Congratulations **CHSNAF**

on our 20th Anniversary, 2005 – 2025

**We, the North East Chapter are blessed
to be part of the CHSNAF's accomplishments
through its first 20 years:**

- Scholarship grants awarded to deserving students of the five SSpS schools
- Support of the SSpS Indigenous Missions for the Aeta community in Capas, Tarlac and in the Mangyans communities in Roxas, Oriental Mindoro and in Sablayan, Occidental Mindoro
- Educational grants provided to Aeta and Mangyan college students
- Support of the Global Reforestation Program
- Completion of the Yangka Water Project to provide clean water to the Aeta Mountain Village community in Yangka, Capas, Tarlac.

**We are equally proud of our North East Chapter's initiatives
in projects with foundation-wide impact such as:**

- The June Kan Legacy Fund, a special bequest of the late Mrs. June Kan, a beloved friend of the NE Chapter to be used specifically to enhance the growth and development of CHSNAF as a robust 501(c)(3) charity foundation.
- The Mother Josepha Prayer Weavers (MJPW), a daily-Zoom prayer cenacle of devoted alumnae followers of Blessed Mother Josepha Hendrina Stenmanns, SSpS, dedicated to invoking her powerful intercession for healing and other private intentions.
