Lieve Hooijer **(Skipper, Winged Monkey, Beauty Parlor Girl)**

Lieve Hooijer is a ten-year-old from California and El Sargento who is celebrating her third season with Camp Dancing Birds Theater Company. Some of her past acting highlights include a scene-stealing turn as Mrs. Cogsworth in *Beauty and the Banana*, and the roles of Alice (#1) and Gardener (#1) in *Alice in Discoland*. During the preparation for her debut role as a horse in *The Emperor's New Clothes*, Lieve's method-acting inspired a deep love of riding that has continued to this day. In addition to riding horses whenever possible, Lieve makes paper stars and admires her ball python, Athena. Her flare for drama makes her a natural on stage, & we can't wait to see where acting takes her!

Summer Power
(Barbie #1, Beauty Parlor Girl, Winged Monkey)

Summer Power is an 86-year-old woman who was a Victoria's Secret model for 82 years before she retired and started acting. Summer enjoys portraying the roles of old men who act like toddlers but, even so, she will never stop wearing heels and skirts. Another one of Summer's new-found pastimes is collecting things ranging from 3.5" spoons (specifically sugar spoons) to Mcdonald's French fry boxes. And there you have it, Summer in a nutshell!

Cecilia Hartog
(Mathilda the Cleaning Lady, Tornado, Crow)

Ivy Selby
(Little Girl, Crazy Cat Girl Barbie, Tornado, Crow, Munchkin, Tiger)

Ivy Selby is a 34-year-old who manages to look like an 8-year-old on stage. She keeps her beauty secrets closely guarded. She lives in a dog house in the hallway of her parents' house located in Antafrica. Her big plan for life is living in a mansion with her 197 cats.

Litzy Marivi Vicente Vázquez
(Glinda, the Good Witch of the North)

Soy Marivi, tengo 14 años. Naci en Veracruz, Mexico. Vivo en El Sargento. Mi color favorito es el azul y el rojo. Me gusta comen tacos.

Zoe Trudeau

(Dancer Ken, Lights, Backstage)

My name is Zoe Rose not Zo Rosè. I am 14 going on 3 and 30 at the same time. When I grow up I want to be a kid. My favorite color doesn't exist unless all the shades of the ocean come in one color. I have two younger sisters but I think they qualify as cats because they're super sweet until they're straight-up vicious. I don't believe in shaving... my dad's head. If I could have anything in the world I would want wind... but not out the back end, if you know what I mean.

Milou Hooijer

(Weird Barbie, Winged Monkey, Tour Guide, Beauty Shop Girl, Airport TSA Agent)

Milou Hooijer is an award-winning actress, appearing in amazing shows like The Emperor's New Clothes, Beauty and the Banana, and Alice in Discoland. Some of her favorite things to do are going on cruises with celebrities, going to places with yummy cheese in her semi-private jet, and eating tiny sandwiches cut into triangles.

Chance Stevens

(Allan, the Scarecrow)

The weather was warm, at least for November. The wind howled through the trees, and birds chirped brightly even though the sun had nearly set.

Everything seemed so peaceful, so no one saw it coming. The ground shook, and an eerie howl seemed to come from the Earth itself. "Never" – time stood still – "gonna give you up, never gonna let you down."

Finn Hooijer

(Ken in Drag, Tin Man)

Finnigan Hooijer is an ancient deep sea creature that awakens once a year to go winging and participate in Camp Dancing Birds' plays as a joke character. He likes windy days and his favorite foods are papaya and the souls of drowned sailors. He was born underneath the ice in the North Pole, but he currently resides full time in a cozy little cave just off the other side of Ceralvo.

Max Rocha

(Disco Ken, The Lion)

Hi, my name is Max. I am 12 years old and enjoy walks in the park and small bits of bacon... hang on, that's my dog, although I do enjoy bacon. This is my third performance professionally. If you would like to hire me for future gigs, you may talk to my manager, who is also my dog.

Amelie Selby

(Teressa, Barbie #2)

Amelie Selby is 99 years old and aging beautifully. She has been on Broadway several times and starred in more movies than she can name. A native New Yorker, Amelie's current profession is selling youth elixir and shaving cream for dogs in a little town in Washington called Washington. She just finished starring in a TV show called – wait, she can't tell you. It's classified.

Lila Urban

(Wannabe Princess Barbie, Dorothy, German Tourist, Beauty Parlor Girl, Airport Security Agent)

Lila is a 83 years old. She lives on the beach of Miami with her 47 pink pet caterpillars. Yes, she may have a couple grey hairs, but she's still got it! She sells high-quality dirt in South Chicago, and has been an armpit tattooist ever since she graduated from MIT with honors and a Masters in Aerospace Engineering. She has Arachibutyrophobia (fear of peanut butter sticking to the roof of your mouth), but we don't talk about that.

Nash Rawles

(Banana, Tornado, Crow)

Nash K Rawles is a former San Francisco 49er football star who became famous for becoming the first player to drive off the moon, win a superbowl and say, "Give me peanut butter!"

Dustin Urban

(Just Ken)

Ken, formerly known as Dustin Urban, spends his time and energy perfecting his tan and developing his talents at Beach. Shredding waves is much more dangerous than people realize. In fact, surfer is not even his job. And it is definitely not lifeguard- a common misconception. Actually his job... it's just Beach. Barbie says that Ken needs to discover who Ken is without her. Maybe this play will help.

Maggie Power

(Little Girl, Chelsea, Tornado, Crow, Cactus Thorny, Chipmunk)

Maggie Power is a renowned stunt double who has been in many movies and shows including *The Great Stumble*, *A Big Belly Flop* and *A Series of Unfortunate Falls*.

Ra Peri

(Tornado, Crow, Traveler)

Ra Peri is 7 years old and possibly part monkey—no tree is too tall, no branch too tricky for him to conquer. He spends most of his time exploring nature, collecting the world's finest coconuts, and whispering secrets to the wind. When he's not climbing trees or dreaming of living in a jungle, he's mastering his soccer moves, practicing his lightning-fast Taekwondo kicks, and planning his next great adventure. But what truly makes him legendary? His unbeatable sharing skills. Whether it's snacks, stories, or a perfectly split coconut, Ra makes sure everyone gets a piece of the fun.

Ukiah Gribble

(Stereotypical Ken, Munchkin, Film Director)

My name is Ukiah and I'm 15. I have been in a handful of plays throughout my life. I have a love/hate relationship with acting, and love building sets. In addition to playing my roles, I will be trying to keep the actors backstage quiet. WISH ME LUCK!

Heron Urban (Magic Ken, the Wizard)

Heron Urban started his acting career at the age of six. He has since taken part in several major Broadway productions, but Heron's onstage experience started long before his first play. He participated in several group song-and-dance numbers and even spoke with Santa himself, all before his sixth birthday. Between the ages of six and eleven, Heron regularly took to the stage, turning heads in the audience, specifically those of his parents. Heron took several years off his acting career and is reentering the stage for this Camp Dancing Birds' production of Barbie in Oz.
