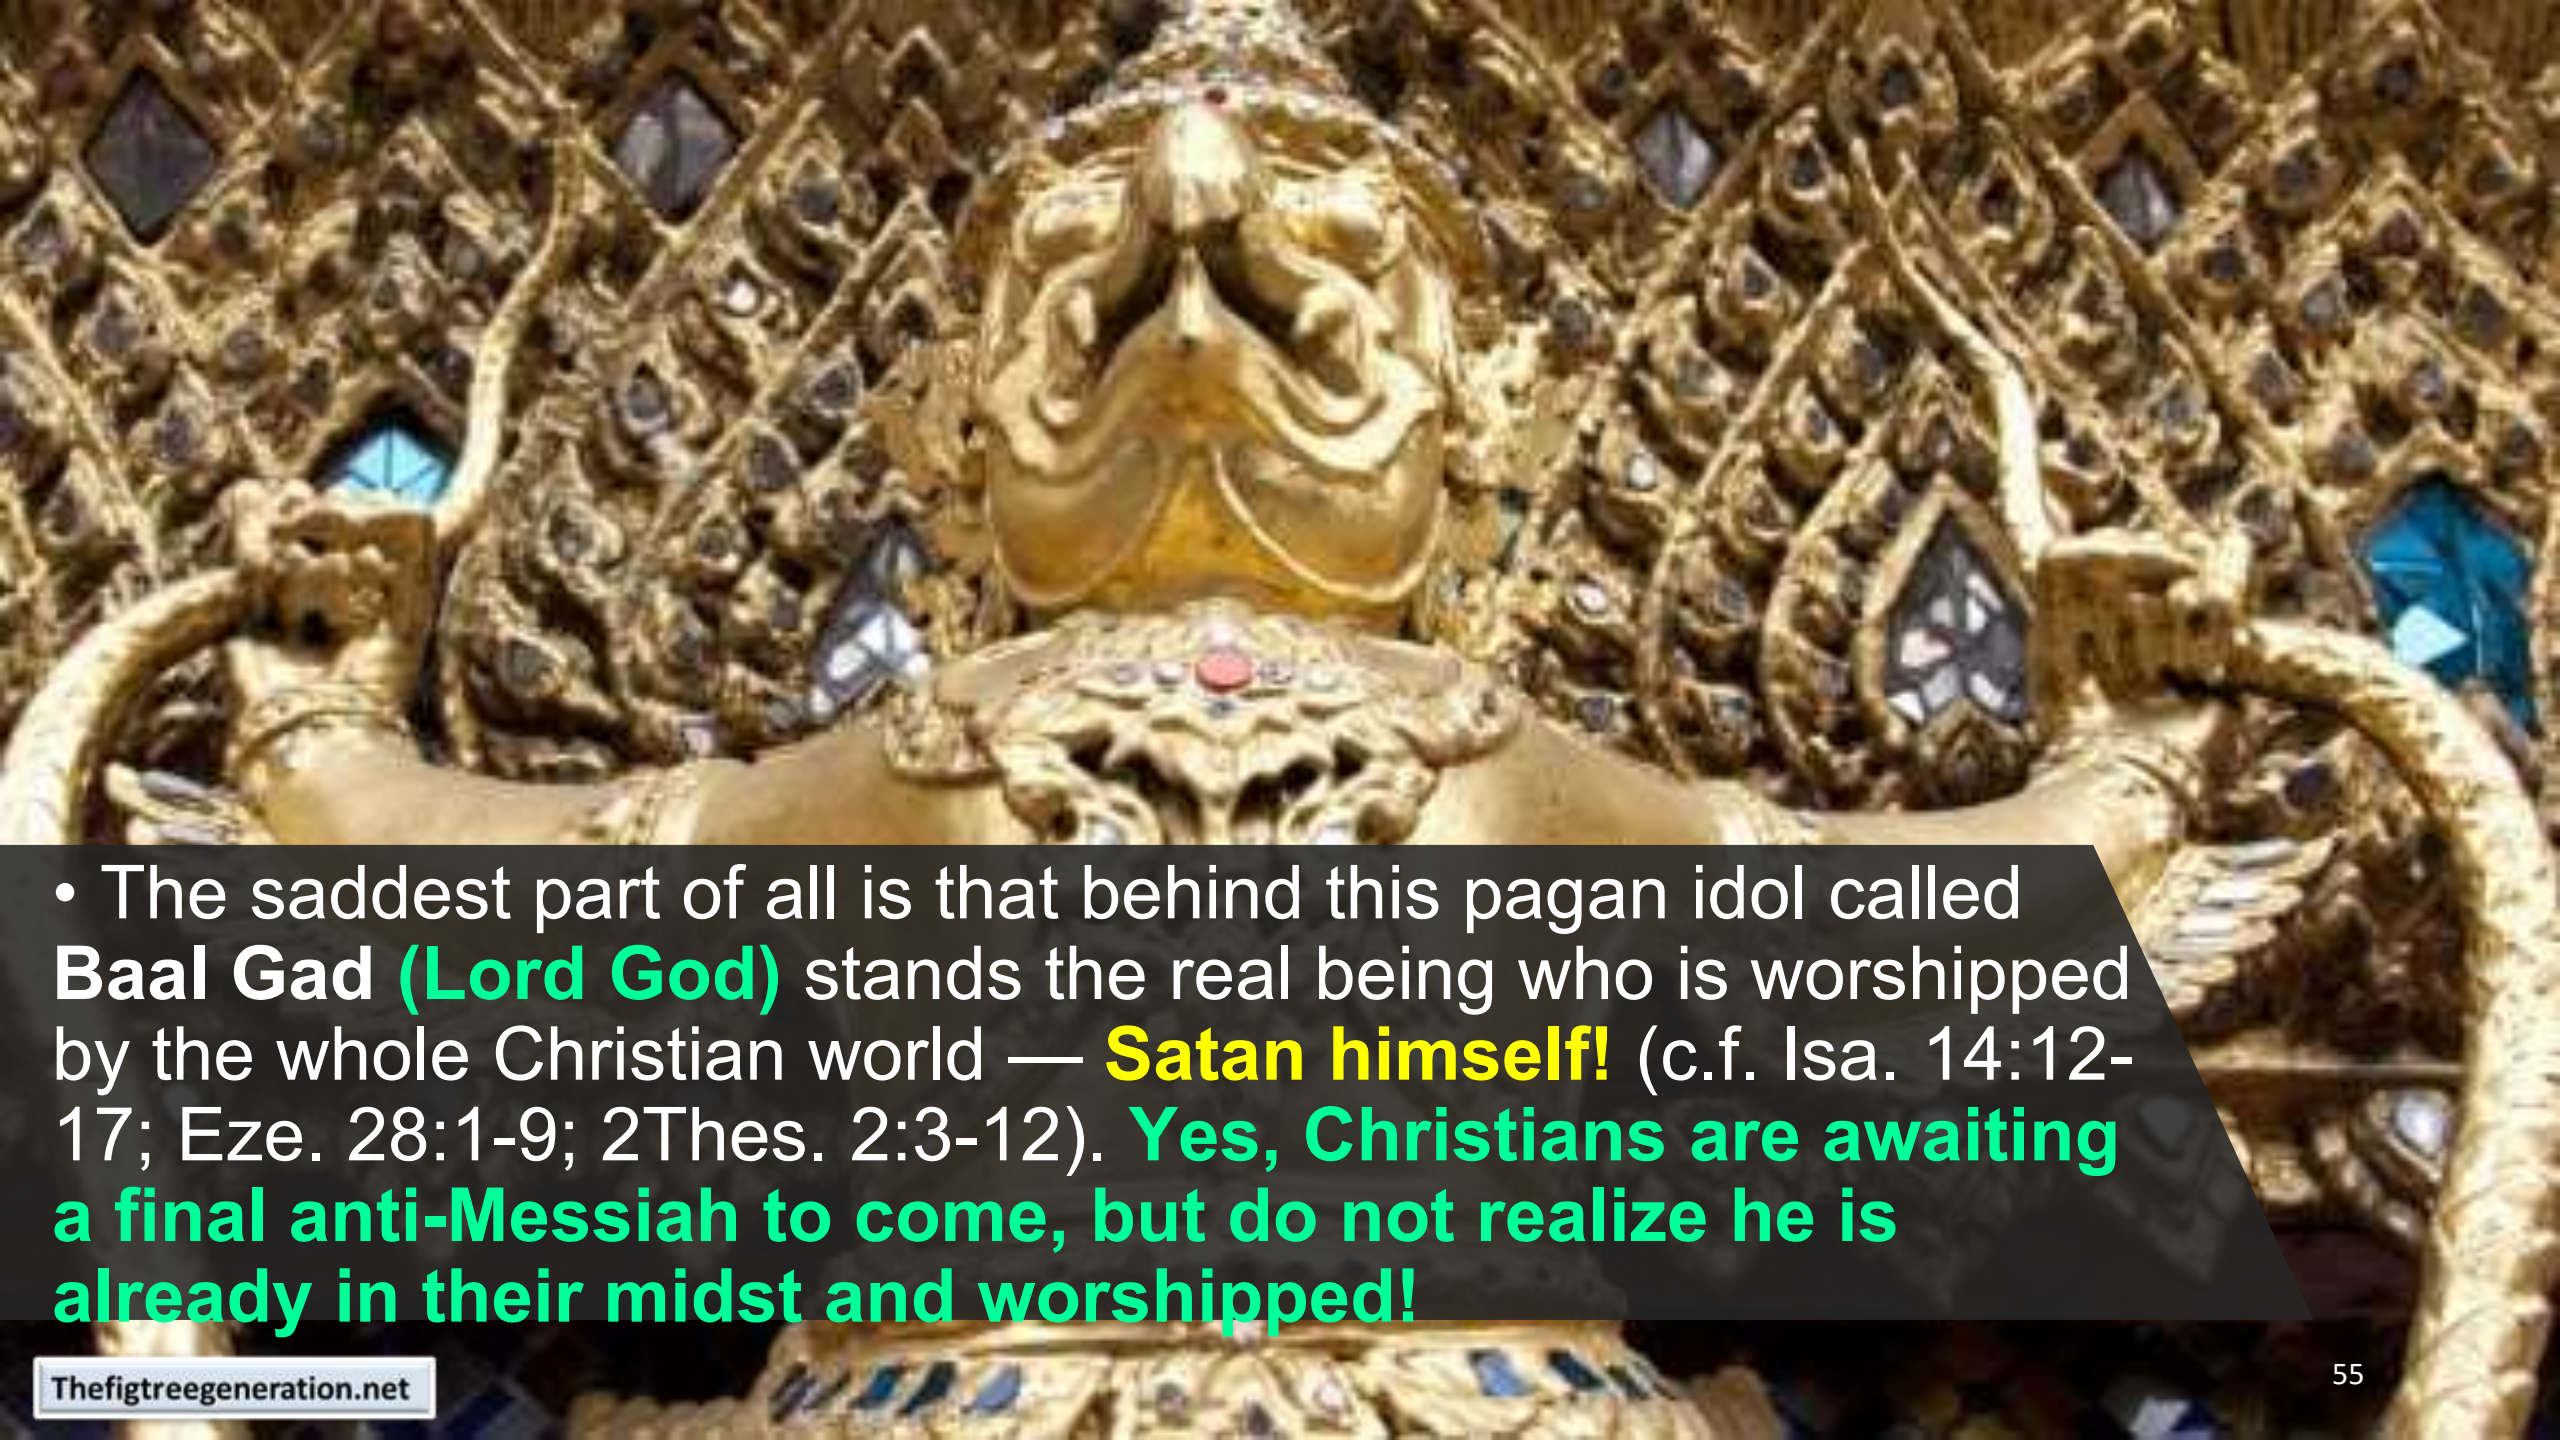

In the book of Job, when Satan appeared with the sons of Elohim before YHWH, he was asked, "**Whence comest thou?**" Satan's answer was, "**From going to and fro in the earth, and from walking up and down in it.**" (Job. 1:7, 2:2) Satan as Baal-Zebub (Lord of flies) does exactly what a gadfly and a gadabout does. He is a restless seeker after fun. He goes to and fro, up and down seeking to annoy others (especially man, but also YHWH) which he thinks is fun. No wonder James Strong said that Beelzeboul was a name for Satan (cf. Strong's #954 Greek Dictionary)."

- So, what have we learned from our study of a few Scriptures using the inspired Hebrew language and a few Greek words? We have learned that “**God**” was originally the name of an idol once worshipped in Babel (Babylon). It was later spread throughout the land of Canaan being picked up by the Canaanites and adopted by the children of Israel when they went into apostasy!

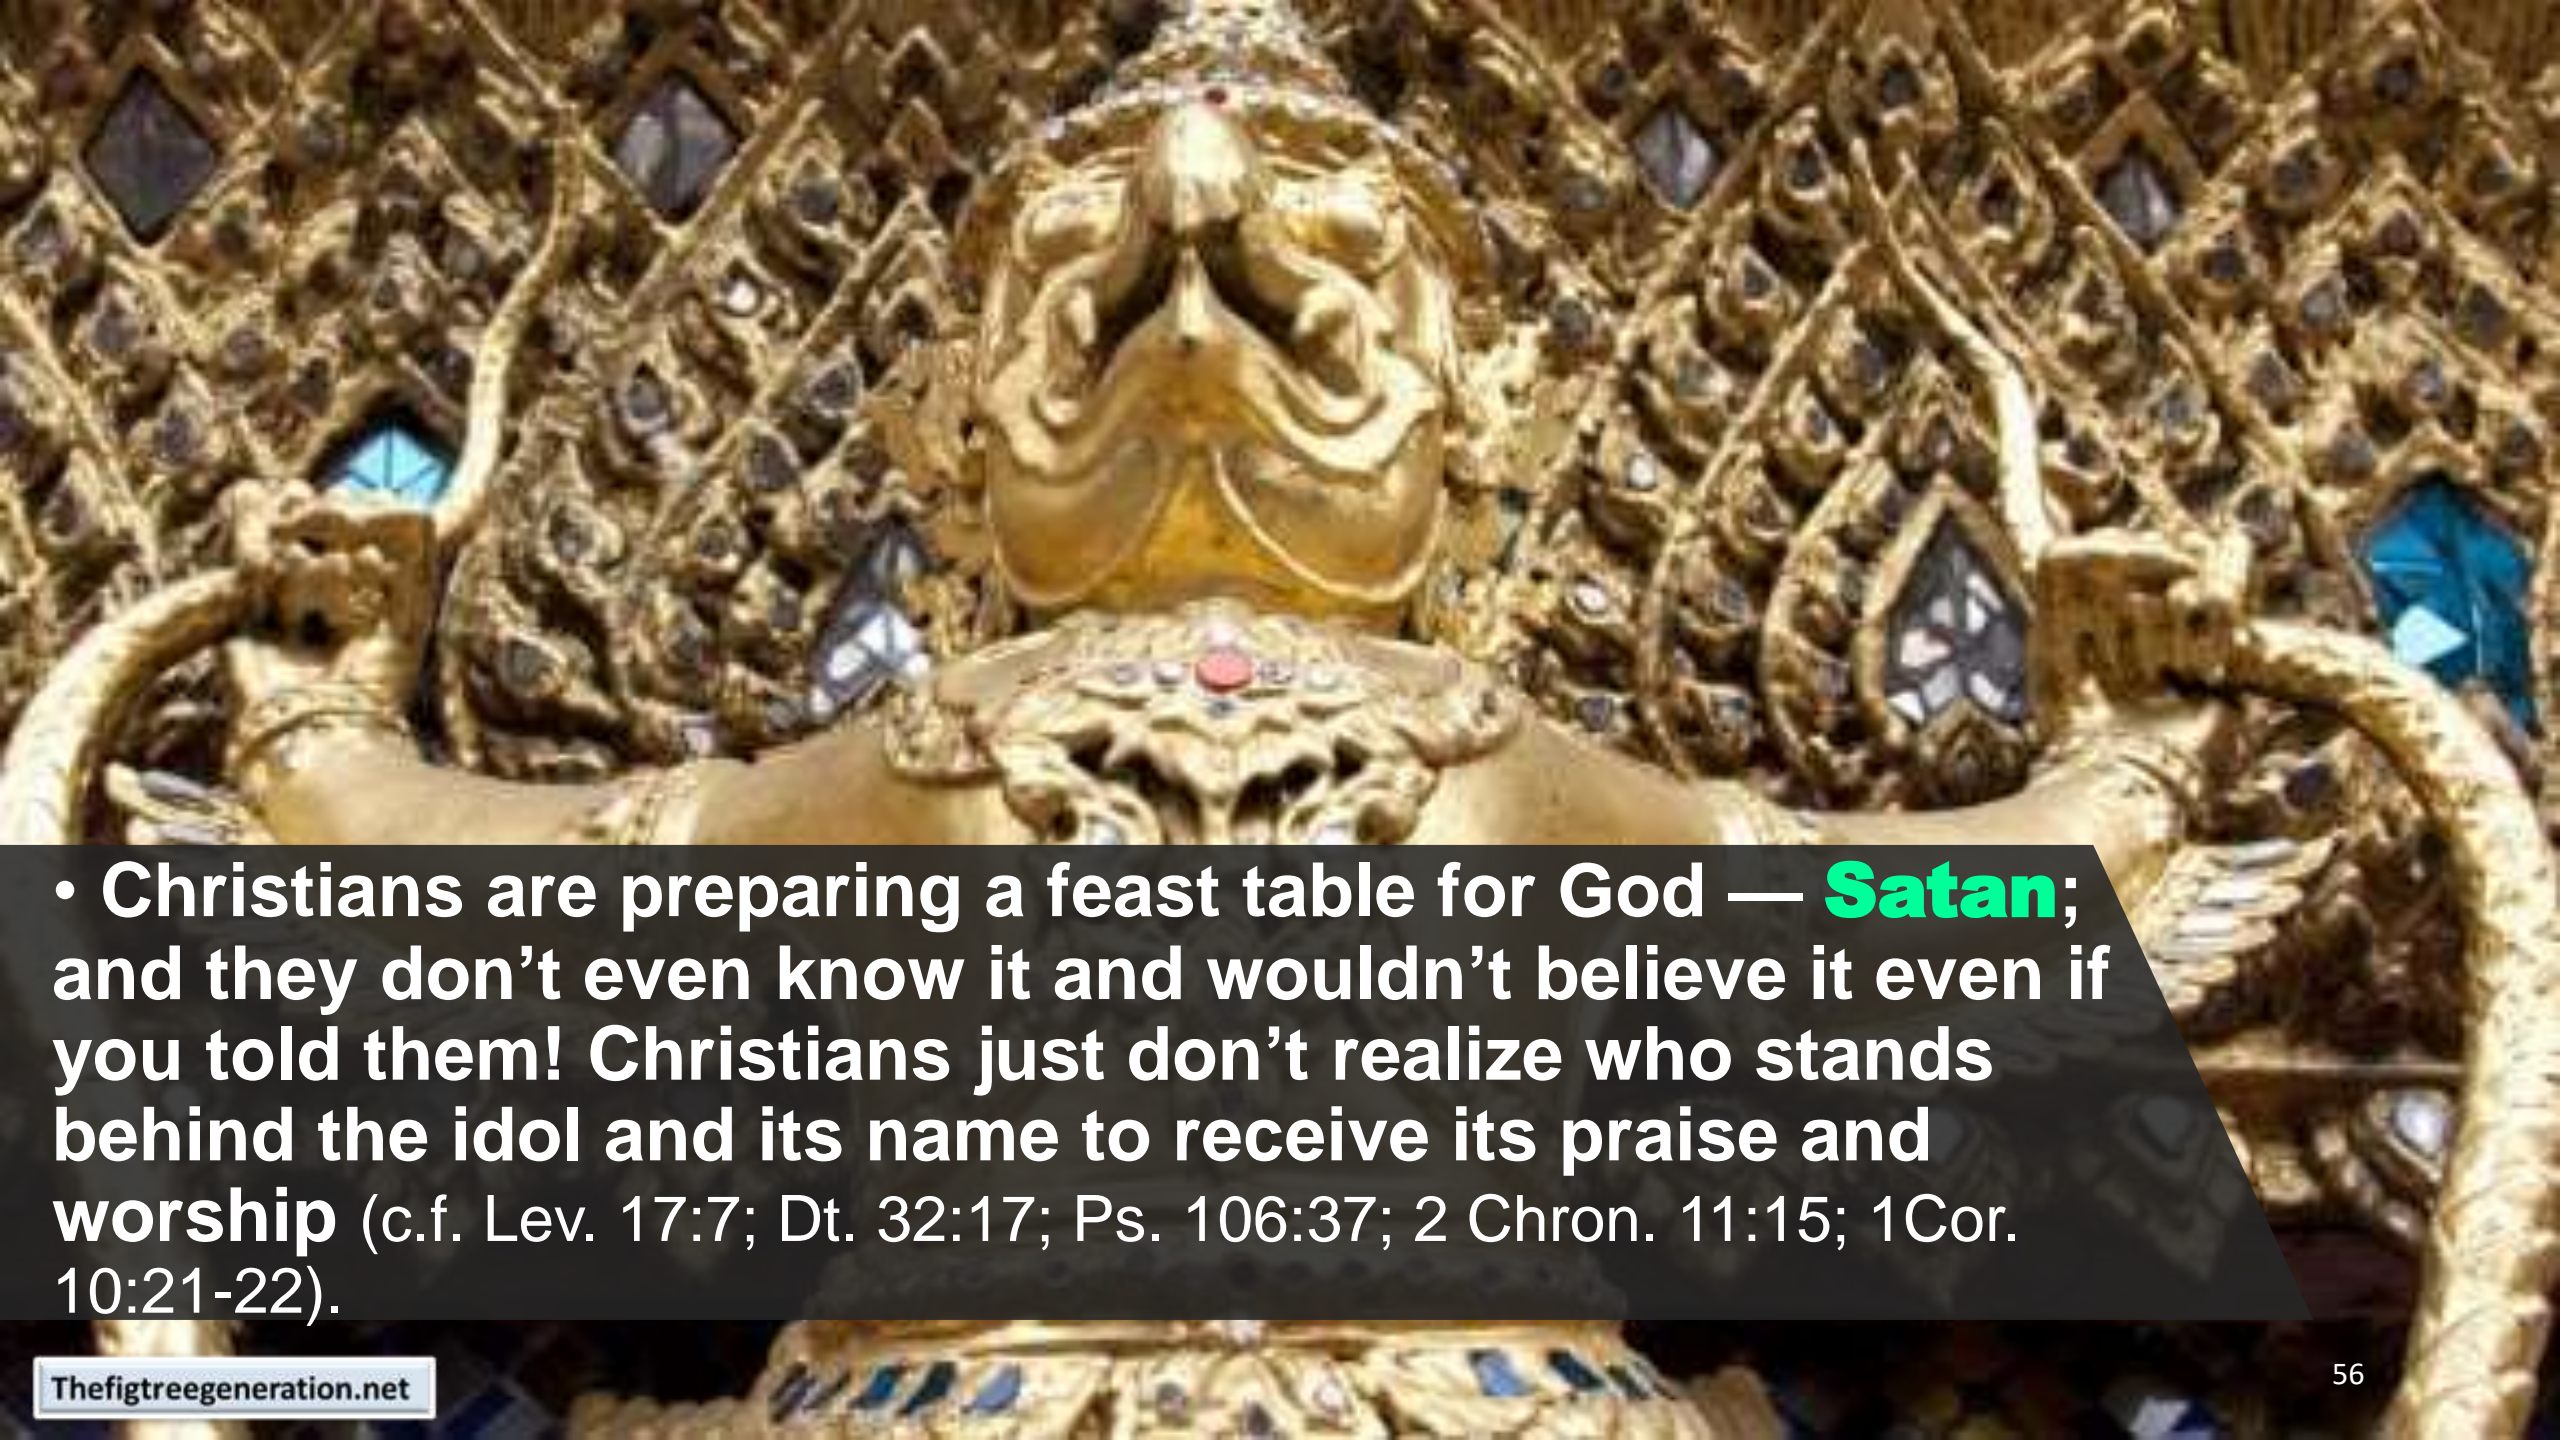

- We also have learned, from Isaiah 65:11-12, the shocking truth that many of YHVH'S people have been tricked into forsaking YHVH for this pagan idol by Satan playing "**word games**". (c.f. Jer. 2:10-13).

• The saddest part of all is that behind this pagan idol called **Baal Gad (Lord God)** stands the real being who is worshipped by the whole Christian world — **Satan himself!** (c.f. Isa. 14:12-17; Eze. 28:1-9; 2Thes. 2:3-12). **Yes, Christians are awaiting a final anti-Messiah to come, but do not realize he is already in their midst and worshipped!**

• Christians are preparing a feast table for God — **Satan**; and they don't even know it and wouldn't believe it even if you told them! Christians just don't realize who stands behind the idol and its name to receive its praise and worship (c.f. Lev. 17:7; Dt. 32:17; Ps. 106:37; 2 Chron. 11:15; 1Cor. 10:21-22).

- If you are a Christian, and you see the truth herein presented, what should you do about it?
- The Scriptures have the answer: **"Truly then, having overlooked these times of ignorance, YHVH now commands all men everywhere to repent."**
 - Acts 17:30.

‘Come and let us turn back to יהוה (YHVH) For He has torn but He does heal us, He has stricken but He binds us up. 2 After two days He shall revive us, on the third day He shall raise us up, so that we live before Him. 3 So let us know, let us pursue to know יהוה (YHVH) His going forth is as certain as the morning. And He comes to us like the rain, like the latter rain watering the earth.’ Hosea 6:1-3 (TS2009)

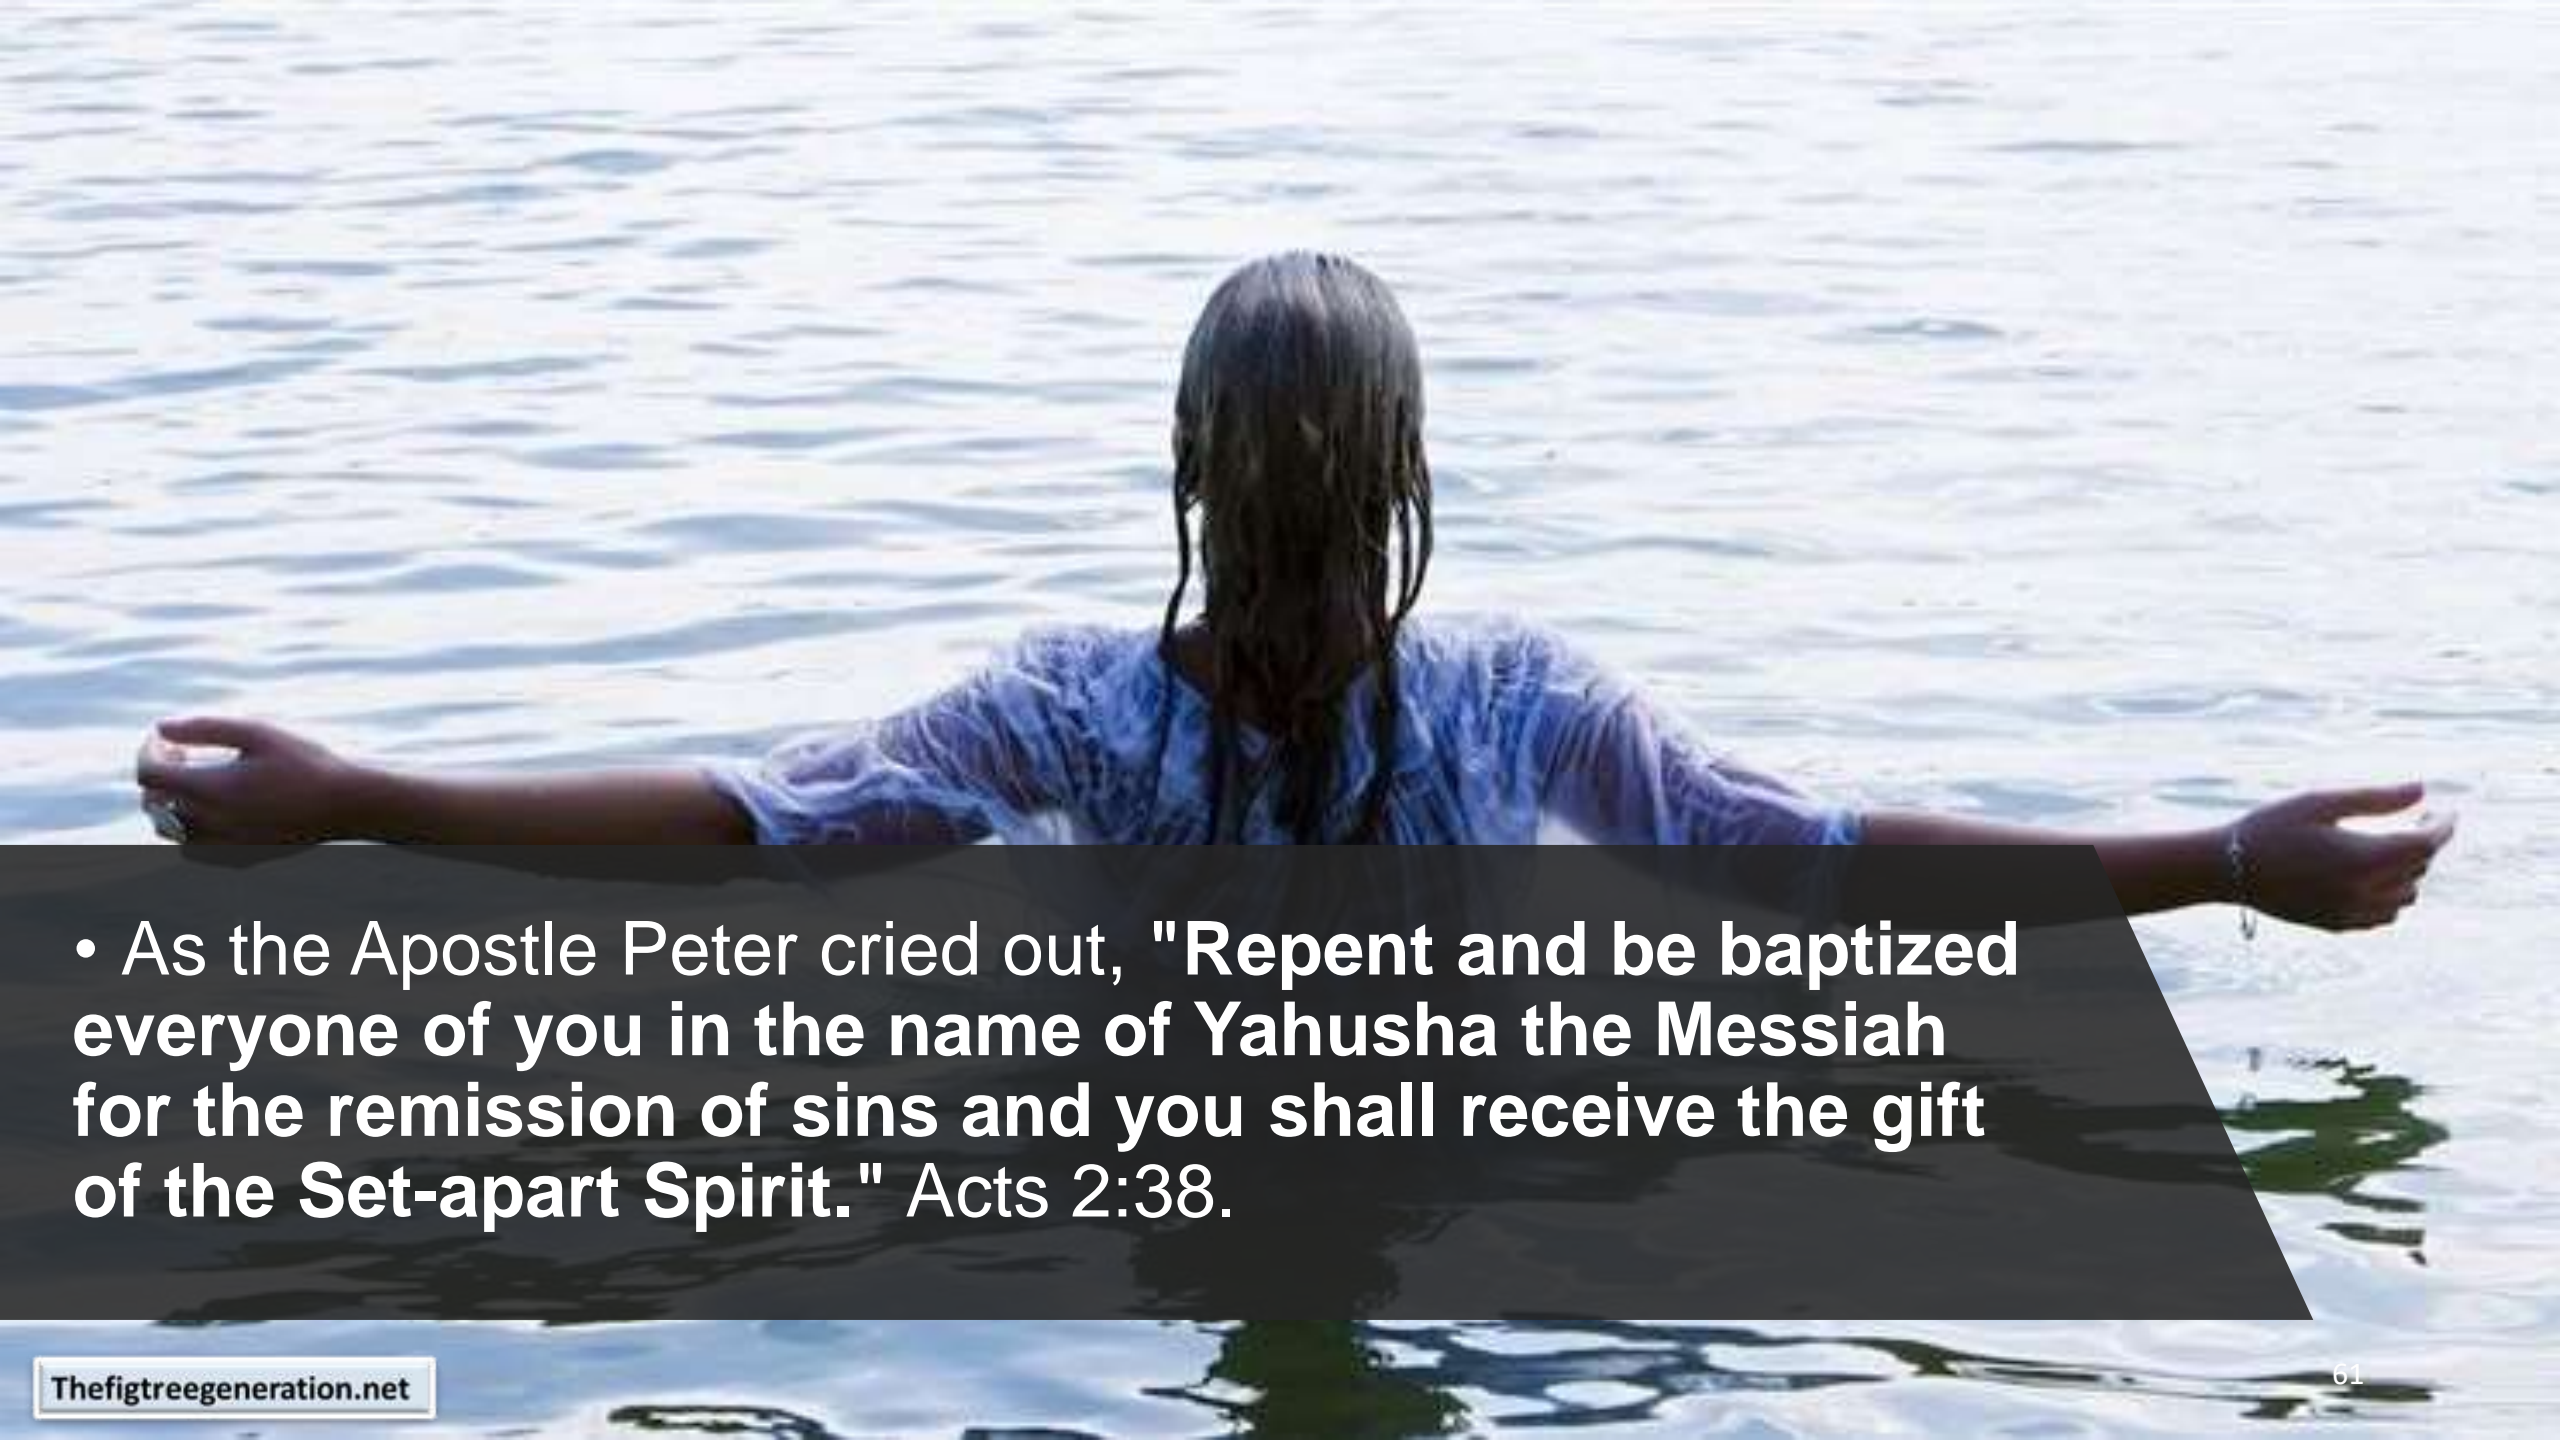

“O Yisra’ěl, return to יהוה (YHVH) your Elohim, for you have stumbled by your crookedness.

**2 Take words with you and return to יהוה (YHVH)
Say to Him, “Take away all crookedness, and accept what is good, and we render the bulls of our lips. 3 “Ashshur does not save us. We do not ride on horses, nor ever again do we say to the work of our hands, ‘Our mighty ones.’ For the fatherless finds compassion in You.” Hosea 14:1-3 (TS2009)**

And YHWH says, in response to our repentance, "**I shall heal their backsliding, I shall love them spontaneously.** What more had Ephraim to do with idols? It is I Who answer and look after him. I am like a green cypress tree, your fruit comes from Me. Who is wise? Let him understand these things. Who is prudent? Let him know them. For the ways of YHWH are right; the righteous walk in them, but transgressors stumble in them." Hosea 14:4-9." (TS2009)

- As the Apostle Peter cried out, "**Repent and be baptized everyone of you in the name of Yahusha the Messiah for the remission of sins and you shall receive the gift of the Set-apart Spirit.**" Acts 2:38.

NO OTHER NAME

Acts 4:10-12

In another place he reveals that the name of Yahusha Messiah is **the only name under heaven** whereby we must be saved. (Acts 4:12). We all need to work out our own salvation with fear and trembling (Philippians 2:12).

• IS JESUS
ALSO A
PAGAN
NAME?

Jesus is a blatant lie!

Jesus is Esus, the Gaelic/Celtic deity, mixed with Serapis and Jupiter/J Zeus, the chief of gods, the chief demon. That is why we are told to worship Yahusha Messiah as the Most-High **not the Greek Jesus!**

Most pagan names end with the letters US , for example:

Ven**US**

Ze**US**

Jes**US**!

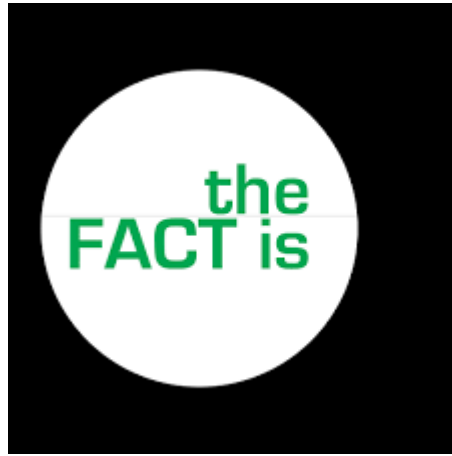

Mark 7:7, And in vain do they worship Me, teaching as teachings the commands of men.

Mark 7:8, “Forsaking the command of Elohim, you hold fast the tradition of men.”

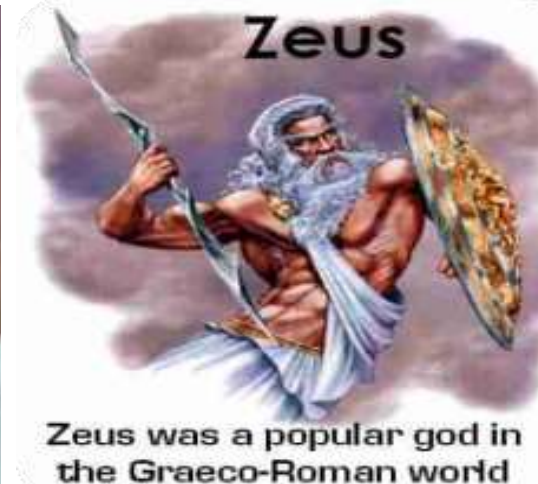

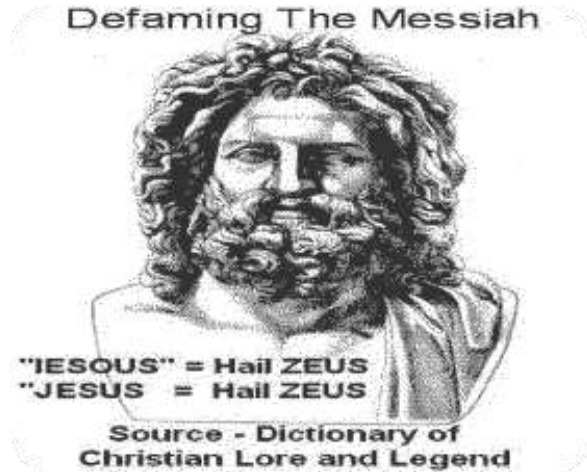

Luke 21:17, “And you shall be hated by all **because of My Name.”**

**If you believe and call on the wrong name you
believe in the wrong Elohim!
Lord, God and Jesus Christ are fake names in
honor of worshipping Satan.**

**If you did not know the truth, Yahuah sees your
heart, but once you know the truth and choose to
ignore it then it is sin to you, and you are breaking
the Third Commandment “Thou shalt not take the
Name of Yahuah thy Elohim in vain.”**

**Our Messiah's Name isn't Baal,
and it isn't Jesus or Christ either!**

Can you see the resemblance Jesus and Zeus?

Think about it...

If the Messiah was born a Hebrew with a Hebrew mother then He would have a Hebrew name! Is "Jesus" a Hebrew name? **No.**

Is it just merely coincidence that "Ieso" is the Greek goddess of healing, daughter of the chief deity Zeus?

Research reveals that the name "Jesus" is linked to the Greek Sun-god "Zeus" exposed in the book -COME OUT OF HER MY PEOPLE, by C. J. Koster

- **ANOTHER SHOCKER!**
- The Image of Jesus Christ is really Cesare Borgia son of Pope Alexander VI

So, the name Jesus Christ comes from the pagan god they call Je-Zeus Christ, Yea-sus or Yea-Zeus by the early heathen Christians. In the early 1500s, Pope Alexander VI employed Leonardo da Vinci to paint his son, Cesare Borgia, as Christ. Michelangelo first painted the most common religious image used in deceiving the world today. It is a picture of a blue-eyes European with blond hair, who they maliciously claim to be Jesus Christ. This false image was modelled after Cesare Borgia, who was the second son of so-called Pope Alexander VI, of Rome.

- I_H_S represents the pagan gods Isus, Horus, Seth, the pagan trinity.
- Many dictionaries admit that I-H-S is the abbreviation for Ihsous (Iesous). These are the pagan gods Isus Horace and Seb which the Catholic and Eastern Orthodox adopted as their Christian gods.

I-H-S is the mystery name that the Roman Catholic and Eastern Orthodox churches have on their altar, on their vestments, when they say mass.

The letters I-H-S is also on their host which they claim is the actual body of their fictitious god, Jesus Christ. One wonders why was the name of Yahusha changed when the name of Satan was left unmolested from the Hebrew into English?

The name Yeshua is NOT the name of our Savior, His name is YAHusha as He came in His Father's Name Yahuah. Yeshua comes from Judaism Jewish origin used as an insult to our Savior. The name used in the Talmud is "Yeshu" (meaning may his name be blotted out), of the Hebrew name Yeshua.

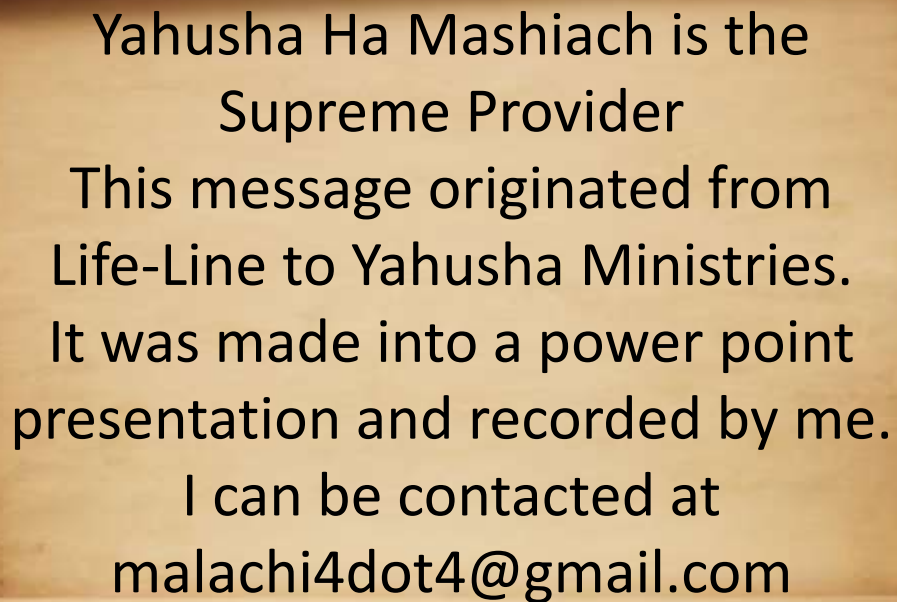

These are not correct and should not be used. Yahuah and Yahusha is the Name used in Ancient Hebrew and is mentioned much more times in the Scriptures as proof of being more accurate.

- Now that you know the truth repent and choose to call your Elohim by His Correct Names so you can truly be saved and not deceived!
