Started: 8/18/21

RAP #5 (9/8/21)

Lesson 1

RAP 5

WHAT IS AN IDEA?

Draw and write an idea.

It could solve a problem, but it doesn't have to.

What is missing in the world that your idea could answer to?

What does your idea look like?

There are many ways to solve problems.

You just need one.

As demonic as this drawing seems, I thought of the fact that ideas and normal day things can be utilized to fuel or fulfill unethical or basically evil tasks

RAP #9 (9/22/21)

Lesson 1: Line

RAP 9

DRAW A CONVERSATION.

I think this is something you normally cannot see.

A thought perhaps? An emotion: frustration vs happiness? A conversation?

(What would two thoughts say to each other?
What would frustration look like as compared to happiness?)

RAP #10 (9/24/21)

SMART: Mastery

RAP 10

WHAT DOES MASTERY LOOK LIKE?

What would you like to have MASTERY in?
Show me.

QUIZ FOLLOWS RAP.

RAP #11 (9/27/21)

Lesson 2: Shape

RAP 11

DRAW SOMETHING INVISIBLE.

An imaginary friend?
Something you want really bad but you don't or can't have?
Something you ate and it's gone now.

What can you think of?

RAP #12 (9/29/21)

Lesson 2: Shape

RAP 12

COPY AN EXISTING IDEA.

Something you think is really cool.

A work that inspires you?

Copy a Tesla. Or the Taj Mahal. Or Supreme. Whatever you choose.
Always do the best you are able. That is how you grow your drawing skills.

What is original? When does original matter?
You own your art, your interpretation, your recipe.

(Please bring a finished toilet paper roll.)

RAP #15 (10/7/21)

Lesson 2: SHAPE

RAP 15

DRAW EUPHORIA.

Euphoria is a feeling or state of intense excitement and happiness.

What does that look like to you?

RAP #16 (10/11/21)

no queso

Lesson 3: Form

RAP 16

DRAW DYSPHORIA.

DYsphoria is a state of unease or generalized dissatisfaction with life.
The opposite of euphoria.

What is the relationship between euphoria and dysphoria?
Is it like a teeter totter?

RAP #17 (10/13/21)

Lesson 3: Form

RAP 17

DRAW THE DOT IN A LANDSCAPE.

How big is it?

The sun is a dot. It is huge. But you may have only seen it from a distance.

Dot as the sun? Moon? Texture? Pattern?

Large? Small?

Important to your concept?

The dot has presence but perhaps not prominence?

RAP #18 (10/15/21)

Lesson 2: Shape

RAP 18

A place, a moment, a happy thought, a dream, a reality, a goal realized...

RAP #24 (11/3/21)

Lesson 3: Form

RAP 24

DRAW A THRONE.

Draw shape. Add Detail. Fill in solids. Play with marks.

You are creating an implied FORM — creating the illusion of 3D.
An actual throne is 3D. A flat illustration is 2D.

What is your story?
One to four frames.
You are not a comic. You are a story.

RAP #30 (11/19/21)

Lesson 3 : Form

RAP 30

DRAW THE ANSWER TO AN OBSTACLE.

Leonardo da Vinci wanted to fly like a bird. So he drew a flying machine.

What can you invent today? Imagine it. Draw it.

My invention is a daydream machine. I step into it and once inside
I tell it what I want or where I want to go. It creates that experience.
It looks like a phone booth with a standing, sitting down, or lying down feature.
If you cannot think of anything you can steal my idea!

What could it be? What does it look like? Give it shape.
Artists make the impossible possible by dreaming. By drawing. Through ideas.

RAP #31 (11/30/21)

Lesson 4: Space

RAP 31

DRAW A STAIRWAY TO HEAVEN.

TO YOUR CAREER?
TO YOUR INNER PEACE?
TO YOUR PLACE IN THE WORLD?
TO YOUR PLACE OUT OF THIS WORLD?
PICTURE THIS.

Lesson 4: Space

RAP 34

**PROPOSE YOUR SOLUTION FOR CLIMATE CHANGE.
ANYTHING!**

IT IS YOUR WORLD. PARTICIPATE.
DRAW A BABY STEP OR A GIANT STEP.
YOU KNOW THE PROBLEM.
I AM SURE YOU HAVE AN ITTY BITTY SOLUTION.
OR MAYBE A HUGE ONE.
DRAW IT.
