President's Column

by Jonathan Walters, President

At our March Heritage and Cultural meeting we'll host the **Scandinavian Folk Dancers of Phoenix**. They'll present a varied program of Norwegian and Swedish dances—come and enjoy being a spectator—as they go through their routines. You may even be given an opportunity to participate in some folk dancing with them! Several of the current dancers are Desert Fjord members, including Karen Crofton, Laurie Peterson, Jana Peterson and yours truly. As group Secretary, Jana organizes the performance appointments and rehearsal schedule and communicates with all the dancers about this. The group rehearses Friday evenings every couple weeks; they perform generally once a month during the September – May season. In 2015 & 2016 they were invited to perform at the Midsummer Scandinavian Festival in Estes Park, CO. Anyone wishing to join this group should speak to our Cultural Director, Jana Peterson. If you'd like to get better acquainted with your Scandinavian roots and, in the process, get some good exercise, this is the place for you!

On February 18<sup>th</sup> two well-known Sons of Norway members in the Valley were united in marriage. Desert Fjord Lodge wishes to congratulate Roger Espeland and Sissel Liknes, wishing them every happiness in their life together!

In this newsletter please find some scholarship opportunities. Also, please read about District Six's Camp Norge, recently affected by a winter storm that washed out a section of road. Without road access they've had to suspend all activities until the road is rebuilt.

In addition to a folk dance program, we'll have some great food in March along with a silent auction. You'll have a chance to bid on several items, among them a Norwegian man's watch and an attractive Norwegian sweater. Those who joined us in February saw a wonderful documentary film, **Finding Thea**, about an accomplished Norwegian immigrant woman to the Northwest. To see what you missed: the DVD we watched can be checked out from our library. I look forward to seeing you in March!

*Velkommen*

Masonic Lodge, 2531 N Scottsdale Rd, Scottsdale**

**PROGRAM: THE SCANDINAVIAN FOLKDANCERS OF PHOENIX**

**The folk dancing group was started by members of the VASA Order of America in the early 1970's. The group's goal is to preserve traditional dances and costumes of Scandinavia. Primarily made up of Norwegians and Swedes, the group wears traditional costumes, and they always present a colorful performance.**

**Bruce Carlson, director of the group, says "A wide range of traditional couple and group folkdances from the Scandinavian countries are demonstrated by the dancers. A wonderful benefit is that we also have a great deal of fun doing it! We invite you to make a few friends, get a little exercise and have fun along with us. Membership is open to anyone and all are welcome to come and dance or just watch." Please come and enjoy the colorful dancers. The dances range from child-like fun movements, to more intricately woven pieces. Examples of dances are Parisian Polka, English for Three Couples, Weaving Dance, Schottis, and more! (including audience participation dances)**

The ninth Inspector Irene Huss investigation by this popular Swedish writer is a solid 'people procedural': we get perception & empathy towards victims, suspects, witnesses and police colleagues as Huss investigates an elusive and

particularly nasty killer in Göteborg.

When the author ratchets up the fear factor in her ninth Huss novel, she does so to almost stealthy effect. That may not be what some fans expect, but there are more sides to Nordic noir than Dragon Tattoo.

—Chicago Tribune

**Who Watcheth** is an engaging mystery with a very likable heroine. With a writing style reminiscent of Camilla Läckberg or Henning Mankell, Helene Tursten offers a detective with a nuanced and compelling personal life, as well as a dark and intriguing mystery. **Who Watcheth** offers lots of suspense.

—Shelf Awareness

Roger Espeland and Sissel Likness, happily wedded in Mesa, AZ in February. Our best wishes to the Newlyweds!!

## Camp Norge Closed until further notice.

Fueled by an atmospheric river that funneled a vast amount of moisture into Northern California, the severe winter storms that hit last month caused countywide damage. Perhaps the most prominent is the culvert failure and washout of Morton Road in Alta. The incident isolated 15 homes (**and Camp Norge**). An alternative access was established, however it traverses a steep, windy gravel road over private property.” The picture above is where the road used to be and you can see the depth

of the washout. This was a major event!

As of now, all activities are cancelled at the lodge, including Camps Trollfjell and Trollfjell Folkehøgskule, scheduled through the end of July. The Camp will remain closed to any visitors, whether Sons of Norway members or not, until this road repair is completed.

## Library News!

### Displays, Missing Books and More

We have World War II Books that will be displayed throughout the meeting! Also, we have a wonderful library of materials, please consider using it to your advantage!

Several of the missing books have been located and returned to the proper places in the library. But many are still missing—particularly all the woodworking publications. Please check if any members might have these or know someone who has this interest. The list of the remaining errant books will be available at the March meeting. Once again please check where these might be. There were no check-out cards so they cannot be traced.

Any help will be much appreciated!

### Mission Statement:

**To promote and to preserve the heritage and culture of Norway; to celebrate our relationship with other Nordic Countries; and to provide quality insurance and financial products for our members.**

## Membership Matters

by Floyd Downs, Membership Secretary

The good news!! Last month in this column I mentioned the Membership Retirement Fund (MRF) which provides money to assist some members in paying membership dues, thus not losing them from our membership rolls. At the February meeting I re-marked that the fund was running low. Consequently members present generously donated nearly \$200 to refund the MRF. This will allow us to continue to help those in need and help to maintain our membership numbers.

News of the flock! Tyler Soine, our Sports Director, has canceled his membership due to a serious health problem. He and wife Carolyn are now living at McDowell Village in Scottsdale. Although I had communicated with them a few weeks ago, I now seem to have lost touch with them and am trying to gain information that will allow me, and others, to contact them. I hope that I will be able to share such information with you next month. In the meantime we want to acknowledge Tyler's years of service as Sports Director for Desert Fjord Lodge, as well as Carolyn's important role as Sunshine Person for several years. We wish them both well!

To all members receiving news from SON-Minneapolis that dues payment is coming due in 2017, be sure to make renewal payment promptly, but especially before December 31st. That is because on January 1, 2018 the dues structure changes. The membership fee for an individual, now \$52.50,

rises to \$60, and the spousal fee, currently \$40.50, will be included in the new category of Family Membership with a fee of \$95. This will include the individual member, spouse and other family members. Thus the current "family fee" totaling \$93 will see a small rise to \$95. Details as to how monies will be disbursed to our lodge from SON-Minneapolis will come at a later date.

Please keep spreading the news of the benefits of Sons of Norway via Desert Fjord membership to all those of Scandinavian heritage. Yes, we accept the Swedes, the Finns, and any other friendly folk who wish to join with us.

As I've noted previously, keeping our own databases current is an ongoing challenge, especially when members do not report changes directly to us or if some of their incoming e-mail messages may be deleted or allocated to spam. This includes telephone number changes. I've heard that some phone numbers as currently listed in the SON membership roster are no longer valid. A similar reminder pertains to postal addresses. Please let us know of any changes so that we can maintain effective communication with you.

I can be contacted in person during a Desert Fjord meeting, by phone at (480) 816-3875, or by email at [lenci.downs@cox.net](mailto:lenci.downs@cox.net).

## We Work for You

It's likely that you have one or more financial advisors working for you. Think about it. Who did you buy your life insurance from, invest with, do charitable planning with, estate planning and gifting? And how many times have you had a new advisor take over your business or the company changed hands and name? When was the last time you heard from these people? Who owns the company and where do the company profits go?

When you belong to Sons of Norway, you have a stake in the organization. Our successes are your successes. Our stability is your stability. You are an owner. As a fraternal benefit society, we give our profits back to our lodges and members.

The next time you are ready to make a move with your finances, think of Sons of Norway. We have been relating to our members for many years. Give us the opportunity to show you how we can work with you to achieve your financial goals. Although we've grown and evolved, the mission we set of helping each other in times of financial hardship back in the early 1900's hasn't changed.

Call your Sons of Norway Financial Benefits Counselor and let's get to work.
