

Why
Yahuwah's
Covenant
Calendar is SO
Important to
understand!

PLEASE NOTE I USE THE TRUE NAMES OF OUR CREATOR AS THERE IS POWER IN HIS NAME.

- Elohim and LORD are Titles and is NOT His Name, Yahuwah is Our Heavenly Father.
- Jesus is a mask for Tammuz and means Hail Zeus, which is a Greek false god. Yahusha means Yah is our Salvation.
- Elohim means Mighty one or Mighty ones
- The real name of our Heavenly Father is YHVH (Yahuwah) in Paleo Hebrew the original Hebrew language and that Bible Translators admit to removing His Name over 7000 times from our Bibles and replaced it with the Title LORD (meaning Ba'al) and Elohim, which is being used for every false-Elohim or idol.

Let us be glad and rejoice and
give Him glory,
for the marriage of the Lamb
has come,
and His wife
has made herself ready.

Revelation 19:7

• **Have you ever wondered why there ARE so many different Feast Calendars of Yahuwah with people celebrating on different dates?** Yahuwah is not an Elohim of confusion. Everything in His Word is true and there to guide us to know when His Covenant Calendar to celebrate His Sabbaths and Feast Days at the right time so that all who believe in Yahuwah and Yahusha will celebrate His set-apart gatherings on the same days. Yahuwah's Covenant Calendar is based on Light, and its foundation is found in Genesis **when a day starts at dawn not at sunset** as many believers follow traditions of men.

Why is it important to celebrate all of Yahuwah's set-apart Gatherings **at the right time?**

Yahuwah's Set-Apart Gatherings are all **Wedding Rehearsals** for the Marriage Supper of the Lamb that will soon take place in the New Jerusalem. If the Bride has the wrong date for her Wedding, she will miss her Marriage to Yahusha and lose her eternal life. Every detail in Yahuwah's Blood Ratified Covenant is important to Him and it should be to us as well including understanding Yahuwah's Covenant Calendar.

Revelation 19:6,7, “And I heard as the voice of a great crowd, as the sound of many waters and as the sound of mighty thunders, saying, “Halleluyah, for יהוה (YHVH) Ėl Shaddai reigns! Let us be glad and rejoice and give Him praise, **for the marriage of the Lamb has come, and His wife prepared herself.**”

Q1 Where will we find the Blood Covenant of Yahuwah that tells us everything we need to know about his Commandments, statutes, judgments, Sabbaths and set-apart gatherings as well as how to live our life?

1

**From Genesis 1 to
Exodus 24:11**

Q2 Is Yahuwah's set-apart gatherings based on the phases of the moon?

2

The Hebrew term for moon is yerach (H3394) and yereach (H3391). This is not the same word as month (Chodesh H2320)...although concordances will lead you to believe that chodesh is “**moon or new moon**”. Scholars admit they are not positive of what the word “chodesh” means. There are no instructions in regarding the use of 2 witnesses for the sighting of the new moon. That is a tradition of men originating from Babylon. The moon was placed in the firmament on the 4th day of creation. **The moon had nothing to do with the first day of creation nor with the seventh day Sabbath as it was only created on the 4th day.**

Q3 So why did Yahuwah create the moon and what is the purpose of the moon?

3

Psalm 104:19 He (Yahuwah) appointed the moon for seasons; The sun knows its going down. The word “seasons” here is “moedim”. I had been taught that “moedim” referred only to Yahuwah’s Feasts, but recently discovered it means any appointed time, place or sign pre-arranged by Yah. The moon is used in agricultural purposes and as an appointed sign (i.e., blood moons and solar eclipses.)

4

Q4 Why are there so many Scripture's mentioning “new moon” if the moon has nothing to do with Yahuwah’s Calendar?

From translating the Hebrew Scriptures to Greek and then to English, the word month is the correct word that should have been used not moon. Moon in Hebrew is yerach (H3394) and yereach (H3391). Month is chodesh (H2320). Although scholars admit they are not sure of the definition of “chodesh”, we do know that Scripture speaks only of 12 Chodesh in a year!

A woman with dark hair is shown in profile, reading a book. The book is open and emits a bright, golden light that illuminates her face and the pages. The background is dark, making the light from the book stand out. The overall mood is one of quiet study and enlightenment.

Revelation 22:2, “In the middle of its street, and on either side of the river, was the tree of life, which bore twelve fruits, each tree yielding its fruit every month. **The leaves of the tree were for the healing of the nations.**”

1 Chron. 27:1-15, ...served the king in every matter of the military divisions. These divisions came in and went out month by month throughout all the months of the year, each division having twenty-four thousand. (Verses 2-15 show 12 divisions for each month.)

There will be no moon or sun in the New Jerusalem as Yahuwah will be the light, so this again proves that the moon has nothing to do with calculating Yahuwah's Covenant Calendar.

1 Kings 4:7, Solomon had twelve officers over all Israel, who provided food for the king and his household. Each man had to make provision for one month in the year.

Q5 Is Yahuwah's Covenant Calendar based on the Barley Harvest?

5

Abib is a sign regarding Yah's calendar. However, it is a second witness to the month in which Yah's Calendar starts. It is not an indicator that kicks off Yah's calendar. **Why?**

Deuteronomy 16:1 Observe the month of Abib and keep the Passover to Yahuwah your Elohim, for in the month of Abib Yahuwah your Elohim brought you out of Egypt by night. Abib is a sign regarding Yah's calendar. However, it is a second witness to the month in which Yah's Calendar starts. Barley matures at different times based on location. If this was important, Yah would have given detailed instructions on where to select the barley.

Nowhere in Scripture does it tell us to go by the barley in Jerusalem. Again, looking for the Barley is another of man's traditions.

6

Q6 Who wants your worship and has deceived millions with his deceptions not found in the Scriptures?

Lucifer wanted the worship that only Yahuwah deserves. He said **‘I will ascend into heaven; I will exalt my throne above the stars of Yahuwah; I will also sit on the mount of the congregation. On the farthest sides of the north; I will ascend above the heights of the clouds; I will be like the Most-High.’** Isaiah 14;13,14. The word “congregation” in verse 13 is the word Moedim (H4150)! **This means...Satan plans to sit on Yah’s Feasts, Yah’s Calendar (timing) and Yah’s Place of Worship.**

Q7 When did moon, stars and sun worship start?

7

When Nimrod died, he was the first human that became deified as the sun god, eventually named **Baal** (Lord). His wife, **Semiramis**, became the moon goddess (also named Ashtoreth). **Tammuz**, the illegitimate son, became the false messiah. These are the 3 main false gods of Scripture. They are also referred to as Baal, Ashtoreth and Tammuz.

Q8 What happened when Moses died?

8

They forsook Yahuwah and served Baal and the Ashtoreth's. And the anger of Yahuwah was hot against Israel. So, Yahuwah delivered them into the hands of plunderers who despoiled them; and He sold them into the hands of their enemies all around, so that they could no longer stand before their enemies. Judges 2:11 to 14. If we are pledging allegiance to a pagan tradition of following the moon's timing for our Feasts, then we are bowing to the Baals and Ashtoreth's in this world today which is all worship to Satan who created these deceptions.

➡ Moon worship is also connected to Israel baking cakes to the “**Queen of Heaven**” and Tammuz in Jeremiah 7;18. Jeremiah 19:5 they have also built the high places of Baal, to burn their sons with fire for burnt offerings to Baal, which I did not command or speak, nor did it come into My mind). **Child sacrifice to Baal is also associated with moon worship which is an abomination to Yahuwah.**

9

Q9 What punishment does Yahuwah give for worshipping the sun, moon and the stars?

Deuteronomy 17:2-7 "If there is found among you, within any of your gates which Yahuwah your Elohim gives you, a man or a woman who has been wicked in the sight of Yahuwah your Elohim, in transgressing His covenant, 3 who has gone and served other gods and worshiped them, either the sun or moon or any of the host of heaven, which I have not commanded. then you shall bring out to your gates that man or woman who has committed that wicked thing and shall stone to death that man or woman with stones. Whoever is deserving of death shall be put to death on the testimony of two or three witnesses. So, you shall put away the evil from among you." **Yahuwah calls moon followers wicked and evil worthy of death.**

Q10 How many other religions base their worship calendar on the moon?

10

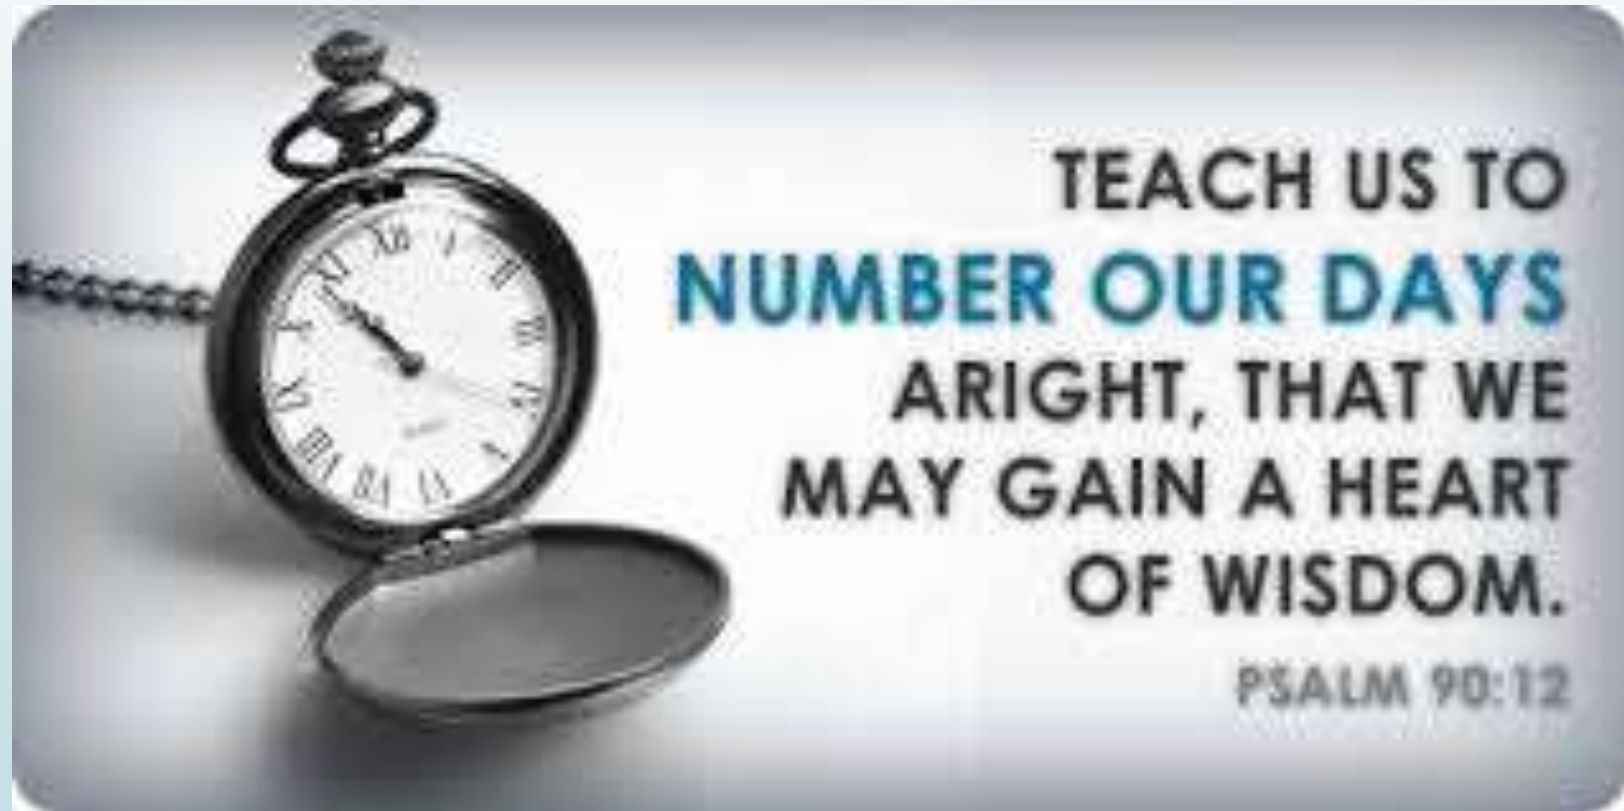

Christianity is centered in Sun worship. But did you know that **Judaism, Islam, Hindu and Buddhist** all establish their worship calendar on the moon.

Q11 What does Psalm 90:12 teach us to do?

Psalm 90"12 says,

11

Q12 How does Yahuwah's Covenant Calendar work?

12

If anything is too complicated and confusing you can be sure it is not from Yahuwah. Anyone who understands Yah's Calendar can calculate it because it is so simple that even a child can understand it.

Yahuwah's Calendar is calculated as follows:

1st Day after the Spring Equinox is the **1st day of the year**

Start counting...

Every 30 days is a Chodesh (new month) starting with day One (1). Start over on the 31st day as day One (1) of the 2nd month...and keep counting.

From day 1, count 14 days to Passover and 15 days to Unleavened Bread.

From First Fruits (day after the weekly Sabbath during ULB), we count 50 days to Shavuot.

Continue counting the months to Yom Teruah (Feast of Trumpets) – 1st Day of the 7th Chodesh
Yom Kippur (Day of Atonement) – 10th day of the 7th Chodesh

Sukkot – 15th day of the 7th Chodesh...lasts for 8 days

Keep counting the Chodesh till the end of the year.

Genesis 1:16 “Yahuwah made two great lights: the greater light to rule the day, and the lesser light to rule the night. He made the stars also.” (KJV)

What are the 2 great lights in verse 16?

You might be surprised...

If we examine the Hebrew wording, the words **“He made”** and **“also”** are not there. So, the verse says, 16 **“Then**

Yahuwah made two great lights: the greater light to rule the day, and the lesser light to rule the night, the stars.”

(TS2009)

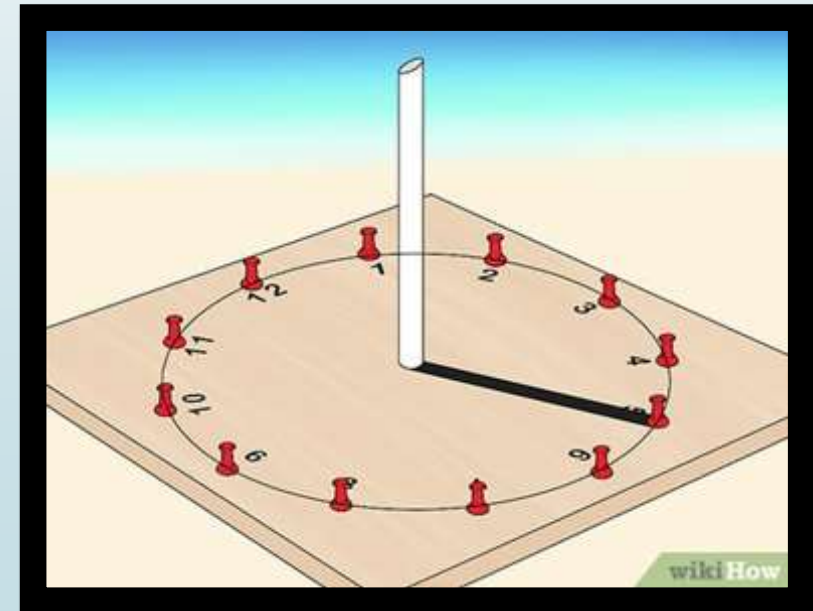

Q13 What are some things about the moon that we thought were true but are not found in Scripture?

I've always assumed the lesser light was the moon but the moon has no light of its own. The sun reflects on the moon making it look like the moon has light.

13

Q14 Visualize a time clock and ask yourself how does it apply to Yahuwah's time clock?

14

If you look at a clock. Instead of numbers, Yah has placed a series of 12 constellations in a circle around the earth. The Hands on a clock show you the time. Yah's clock works the same way! The **“hand”** is the sun as it is moving through the constellations! Not only does the sun's movement through the sky every day tell us the time of day...the sun's location within the constellations tell us the timing of the year as well!

Q15 What is the Mazzaroth?

Mazzaroth is a Hebrew word for constellation of stars. Zodiac - the twelve constellations, one assigned for each month thus giving us 30 Biblical days in a month and twelve months in a year totaling 360 days in a Biblical year. The Mazzaroth Light = Knowledge = from the constellations. The position of the Sun's Light = Timing = within the Mazzaroth. **Did you notice that the moon is not mentioned as part of this equation?**

15

Q16 Why does Revelation 12;1 speak about a woman clothed with the sun and the moon under her feet and what does this mean??

At the end of time, Yahuwah's people would restore the old paths and again worship Yahuwah in spirit and in truth. The moon under her feet shows that the true Bride of Yahuwah would not look to the moon for Yahuwah's Covenant Calendar as the moon has no light of its own. **Under her feet shows that the moon has no authority, and the following Scriptures prove this.**

16

Psalm 47:2-3, “For Yahuwah Most High is awesome; He is a great King over all the earth. 3 He will subdue the peoples under us, And the nations under our feet.”

Ephesians 1:22, “And He put all things under His feet, and gave Him to be head over all things to the assembly.”

► **Under Her Feet** through the Revelation 12 sign, Yah is indicating that the moon (whom so many have lifted up higher than any other heavenly body) will ultimately end up in the lowest position of all...under the feet of the virgin. The virgin symbolizes the Bride! The Bride doesn't lift up the moon! Now that we know that the stars and sun play a part in Yah's calendar, where do we go from here?

Q17 What is the Equinox (Tekufah)?

The Equinox is a “Celestial Event” designed as a sign for determining time. It does not rely solely on a single orb but is a combination of multiple identities in the heavens. These are the:

- 1 Mazzaroth constellations – the stars
- 2 Sun – the orb itself declares accurate positioning
- 3 Light – emitted from the sun which facilitates a shadow
- 4 Earth – a vantage point for measuring purposes

17

The combination of these 4 celestial identities (Mazzaroth, Sun, Light and Earth) permits a visible sign necessary for us to determine time as designated in the Scripture. Take out one and it doesn't work. This combination prevents man from identifying one celestial creation for worship purposes. Yahuwah purposely made it a combination to prevent sun or star worship!

Equinox is when the center of the sun crosses over the earth's equator...from one hemisphere to another indicating the change in seasons...from winter to summer.

It is when the sun rises due east, follows a perfect arc, and sets due west.

There are 2 equinoxes in a year – Spring (Vernal) and Fall (Autumnal)

Spring Equinox can occur on March 19, 20 or 21. Most common is the 20th, then 21st, rarely the 19th.

Fall Equinox occurs on or around Sept. 23rd

Q18 Why did Yahuwah's 360-day calendar change to 5 extra days?

Our answer lies with Hezekiah's shadow miracle/sign. By Yahuwah moving the shadow back 10 "steps", the length of the year changed from a 360-day calendar to 365 days. The term "steps" is sometimes referred to as degrees on a sun dial...however, the word "degree" is most likely a translation error. Hezekiah's shadow miracle/sign happened around 701BC.

18

This sign is recorded **3 times** in the Bible (VERY significant!)

2 Chronicles 32:24

2 Kings 20:9-11

Isaiah 38:7-8

Yahuwah did this on purpose to stop Israel from following the moon calendar and using it to worship Him.

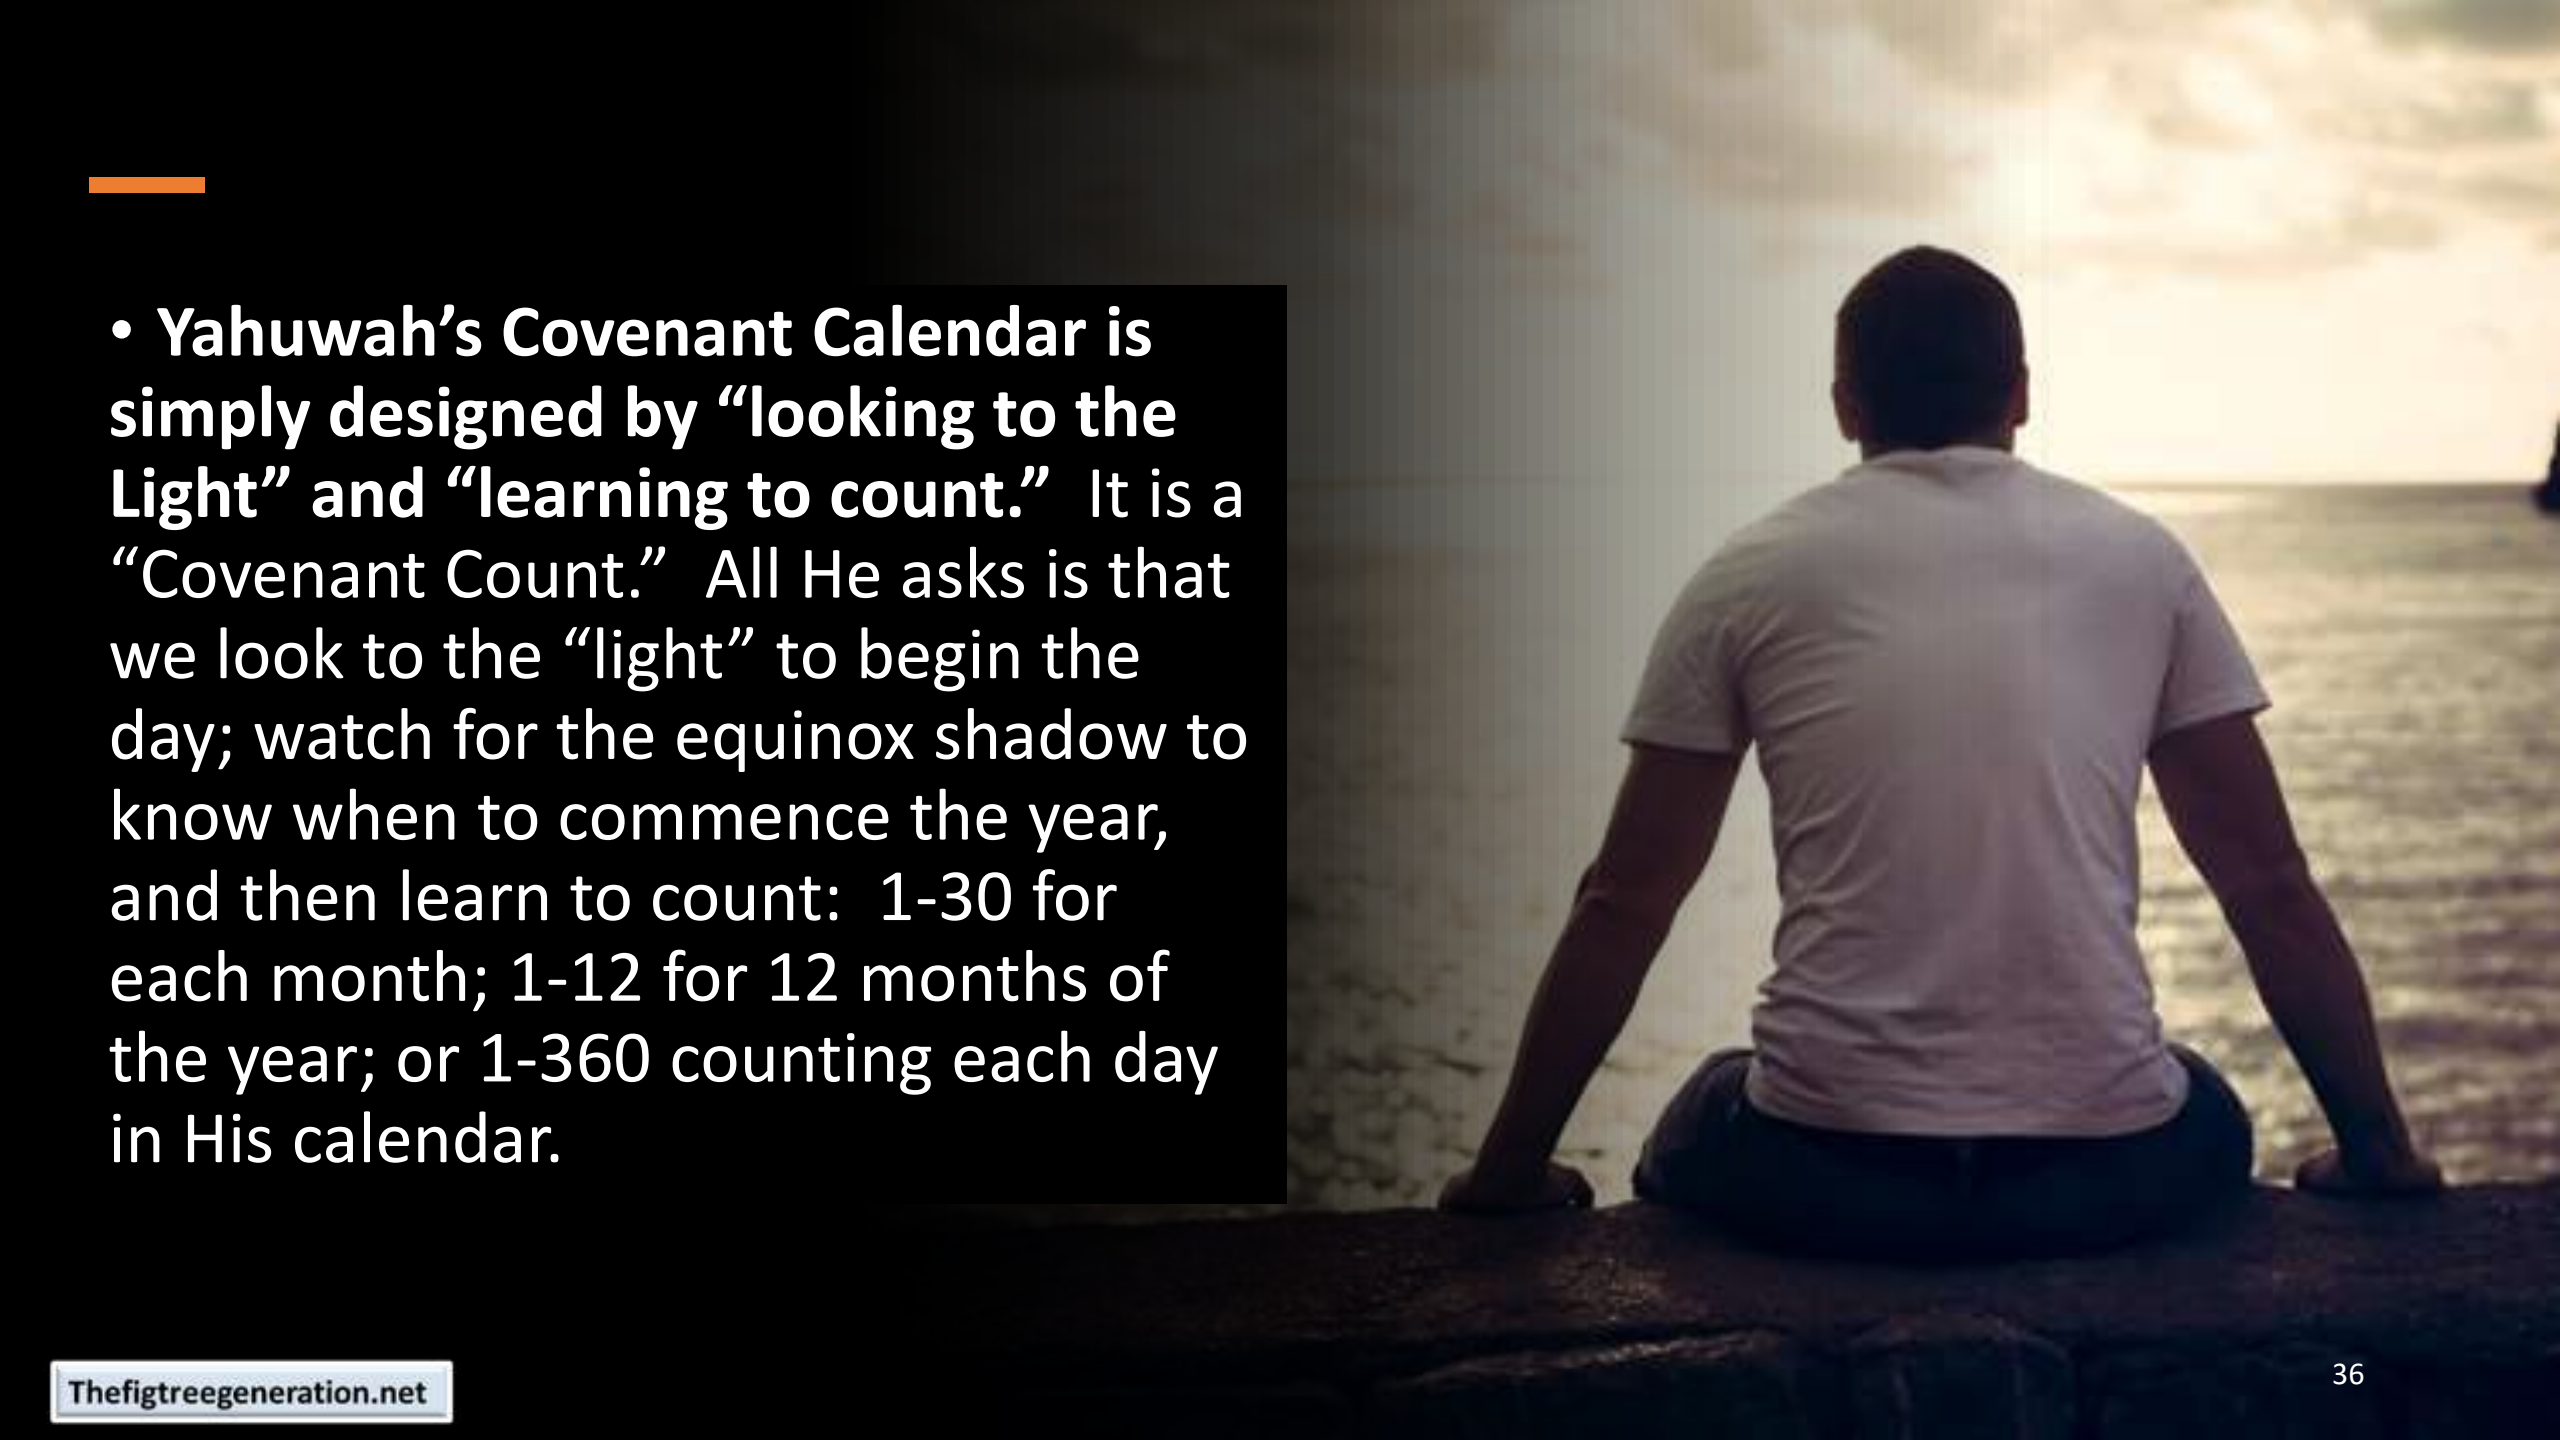

Q14 Yahuwah's annual calendar is 360 days. What happens to the extra days at the end of the 12 months of 30 days each?

Just let the extra days end before starting again at the equinox to start Yahuwah's New Year again.

19

TO CONCLUDE!

A man in a white t-shirt is sitting on a dark rock, looking out at the ocean at sunset. The sun is low on the horizon, creating a bright glow over the water. The man's back is to the camera, and his arms are resting on the rock.

• **Yahuwah's Covenant Calendar** is simply designed by “looking to the Light” and “learning to count.” It is a “Covenant Count.” All He asks is that we look to the “light” to begin the day; watch for the equinox shadow to know when to commence the year, and then learn to count: 1-30 for each month; 1-12 for 12 months of the year; or 1-360 counting each day in His calendar.

Because HE (Yahuwah) knows the “**end from the beginning**” (Isa 46:9-10) and promises that we too can know the “end from the beginning” He has shown by many timeline prophecies in Revelation that His calendar will be re-instated before the end of time. 1260 days (in Rev 11, 12 and 13) is equal to 42 months of 30 days each.

There is no provision for any year in those 3½ years to have an additional 13th month.

These timelines are specifically given for the Bride to know how to walk out her steps in the last days of an urgent message to the world to repent before it is too late.

- What an incredible “sign” from our Master of the Covenant Calendar to provide for His Bride and His people everywhere that when our current year goes back to the way it was in the beginning – back to only 360 days/year. This indeed is a huge sign to His people that indeed He is still in control.
- There is however one brilliant instance when the number 13 provides a very strong example for calendar considerations. **It was upon the 13th march around the central center of moon worship – Jericho – that Yahuwah felled the walls (foundation) of the city and its lunar based system of worship.**

- The chosen people of Yahuwah then walked into the city with the lunar foundation for worship under their feet as seen prophetically in Revelation 12:1 – Bethula, Yahuah's chosen Bride, seen with the moon (lunar-based worship) under her feet.

REVISITING HOW YAHUWAH'S COVENANT CALENDAR WORKS

Determine Vernal Equinox for the year.

Day 1 of Month 1 begins the morning of the day after the Vernal Equinox.

Each Month is 30 days long...start counting!

Day 14 of Month 1 is Preparation Day with Passover starting at evening.

The Feast of Unleavened Bread begins the next morning. **Day 15** at dawn thru Day 21 at evening.

- **First Fruits** is the day after the weekly Sabbath during (or right after) the week of Unleavened Bread. It always occurs on a Sunday. First Fruits is Day 1 of the Omer count. From this day, count 7 weekly Sabbaths (49 days).

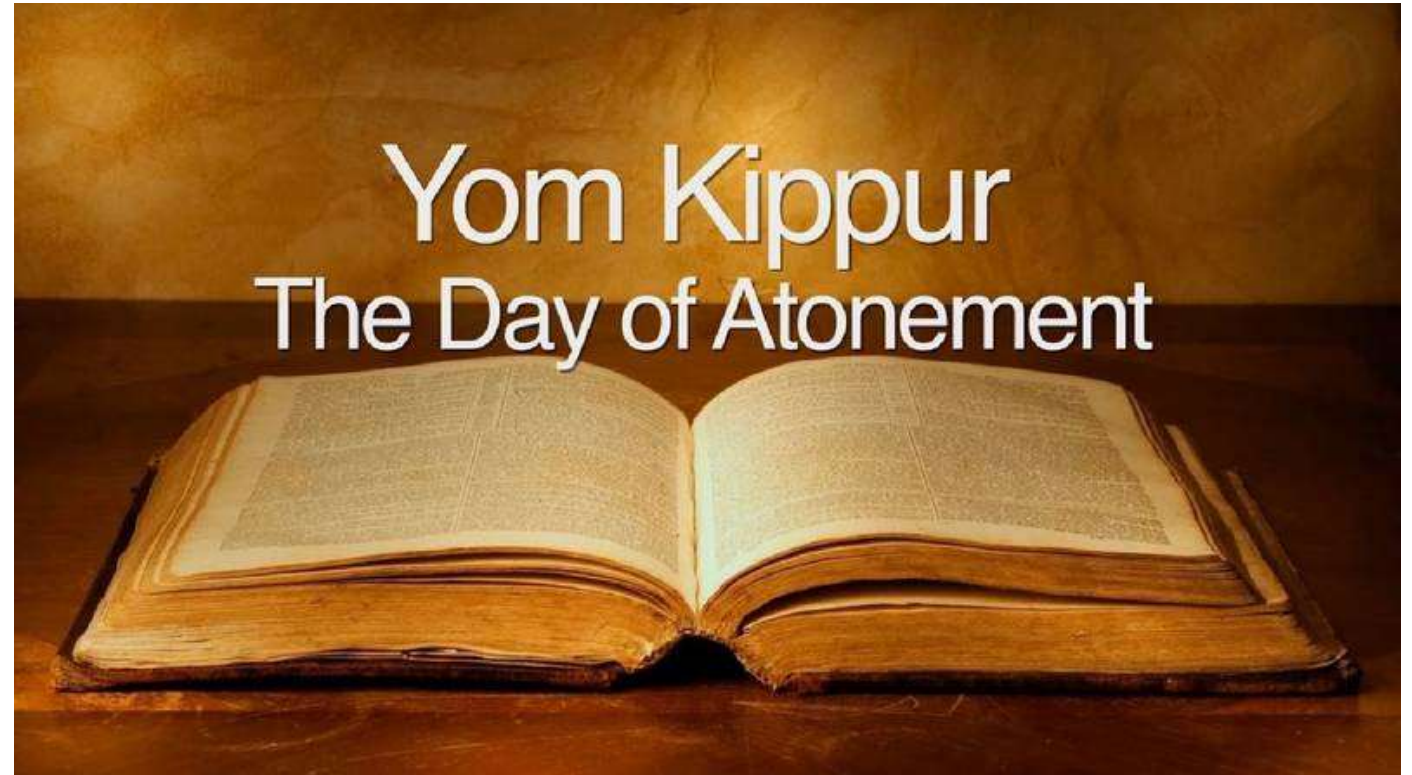

- The following day (Day 50) is **Shavuot**. It always occurs on a Sunday.
- Months – Starting from Day 1 of Month 1, count 30 days. This is Month 1. The following day is the beginning of Month 2. Continue your 30-day count thru all 12 Months. At the end of Month 12, you will have 5-6 extra days.

**Yom
Teruah**
(Feast of
Trumpets) is
Day 1 of
Month 7

- **Yom Kippur** (Day of Atonement) – “Affliction of your soul” starts on the evening of Day 9 of Month 7 and goes thru evening of the 10th (between the evenings). However, the Day of Atonement goes from dawn to dawn. First ½ is service and final cleansing. Second ½ is celebration (and eating)!

- 
- A group of five people (three men and two women) are standing under a thatched roof structure, likely a Sukkot booth. They are dressed in business attire. The background shows a cityscape with stone buildings and trees. The scene is set outdoors, possibly on a hillside. The text overlay is positioned in the lower half of the image.
- **Sukkot** (Feast of Tabernacles) starts on Day 15 of Month 7 and lasts 8 days (Day 22 of Month 7).

False gods In Abraham's Time still being worshipped today!

Abraham's father, Terah, served other gods. (Joshua 24:2)

They moved to Haran, where temple is dedicated to moon worship.

Abraham left Haran, but Laban didn't.

Rachel stole Laban's images (Gen. 31:19).

The word Images is H8655, teraphim, a family idol. TERaphim = Great grandfather TERAh.

Laban's name (H3837) is related to lebanah (H3842) meaning whiteness (color of the moon). The spelling, pronunciation and word numbers connect Laban's name to the moon.

Terah's business of making idols would have been passed down through the generations, thus creating a line of precious family idols that Rachel stole.

Everything points these family idols to moon worship in Babylon (Laban/Labanah).

Apostasy magnifies after Moses dies. Judges is where the first mention of both Baal and Ashtoreth are given together.

Judges 2:11-14, “Then the children of Israel did evil in the sight of Yahuwah and served the Baals; 12 and they forsook Yahuwah the Elohim of their fathers, who had brought them out of the land of Egypt; **and they followed other gods from among the gods of the people who were all around them,** and they bowed down to them; and they provoked Yahuwah to anger. ...

A woman is shown in profile, reading a book. The book is illuminated from within, creating a bright, ethereal glow that casts light on her face and the surrounding dark space. The background is black, making the light from the book stand out prominently.

... 13 They forsook Yahuwah and served Baal and the Ashtoreths. 14 And the anger of Yahuwah was hot against Israel. So, He delivered them into the hands of plunderers who despoiled them; and He sold them into the hands of their enemies all around, so that they could no longer stand before their enemies.”

**If we are pledging
allegiance to a pagan
tradition of following the
moon's timing for our
Feasts, are we bowing to
the Baals and Ashtoreth's in
this world today..**

- By the time we get to Jeremiah, the Israelites **were baking cakes for the queen of heaven and sacrificing their sons and daughters (human sacrifices) to Baal.**

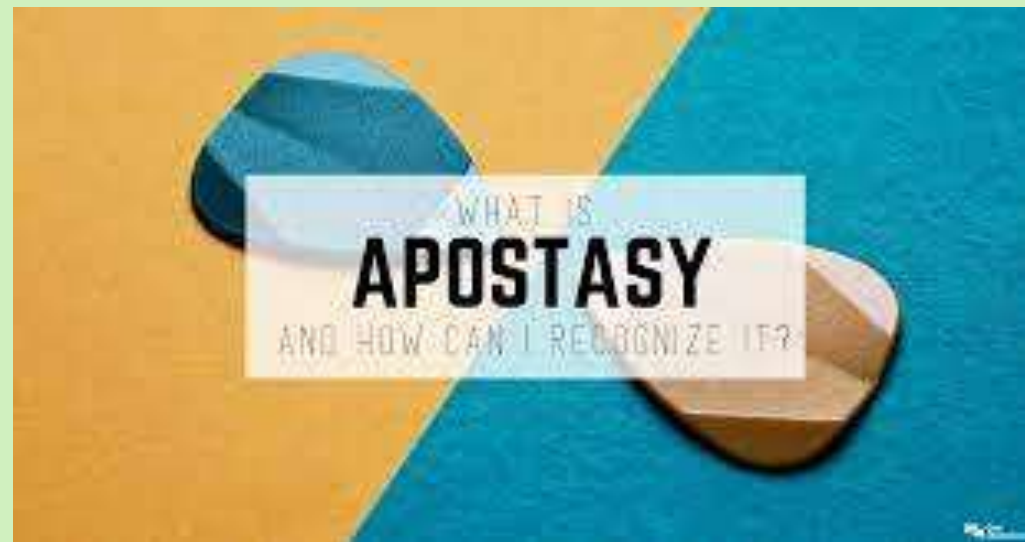

Jeremiah 19:5, “they have also built the high places of Baal, to burn their sons with fire for burnt offerings to Baal, which I did not command or speak, nor did it come into My mind).”

Jeremiah 7:18, “The children gather wood, the fathers kindle the fire, and the women knead dough, to make cakes for the queen of heaven; and they pour out drink offerings to other gods, that they may provoke Me to anger.”

APOSTASY INFILTRATES GOVERNMENT AND TEMPLE.

2 Chronicles 33:3-6, “For he rebuilt the high places which Hezekiah his father had broken down; he raised up altars for the Baals and made wooden images; and he worshiped all the host of heaven and served them. 4 He also built altars in the house of Yahuwah, of which Yahuwah had said, “In Jerusalem shall My name be forever.” 5 And he built altars for all the host of heaven in the two courts of the house of Yahuwah. 6 Also he caused his sons to pass through the fire in the Valley of the Son of Hinnom; he practiced soothsaying, used witchcraft and sorcery, and consulted mediums and spiritists. He did much evil in the sight of Yahuwah to provoke Him to anger.”

2 Kings 23:4-5, “And the king commanded Hilkiah the high priest, the priests of the second order, and the doorkeepers, to bring out of the temple of Yahuwah all the articles that were made for Baal, for Asherah, and for all the host of heaven; and he burned them outside Jerusalem in the fields of Kidron and carried their ashes to Bethel. 5 Then he removed the idolatrous priests whom the kings of Judah had ordained to burn incense on the high places in the cities of Judah and in the places all around Jerusalem, and those who burned incense to Baal, to the sun, to the moon, to the constellations, and to all the host of heaven.”

Jer. 8:1-5, “At that time,” says Yahuwah, “they shall bring out the bones of the kings of Judah, and the bones of its princes, and the bones of the priests, and the bones of the prophets, and the bones of the inhabitants of Jerusalem, out of their graves. 2 They shall spread them before the sun and the moon and all the host of heaven, which they have loved and which they have served and after which they have walked, which they have sought and which they have worshiped. They shall not be gathered nor buried; they shall be like refuse on the face of the earth. ...

... 3 Then death shall be chosen rather than life by all the residue of those who remain of this evil family, who remain in all the places where I have driven them,” says Yahuwah of hosts. 4 “Moreover you shall say to them, ‘Thus says Yahuwah: “Will they fall and not rise? Will one turn away and not return? 5 Why has this people slidden back, Jerusalem, in a perpetual backsliding? They hold fast to deceit; they refuse to return..”

Yahuwah says the death penalty for worshipping the sun, the moon and the stars is death by stoning! So how can you use these created objects in your worship to Yahuwah? That applies to Judaism, Christianity and Islam etc.

A night sky with a crescent moon, stars, and a bright light source behind clouds reflected in water.

**JUDGMENT- MOSES SAID “DON’T LIFT UP
YOUR EYES TO THE SUN OR MOON”**

Deuteronomy 17:2-7, “If there is found among you, within any of your gates which Yahuwah your Elohim gives you, a man or a woman who has been wicked in the sight of Yahuwah your Elohim, in transgressing His covenant, 3 who has gone and served other gods and worshiped them, either the sun or moon or any of the host of heaven, which I have not commanded, 4 and it is told you, and you hear of it, then you shall inquire diligently. ...

... And if it is indeed true and certain that such an abomination has been committed in Israel, 5 then you shall bring out to your gates that man or woman who has committed that wicked thing and shall stone to death that man or woman with stones. 6 Whoever is deserving of death shall be put to death on the testimony of two or three witnesses. So, you shall put away the evil from among you.”

What about Today? Christianity is another word for paganism, it is centered in sun worship and Judaism, Islam, Hindu and Buddhist is centered in moon worship. All the things that Yahuwah hates and calls an abomination.

We are told in Revelation 18:4,5 “to Come out of her my people”. Come out of all false systems of worship, back to Yahuwah’s Covenant Calendar where His Bride will know her wedding date and spend eternity with Yahusha her Bridegroom.

Why Yahuwah's Covenant Calendar is SO Important to understand!
