Raps

Response to a prompt

Rap 1

What tools do you have to create art?

At my home I have different art tools than I have at school so I find I work differently depending upon where I am and what I have available.

Rap 2

I am a mark maker.

Our Rap was to draw a mark maker or something you want to achieve in your life. So I drew an architect because something I want to achieve in life is to become an architect.

Rap 3

What is Beauty?

In this rap we had to understand what is beauty and what they mean to us. What beauty means to me is just looking at the sunsets over the oceans.

Rap 4

The artist is a problem solver.

In this Rap we had to solve a problem. So my process was thinking what would a problem looks like then I thought of a puzzle pieces. So I looked up puzzle pieces that are creative, but designed it with my own design.

Rap 5

What is an idea?

Our rap was that we had to draw what is an Idea to us. So what an idea is to me is those light bulbs that pop in your head when you get an idea.

Rap 6

Doodle

In this rap we had to doodle for ½ hour and what I did was look up something that inspired me but I just added my own designs and patterns and that is what I like to do.

Rap 7

Show me what you think?

In this rap we had to draw what was in our head and what we were thinking at that time. During that time I wanted to show that your heart can be happy but also sad.

Rap 8

A dream is a wish your heart
makes.

For this Rap we had draw a
dream a wish my heart makes
and a dream my heart makes
is living in a house that I built
with my dad.

Rap 9

Draw a barrier to respect.

For this rap we had to draw what we feel towards other or what others think of me. What I drew is that I do let my anger feeling come out while driving.

Rap 10

Draw a pattern in nature.

In this rap we had to draw the different designs in nature. What I drew was a mountain view with a river on the side.

Rap 11

Draw something invisible.

For this rap we had to draw something invisible or something we want but can't have. For instance I drew my imaginary friend from when I was five.

Rap 12

Copy an existing idea.

An existing idea that I copied was this picture that I found on pintrest and it shows the daylight and the darkness.

Rap 13

Turn a lizard into a dragon.

This rap we had to turn a lizard into a dragon. The way I did it was I found a video of how to draw a lizard but I added some details to make it a dragon.

Rap 14

Open a door to another world.

For this rap we had to have a glimpse of where we can go. SO what I drew was a world where stitch from "Lilo and Stitch" are at. I love the beach and surfing and I would love to go to their world because they live on the beach.

Rap 15

Draw a Juan Miró's story.

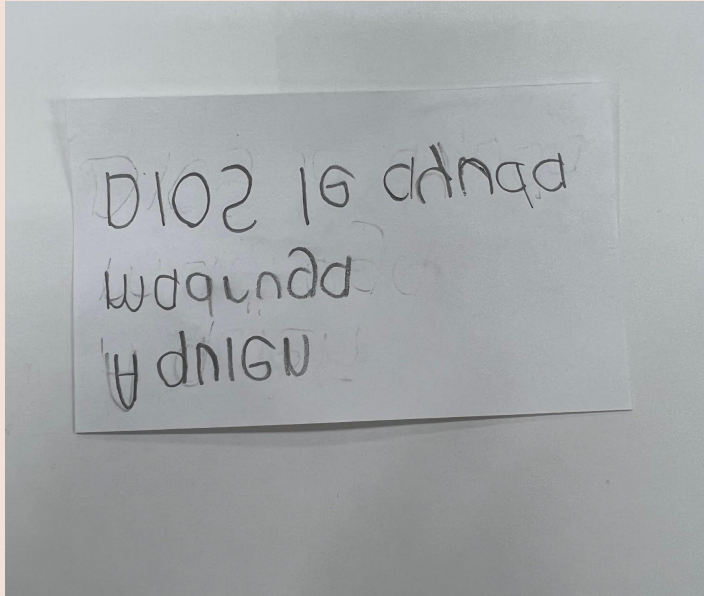

For this rap we had to find a painting from Juan Miró. So I looked it up on the internet and then I copied that same painting, but I used marker.

Rap 16

Design a Juan Miro' inspired plush toy.

For this rap I had to steal a design from Juan Miro' but turn that design into a plush toy.

Rap 17

Write message in "Mirror" Script.

I this rap we had to write a script but in Mirror form. So my process was that I just wrote what I wanted to say backwards went to a mirror to check if I can read it.

Rap 18

Draw a tree's branch system.

In this rap we had to draw a tree branch system. So what I did was draw a tree from the ground up with the roots, then the branch, then the tree itself.

Rap 19

Draw a conversation.

In this rap we had to draw a conversation between two people but instead I drew a conversation with this Valentines Day heart's that have conversation on them.

Rap 20

Draw Power.

For this rap we drew what is Power mean to u. So what I drew is a witch boiling a human because some witches have power over people.

Rap 21

Draw a Skeleton Bone.

In this rap I had to draw a skeleton bone that we chose. For this rap we had to use all of the skills but add more to those skills that we already had.

Rap 22

Draw a human weakness.

For this rap we had to draw what human weakness looks like to us. So what I drew is being lazy because a lot of people would rather be lazy and not do anything rather than doing things that are so simple like cleaning the dishes.

Rap 23

What is a mask?

For this rap we had to draw what is a mask to us and what does it look like. I decided to draw a Pikachu mask because my little cousin had to wear a pikachu mask during Covid.

Rap 24

Draw Euphoria.

In this rap we had to draw what is Euphoria and what it means to us. So I first had to find out what Euphoria meant and it means a feeling of excitement and what I am excited about is graduating this year.

Rap 25

Draw Dysphoria.

For this rap we had to draw the opposite of Euphoria, so what I drew was a balancing table with both sad faces and they are standing still.

Rap 26

Draw Happiness helping
Sadness.

For this rap I drew Joy and
Sadness from the movie
Inside-Out.

10/30

Rap 27

Draw Something Elaborate.

For this Rap I drew a laughing crying emoji with its eyes open. The reason I did that is because it is a very detailed drawing.

Rap 28

Draw your Personality.

For this rap I had to draw what my personality looks like. I think my personality looks like very adventurous person.

Rap 29

Solve Darkness with Light.

For this drawing I had to solve Darkness with light. So what I drew is that I drew a Sun and Moon, with the backgrounds of the sky & the day time.

Rap 30

Draw Quality Education.

For this rap I drew a teacher
teaching students because
that is what equality education
means.
