Art Production

Shantell Martin

I needed to fill both pages with a natural and creative drawing that was all one flow of motion I ended up making multiple faces out of natural lines.

Exquisite corpse.

My strange cut out. I was looking at random details and images and came up with this body formed of different objects.

Watercolor shape figures

I don't quite know what this is but it was creative.

Light and Dark

Tree Ornament.

I love green day and once I saw the photos I cut them out and put their faces and the heart shaped grenade.
