# Chapter 1

## Raps

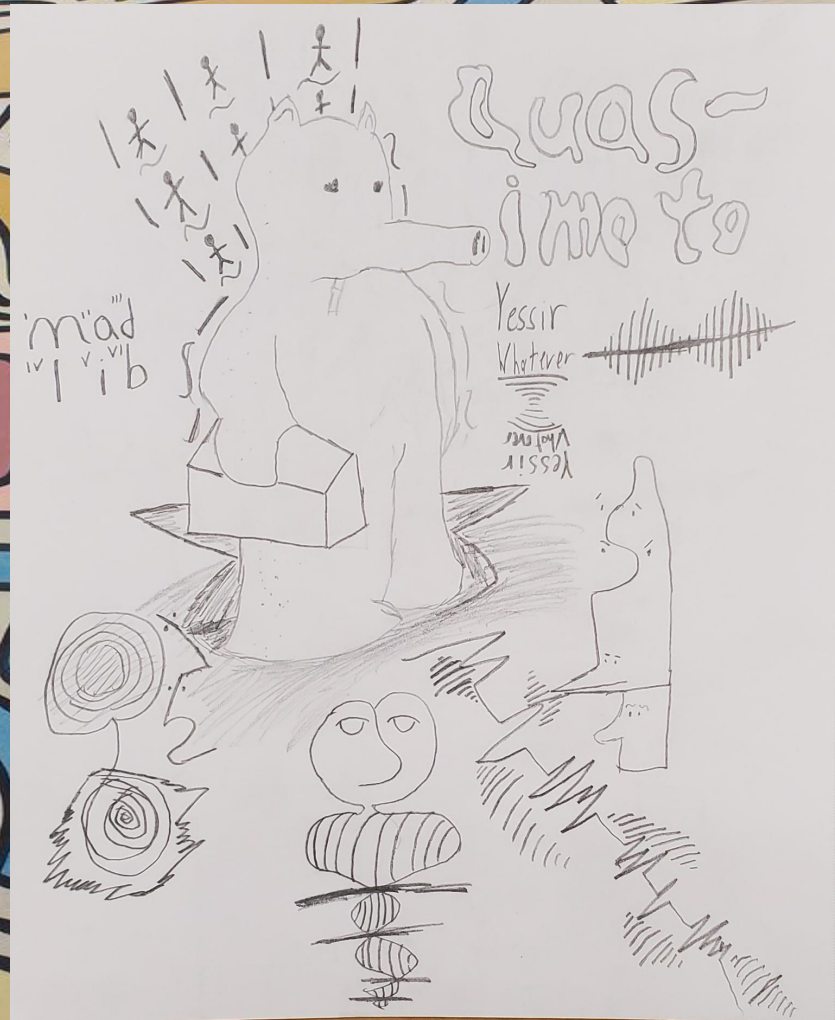

Process:

I doodled characters that came to my mind, some that are my own, some that are others. Like the big one in the middle, named Quasimoto.

# Rap 6, 9/13/22

## “Doodle”

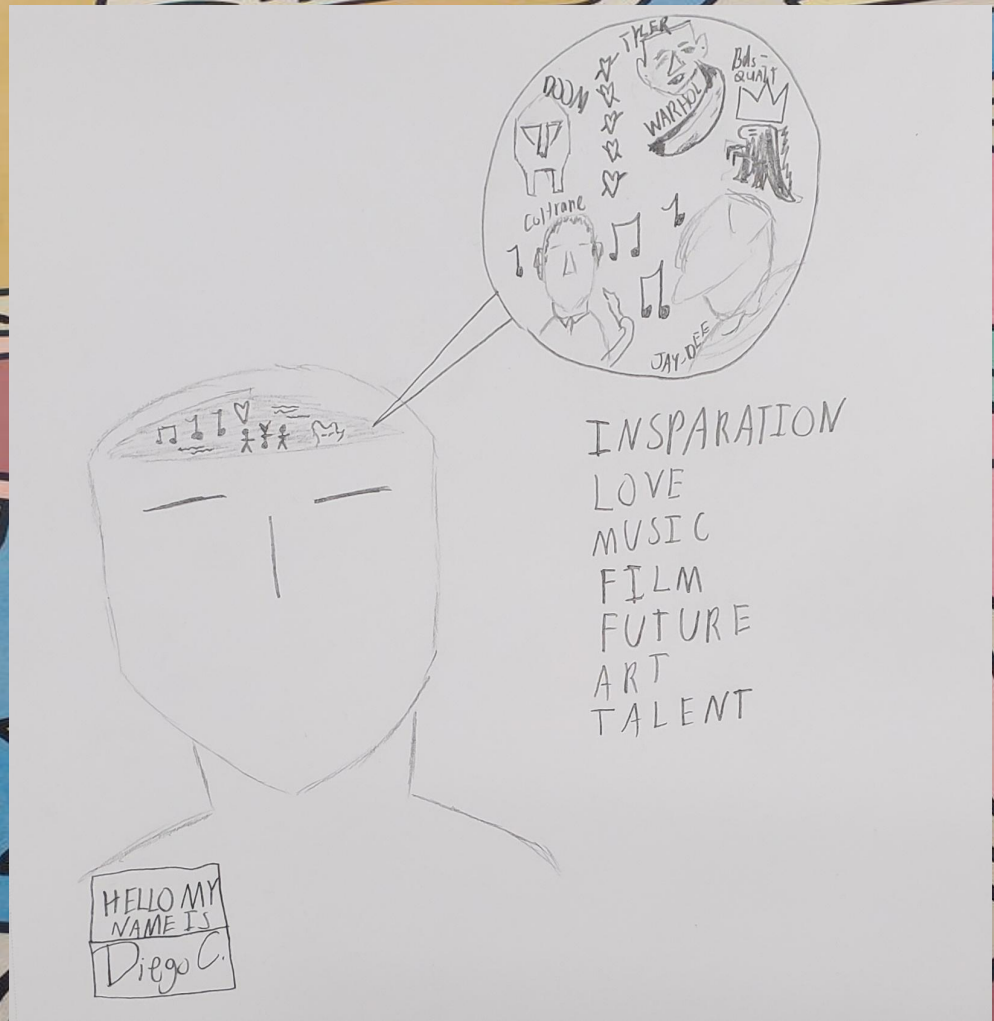

Process:

I showed what goes on in my mind  
and to the side I explained what each  
one was

Rap 7, 9/15/22

“Show Me  
What You  
Think”

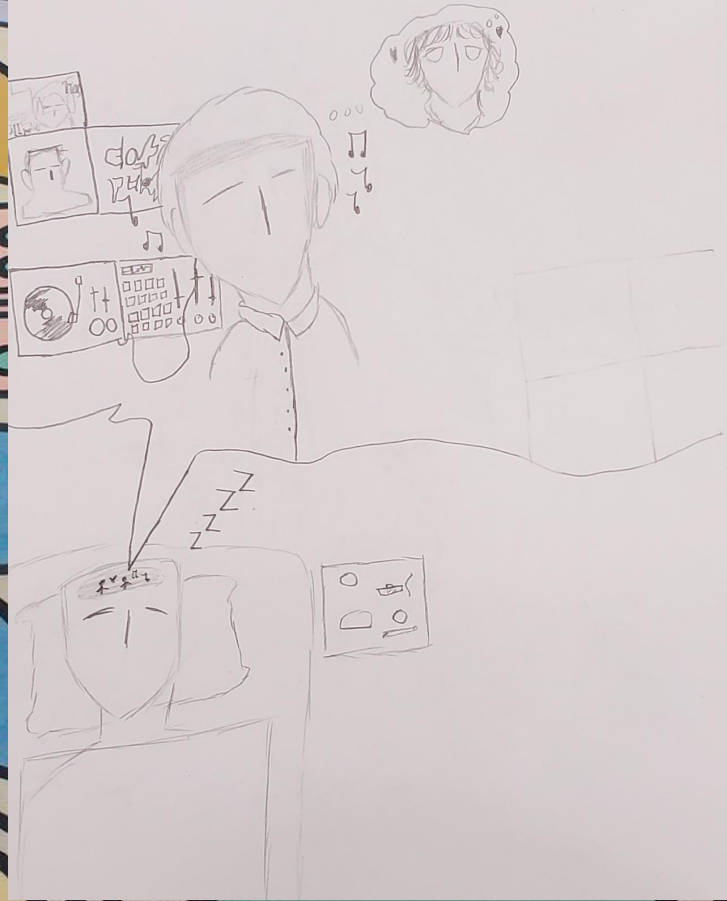

Process:

The thing I dream about is music, I'd love to be big with music in the future and have a big music collection.

Rap 8, 9/19/22

“A Dream Is A Wish Your Heart Makes”

“A Dream is a Wish your heart Makes” Rap 8 9/19

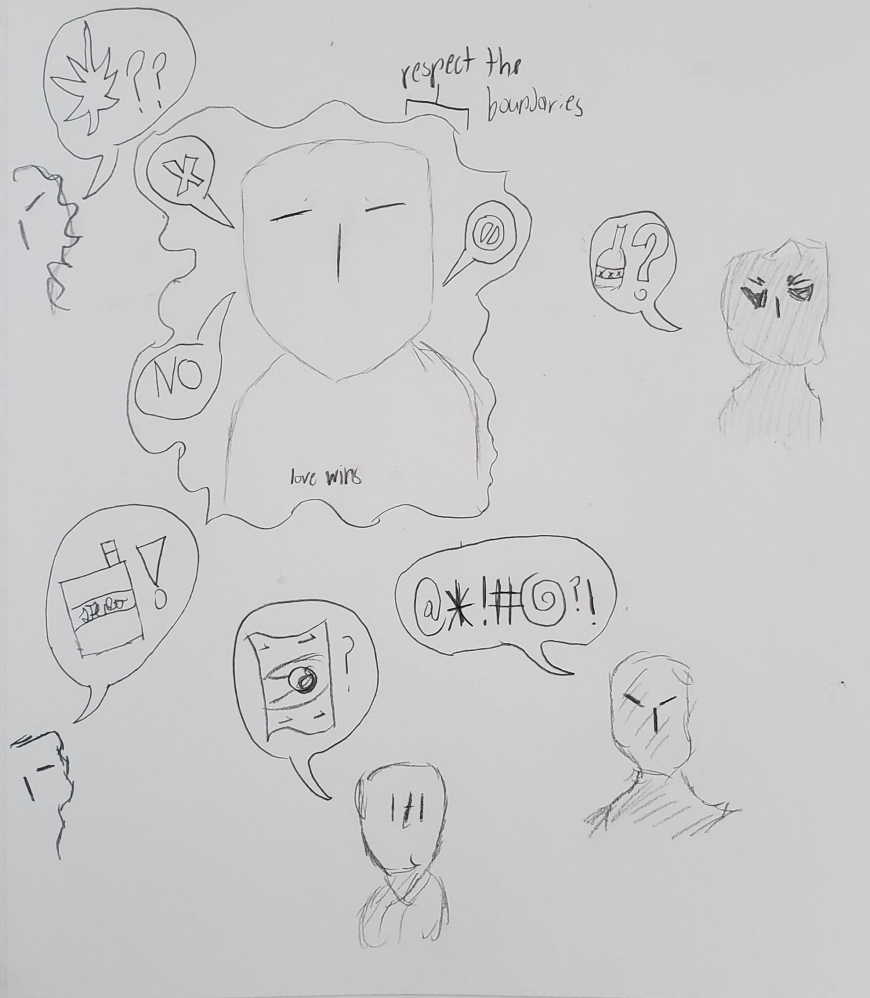

Process:

I drew things that I wouldn't give or allow people to give to me regardless of how curious I am or how convincing they are.

Rap 9, 9/21/22

“Draw a Barrier to Respect”

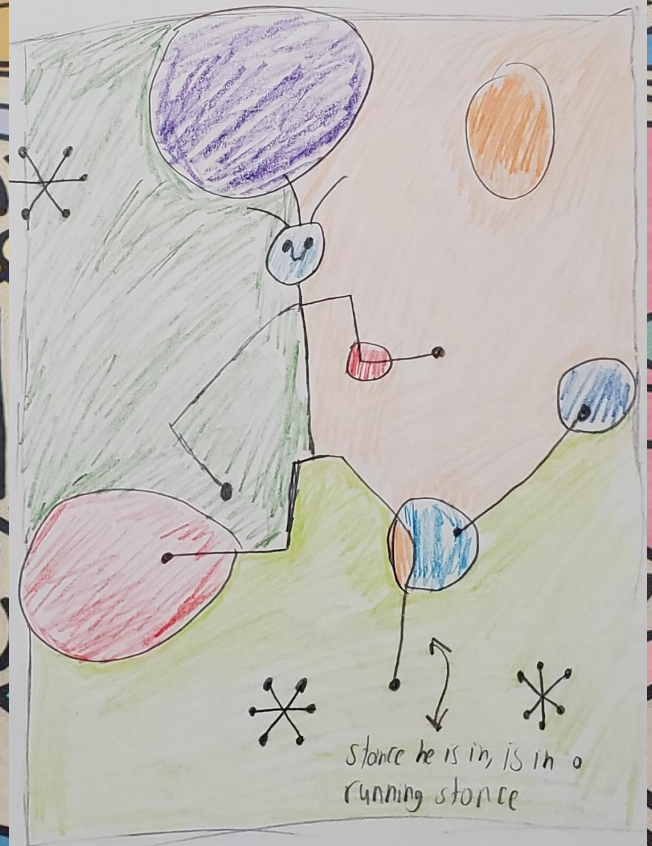

Process:

I saw this and thought it was a story  
of a race.

Rap 15,  
10/11/22

“Draw A Juan  
Miro Story”

I assume this photo is of a runner, possibly  
in a race

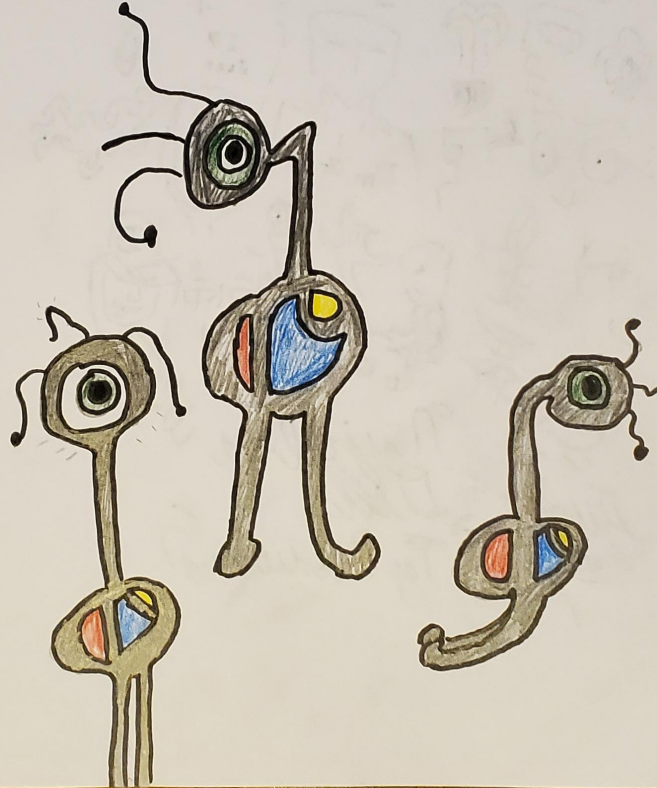

Process:  
Saw these silly little creatures and  
thought how cute they'd be as  
plushies!

Rap 16,  
10/13/22

“Draw a Joan  
Miro Plush  
Toy”

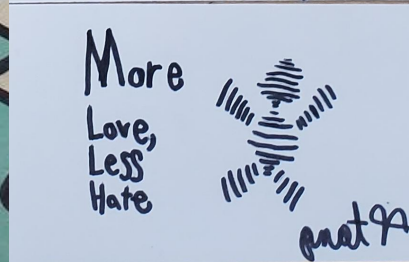

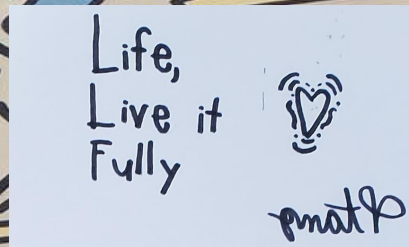

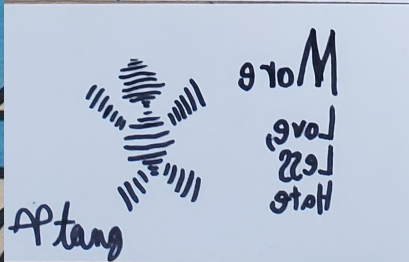

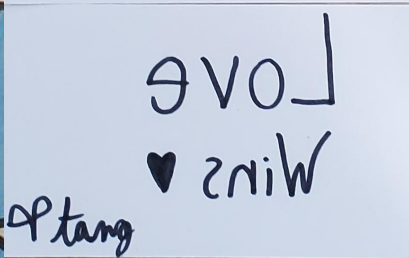

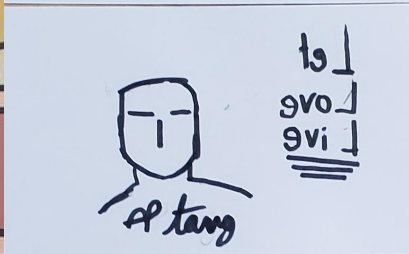

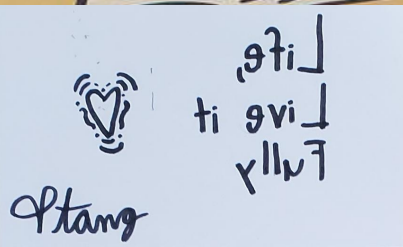

10/13/22 Rap 16 Draw a JOAN MIRO plush toy

Process:

I thought of phrases that came up in my head, which I think everyone needs to hear to put them on the cards to show to everyone.

# Rap 17, 10/17/22 “Write A Message In Miro Script”

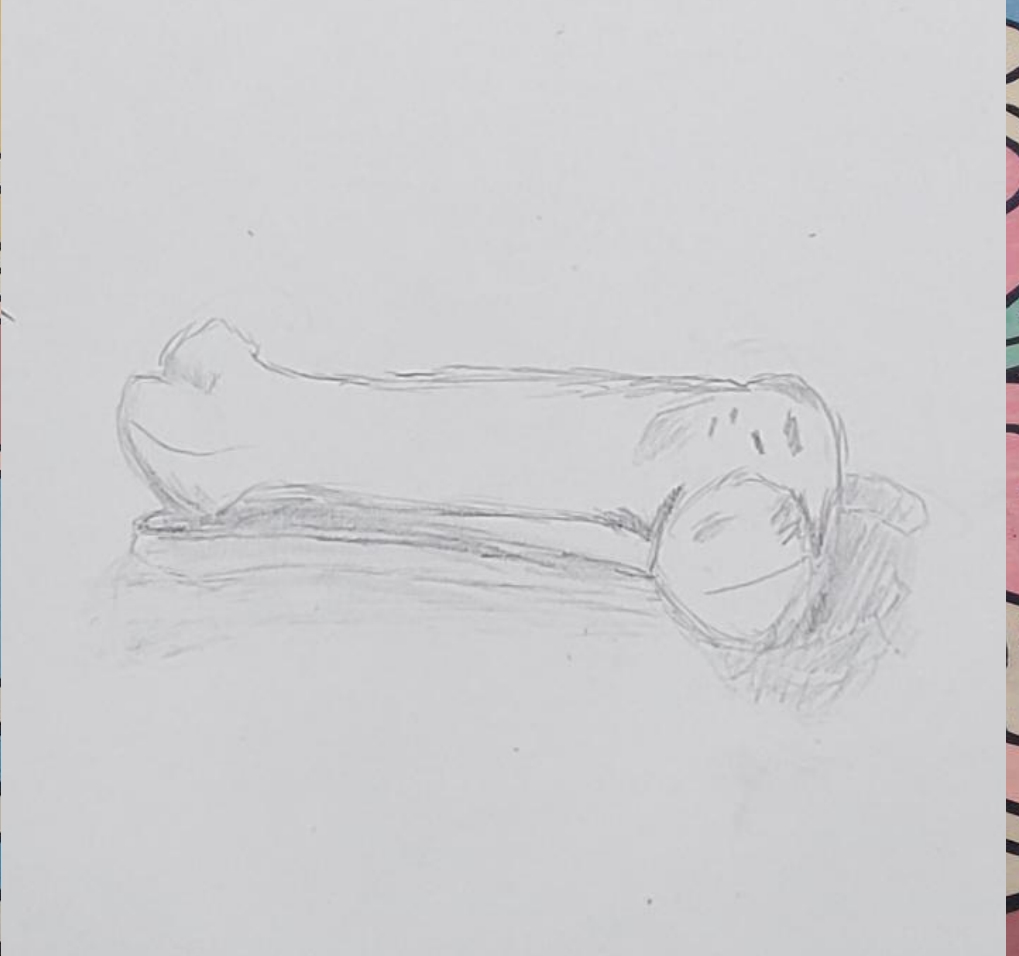

Process:

Was given a bone to draw so I drew it.

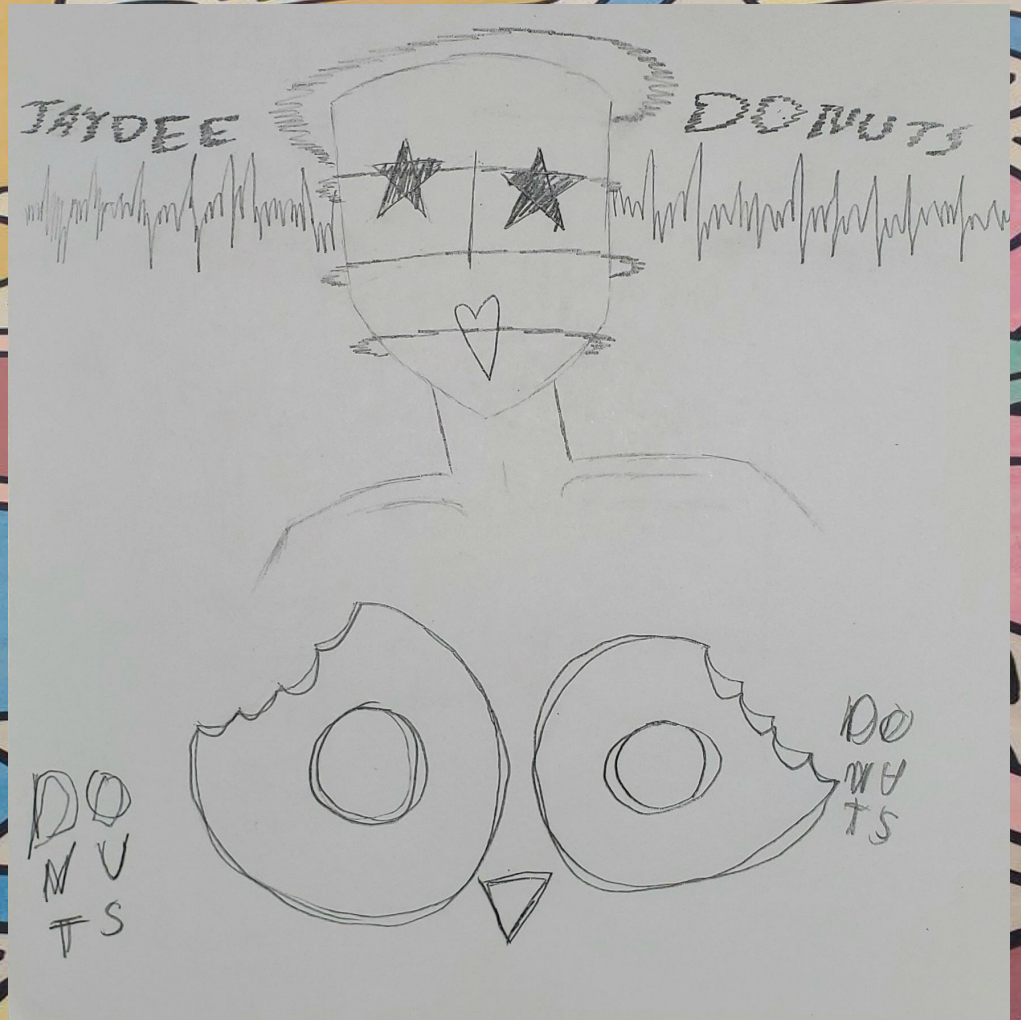

Rap 21,  
10/28/22

“Draw A  
Skeletal Bone”

Process:  
Music, is something that makes me  
euphoric, specifically Jay Dee's  
Donuts.

Rap 24,  
11/7/22  
“Draw  
Euphoria”

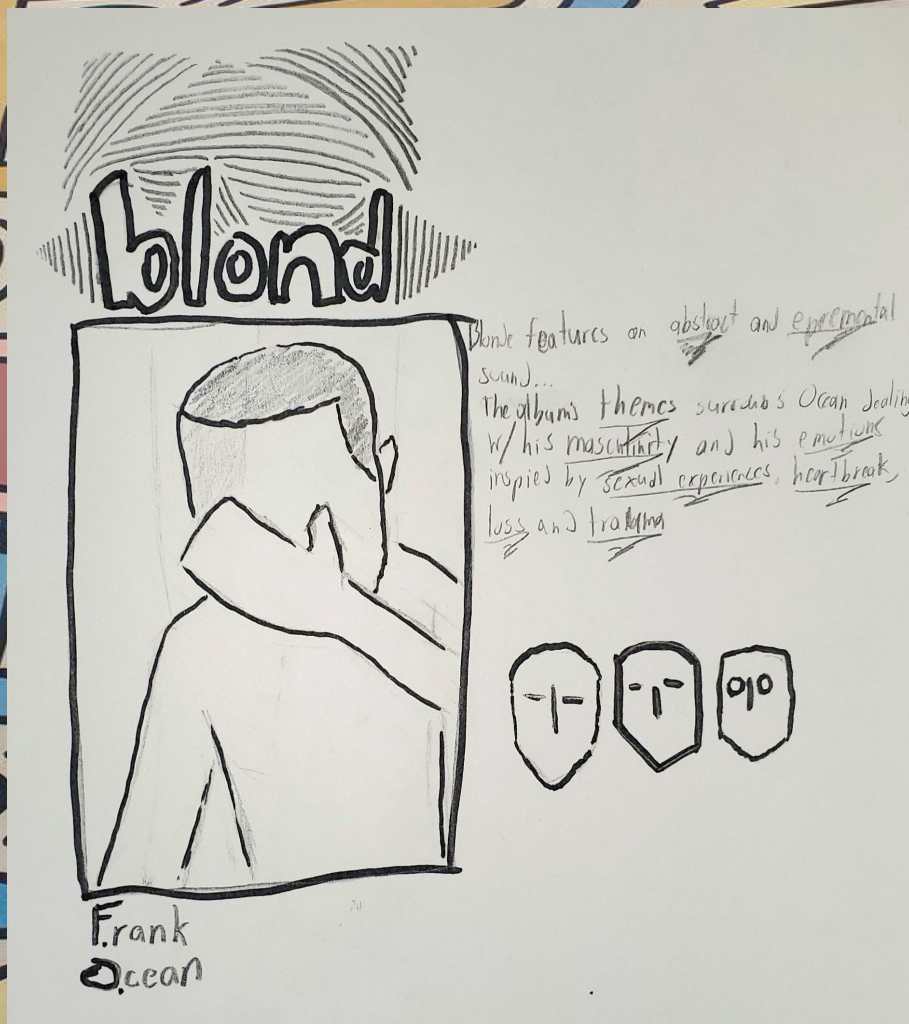

Process:

An album that does a great deal of sadness and dysphoria would be Frank Ocean's *Blond* - the album cover is drawn in my way.

Rap 25,  
11/9/22

“Draw  
Dysphoria”

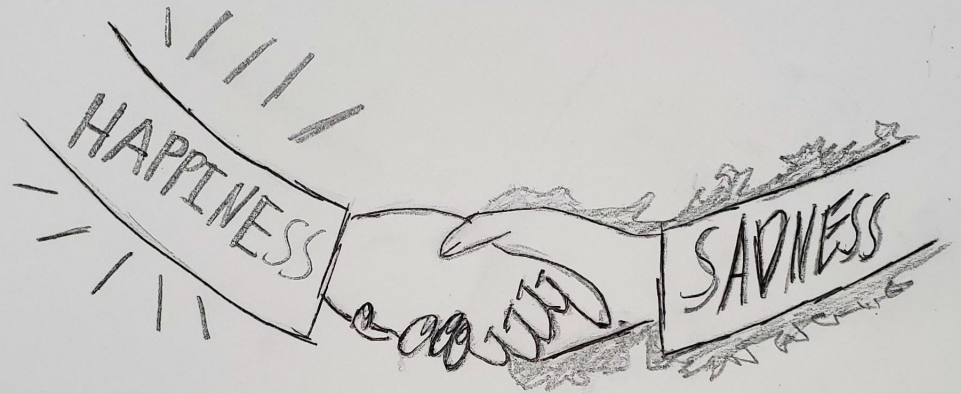

Process:

Thought of Pink Floyd's "Wish You Were Here" album cover, the man on fire shaking the other man's hand - I thought of the man being on fire as sadness and happiness helping sadness out.

Rap 26,  
11/14/22

"Draw  
Happiness  
Helping  
Sadness"

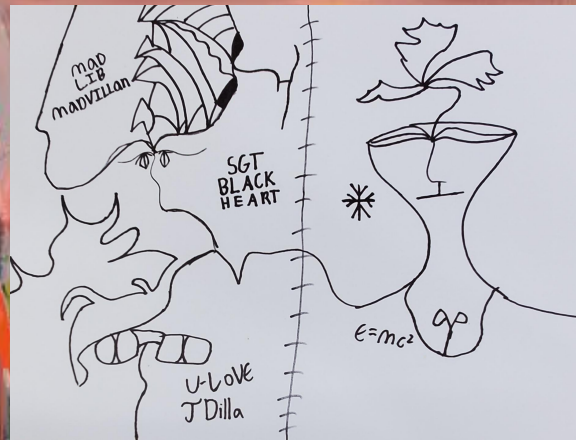

Rap 26 Draw happiness helping sadness 11/14

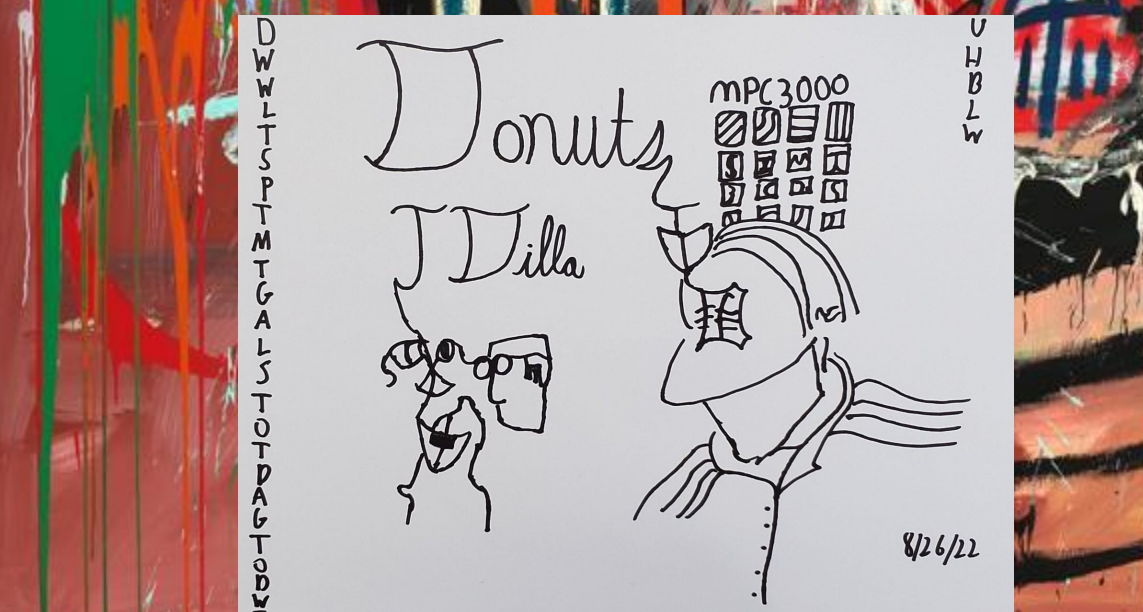

An abstract painting featuring a central figure with a dark, horned head and large, red, circular eyes. The figure is surrounded by vibrant, vertical streaks of color, including green, red, blue, and yellow. The background is a complex mix of reds, oranges, and blues, with various brushstrokes and textures. A white rectangular box is overlaid on the center of the image, containing the text "Chapter 2 Art Production".

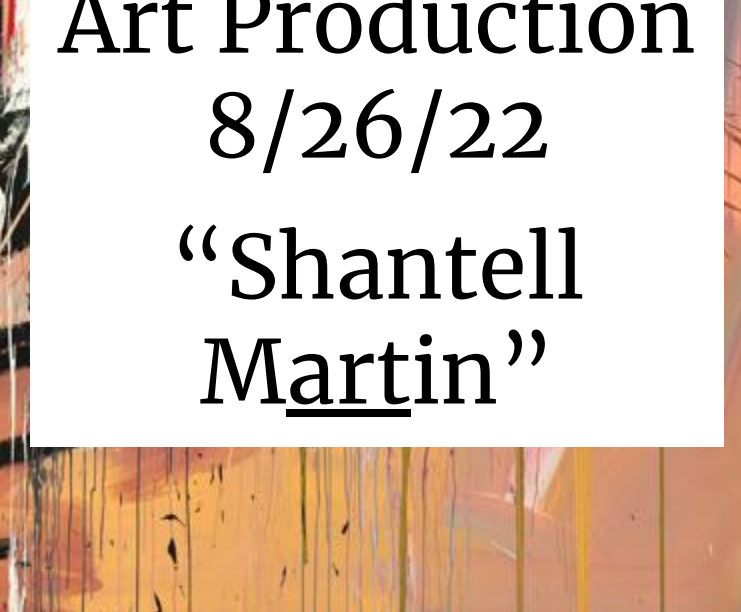

Chapter 2  
Art Production

Process:  
Some are recreations of album covers, some are just doodles - this type of work is fun!

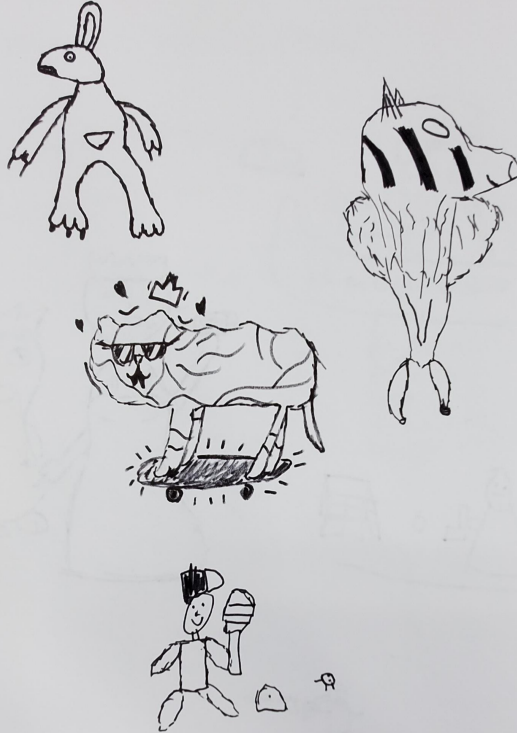

Art Production  
8/26/22

## 8/24/22

### “Wachama Draw It”

Process:  
Drew different parts of animals that I liked all combined together and made this freaky looking hybrid creature!

Art Production

“Exquisite  
Corpse  
(figure)”

9/9/22

Diego Carreon

Process:

Made a collage with every body part  
(or limb looking part) I could find and  
put it all together.

# Art Production

## 9/9/22

### “Exquisite Corpse” (collage)

Process:

Thought of the most organic and geometric looking shape, and even made the background geometric or organic!

Art Production  
9/28/22  
“Shape  
Figure”

Process:  
Drew a jazz band as if you were on  
acid watching them.

Art Production  
10/11/22  
“Miro Inspired  
Art Work”

Process:  
Chose movie scene I liked and their  
lessons (Taxi Driver 1967).

*live*

*and*

*learn*

Art Production  
11/3/22  
“Copy Kruger”

*killer*

*shot*

Process:

Even made puns with them like this one “Killer Shot” – shot could be gunshot or, a shot when you take a photo. Killer could be literal or slang for awesome (Taxi Driver 1976).

Art Production

11/3/22

“Copy Kruger”

*true love  
shouldn't be  
this hard*

Process:

The facial expressions on their faces show that their love is hard - this was a photo taken by one of my favorite photographers, Diane Arbus!

Art Production

“Copy Kruger”

**Don't Cry**

Process:

I took one of my favorite photos (glass tears) and put my favorite song title over it since it went well!

**Art Production**  
**11/3/22**  
**“Copy Kruger”**

*even if the world is falling apart*

*you'll be by my side*

*right?*

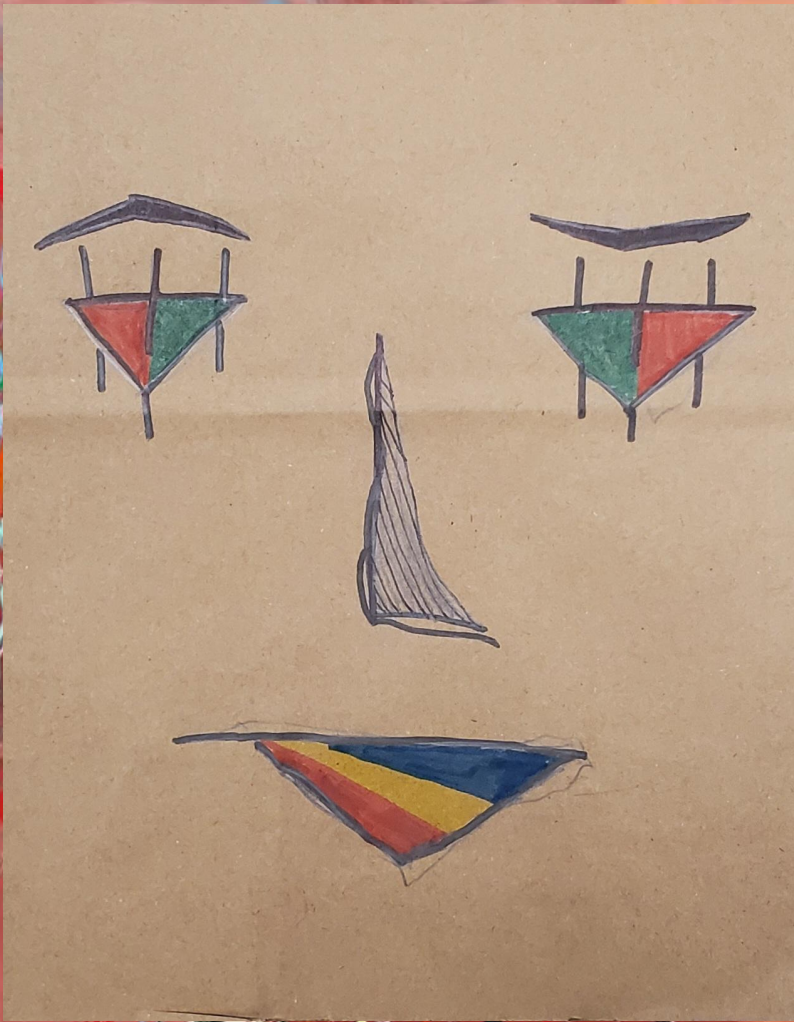

Process:

I present a reassurance question you'd ask your partner if things were close to an end - the photo I used is taken from "Fight Club" (1999) where the world quite literally is falling apart towards the end.

Art Production

11/3/22

"Copy Kruger"

Process:  
Drew a mask with eyes, and a mouth  
- not like a human's face but facial  
features nonetheless.
