

Dear Donors Choose,

I would like to personally thank you for providing my class with complimentary pocket notebooks. The opportunity has allowed my class to explore and expand upon their artistic abilities. Although I have not seen the works produced by my classmates, I can assure you that they have taken advantage of the donation to improve their skills. I believe everyone took something away from this experience, for the better.

I will admit, I was not as consistent with my artwork in the pocket notebook as I would have liked to have been. But that alone was a lesson in itself. It allowed me to reflect on why I was not able to draw every day and maintain this habit. Afterward, I was able to maintain other habits outside of the journal, in my personal life, by identifying my inability to stick with the journal. I will try to draw more, because I genuinely enjoy art, just maybe not every day.

Best Wishes,  
G.G
