

Dear Donors Choose,

Thank you for the journal. Your donation has helped me and my classmates enhance our art skills. I am thankful for the journal because I can draw and take it with me wherever I go due to the size. I can be able to travel with it in my bag.

My drawing experience every day was fun it made me enlarge my creativity. I didn't think I would be able to finish it. I managed to learn that I'm really creative due to this journal. The journal did not become a habit for me though because I have a lot of personal matters to do I'm busy a lot now with work and matters. What I learned from this mini project is that I can be more of an artist I saw that I can have so much fun just drawing even if it's just doodles. It calms me down while listening to music.

Sincerely,  
F.G.
