## First Reading - Acts 15:1-6

Some who had come down from Judea were instructing the brothers "Unless you are circumcised according to the Mosaic practice, you cannot be saved." Because there arose no little dissension and debate by Paul and Barnabas with them, it was decided that Paul, Barnabas, and some of the others should go up to Jerusalem to the Apostles and presbyters about this question. They were sent on their journey by the Church, and passed through Phoenicia and Samaria telling of the conversion of the Gentiles, and brought great joy to all the brethren. When they arrived in Jerusalem, they were welcomed by the Church, as well as by the Apostles and the presbyters, and they reported what God had done with them.

Jerusalem, built as a city with compact unity.

To it the tribes go up, the tribes of the LORD.

**R - Let us go rejoicing to the house of the Lord.**

According to the decree for Israel,

to give thanks to the name of the LORD.

In it are set up judgment seats, seats for the house of David.

**R - Let us go rejoicing to the house of the Lord.**

Lord, we pray for relatives and friends who are sick, especially those with Covid. Rest your healing hand upon them, comfort them in their pain, give them hope and peace of mind and heart. Grant them and their loved ones strength and the grace to believe and trust in you. Let us pray to the Lord.

**R - Lord, hear our prayer.**

## Act of Spiritual Communion

My Jesus, I believe that You are present  
in the Most Holy Sacrament.

I love You above all things,  
and I desire to receive You into my soul.

Since I cannot at this moment receive You sacramentally,  
come at least spiritually into my heart.

I embrace You as if You were already there  
and unite myself wholly to You.

Never permit me to be separated from You.  
Amen.

## Oratio Imperata

Merciful and compassionate Father, we come to you in our need to seek your protection against the COVID-19 virus that has disturbed and even claimed lives.

We ask you now to look upon us with love and by your healing hand, dispel the fear of sickness and death, restore our hope, and strengthen our faith.

We pray that you guide the people tasked to find cures for this disease and to stem its transmission. We thank you for the vaccines developed made possible by your guiding hands. Bless our efforts to use these vaccines to end the pandemic in our country.
